SCHOOL OF LEGAL STUDIES
REVA University

REVA University is a private University established in Karnataka State under the Government of Karnataka Act 80 of the year 2012. The University is located on a sprawling green campus spread over 45 acres of land, built up with state-of-the-art infrastructure creating an environment conducive for higher learning.

The University currently offers 18 full-time Post Graduate programs, five part-time Post Graduate programs, 75 Graduate Degree programs and Post Graduate Diploma programs in Engineering, Architecture, Science and Technology, Commerce, Management Studies, Legal Studies and Arts & Humanities. The University facilitates research leading to Doctoral Degree in all disciplines. The programs and courses offered by REVA University are well planned and designed based on in-depth analysis and research with emphasis on knowledge assimilation, practical applications, global and industrial relevance, and their social significance.

School of Legal Studies, REVA University

The School of Legal Studies, REVA University, approved by the Bar Council of India, New Delhi, is built with the commitment to provide global legal education to its students. As a professional law school, it currently offers B.B.A. LL. B and B.A. LL. B programs. The School aims to offer many more programs with specialisation at its Graduate, Post Graduate and Research level. It prepares its graduates for rewarding careers in various roles and responsibilities in legal organisations. The Graduates of REVA University are prepared to possess strong subject matter expertise in law and legal institutions, justice and governance as well as demonstrable skills of legal counselling and professional argumentation. They are exposed to wide range of inter-disciplinary approaches to legal studies and related fields and are increased to reflect on the complexity of legal practice. They are also provided with internships under NGOs and other judicial authorities.

OUTCOME BASED EDUCATION

- Development of integrated knowledge based on doctrine and practice with a global perspective
- Development of rigorous analytical skills
- Legal reasoning, capacity building
- Development of refinement and conceptualization ability
- Assimilation of large amount of data
- Development of legal research and legal writing skills
