NAMMA
Bengaluru

Welcome to Bengaluru!

The capital city of Karnataka, Bengaluru, is a vibrant city with a rich mix of the traditional and the contemporary. It is a perfect confluence of art and architecture, tech-innovation and modern industrial growth, temperate climate, and an active nightlife. Over the years, the city has evolved from a 'Pensioner's Paradise' to a 'Tech Hub' to the epicenter of 'Tech Innovation', 'Fusion Gastronomy' and 'Modern Lifestyle'.

With time, Bengaluru has also emerged as the tech capital of India, with some of the most popular and celebrated IT giants finding a base in India's Silicon Valley.

Bengaluru is the most-sought after cosmopolitan city for international tech giants like Google, Amazon, CISCO, while home-grown IT moguls like Infosys and WIPRO, still have their head office in the city. Bengaluru is also home to many unicorns and emerging decacorns, the city is also headquarters to some of the most dynamic and fast-growth startups like Flipkart, Ola, Swiggy, Myntra, PhonePe, ZoomCar, BYJU'S, among many others.

The city's love for diverse culture and adoption of heterogeneous lifestyle can be witnessed in its acceptance of its food culture.

A home away from home for millions of students and the working population, Bengaluru is a land of opportunities for all. It promises safety, comfort, and growth to everyone who chooses to make the city their home.

Welcome to 'Namma Ooru.'

About REVA University

Building Dreams. Designing Future.

Established under the REVA University Act 2012, the University is recognised by the University Grants Commission (UGC) and is approved by the AICTE (All India Council for Technical Education).

REVA University prides itself in contributing to every student's holistic development. The University currently offers 49 full-time Under Graduate Programs, 28 full-time Post Graduate programs, 2 part-time Post Graduate programs. The University offers programs in Engineering, Architecture, Science and Technology, Commerce, Management Studies, Law, Arts & Humanities, and Performing Arts. Courses are offered in Certificate/Diploma and Post Graduate Diploma too. REVA University facilitates research leading to a Doctoral Degree in all disciplines.

The programs offered by REVA University are well-planned and designed based on methodical analysis and research with emphasis on knowledge assimilation, practical applications, hands-on training, global and industrial relevance, and their social significance. REVA University believes in preparing students through the Choice Based Credit System (CBCS) and Continuous Assessment and Grading Pattern (CAGP) of education.

The CBCS & CAGP pattern of education has been introduced in all programmes to enable students to opt for subjects of their choice in addition to the core subjects of study and to train them with vocational skills. This methodology helps students earn more credits and facilitates students pursue additional Proficiency Certificates and Diplomas.

The faculty is an active part of the academic dialogue. Teachers and instructors with illustrious academic experience are the architects of the meticulously designed curriculum and program modules offered at REVA University. They come with industrial exposure and experience that often translates through their teaching, thus bridging the gap between the industry and academia.

REVA University has an updated, ever-evolving collection of books, journals, and digital content in the library with the latest IT infrastructure that ensures students have information at their disposal.

The lush green campus, state-of-the-art laboratories, custom-designed classrooms to enable seamless learning, and world-class indoor and outdoor sports facilities make REVA University the most preferred university among students and MNCs that visit the campus for placements.

Building
DREAMS
Designing Future

Message from the Chancellor

Redefining Perception

Dear game changers,
Welcome to REVA University!

I like to address the student populace as game-changers because we, at REVA, believe in the phenomenal power of the youth, and their powerful ideas. As students, you hold the power to transform society and change the paradigm of every development – economic, social, and cultural. Gen Z is born with immense capabilities that can change the face of a nation, and we are proud to cultivate, nurture, and discipline such game-changers at REVA University. The University is driven by the founding philosophy that 'Knowledge is Power', and we are striving to build a community of perpetual learners who can achieve everything they aspire. To build such a community, learning should be continuous, and cross all borders. Hence, REVA University has adopted the mission to make learning unlimited. Our driving principle of 'Learning Unlimited' is empowered with the adoption of technology.

As we have seen in the recent past, technology in education is not just an enabler, but a necessary medium, and the crisis in the Education sector during the pandemic helped us all understand the importance of virtual learning. Fortunately at REVA, we had adopted a digital-first approach towards educating our students, and our preparedness helped us smoothly transition towards online learning.

The pandemic was also a reminder that Blended Learning is the way forward and is the biggest enabler of seamless learning. Our core vision remains to change the way students learn from traditional learning methodologies and we are happy to adapt and adopt technological changes.

The ecosystem at REVA University is not only tech-centered but is developed in such a way that it contributes to the overall development of a student. Our exclusive executive program RACE (REVA Academy for Corporate Excellence) has been ranked 2nd in India for MBA in Business Analytics, REVA NEST- the Start-Up Incubator, are all designed to make our students ready for the corporate world.

In a step ahead, our UIIC (University-Industry Interaction Centre) program allows students to interact and learn from the industry leaders. The UIIC is an exclusive program of the University and a key enabler in bridging the gap between academic life and the corporate world.

Going forward, we aim to make all the disciplines at par with our exclusive programs, and REVA aspires to be a coveted multi-disciplinary institution.

True leaders and game-changers are made when a University takes it on its shoulders to mould personalities and gives life to the ideas of its students. With the dedicated efforts of our eminent faculty members, I am certain REVA University students will be guided and mentored in such a way that they will be the game-changers of tomorrow.

Dr. P. Shyama Raju

School of Civil Engineering

B.Tech. in Civil Engineering is a four-year undergraduate programme structured to boost innovation and creativity in graduates, who will conceptualize and build urban infrastructure that is unique and sustainable benefitting the society. The curriculum of this programme is outcome-based and it comprises comprehensive theoretical concepts and instill practical skills in the domain in students.

MoU's with reputed companies for placements and internships

Weekly project visits, field visits, field surveys

Live Project-based learning

Education tours and industry exposure

Panel of expert teaching fraternity with vast field experience

Modern teaching-learning facilities

To know more details

SPECIALIZATIONS

- B.Tech - Civil Engineering
- M.Tech - Computer Aided Structural Engineering

- M.Tech - Construction Technology and Management
- M.Tech - Transportation Engineering and Management
- PhD Program

School of Computing and Information Technology

The School of Computing & Information Technology offers future-ready programmes that are widely popular and have high demand in various sectors. The School offers B. Tech and M. Tech programs in various fields with specializations in most advanced technologies like Artificial Intelligence, Machine Learning, Data Sciences, and others.

The Masters' degrees focus on quality research and design in core application areas of Artificial Intelligence and Information Technology to enhance the quality of life by adopting innovative design techniques and applications.

Highly Qualified and Experienced faculty members

State of Art Computing Facilities in Laboratories

Industry Enriched Credit Based Curriculum

Project Based Learning (Interdisciplinary in nature)

Student Industry Connect Programs for career support

Tie-up with top Industries for 100% placement

Paid Internships by Industries

Value added & Global Certification Programs for Skill Development

Students clubs (AI&ML, IoT and RPA) for Peer to Peer Learning

Smart class rooms and well equipped labs by Industries

To know more details

SPECIALIZATIONS

- B. Tech in Computer Science & Information Technology
- B.Tech. in Computer Science & Engineering with specialisation in AI & ML
- B.Tech. in Information Science & Engineering

- B.Tech. in Computer Science and Systems Engineering
- M.Tech. in Artificial intelligence
- M.Tech Cybersecurity
- Ph.D in Computer Science and Engineering

School of Computer Science and Engineering

The School of Computer Science and Engineering was established in 2012 and is one of the largest schools in the University. The school has highly qualified and seasoned faculty who are adept in various fields of Computing and Information Technology, and state-of-the-art digital classrooms and laboratories with modern computing equipment to enhance the learning experience. The School is well-known for its world class academics, cutting edge research and industry connections.

The School offers various programs: At Undergraduate level, B. Tech in Computer Science and Engineering, B. Tech in Artificial Intelligence and Data Science and at Postgraduate level, M. Tech in Computer Science and Engineering (Full Time) and M. Tech in Computer Science and Engineering (Part Time). In addition, the School has a research center to facilitate students to conduct cutting-edge research leading to quality PhD degree

Curriculum designed in collaboration with academic and industry experts

Some of the top recruiting organizations are MU SIGMA, Zenken Corporation, Yupiteru, Directi Solutions

LMS (Learning Management System) driven coaching

Student Development Programs on latest technologies

Industry-resilient

National-level hackathons

Visit to modern industries, tech parks

100 per cent placements in the last two academic years

Futuristic programmes in areas of Artificial Intelligence and Information Technology

To know more details

SPECIALIZATIONS

- B.Tech in Computer Science and Engineering
- B.Tech in Artificial Intelligence and Data Sciences

- M.Tech. in Computer Science and Engineering(Full Time)
- M.Tech. in Computer Science and Engineering(Part Time)
- Ph.D in Computer Science and Engineering

School of Electrical and Electronics Engineering

The School of Electrical and Electronics Engineering is established with a mission to mould students to become skilled, innovative and game-changing engineers who can work towards creating a better society. The School imparts core electrical engineering knowledge with application-based computer software skills.

Industry Oriented Curriculum

Project Based learning

Student-led projects

Industry Application-oriented teaching

Certified skill development courses

Exclusive clubs to foster skills

Digital-enabled teaching-learning

To know more details

SPECIALIZATIONS

- B.Tech in Electrical & Electronics Engineering
- B.Tech in Electrical & Computer Engineering
- M.Tech in Power & Energy Systems

PH.D PROGRAMS

The School offers PhD programs in the field of Power Electronics, Power and Energy Systems, Integration of Renewable Energy Systems into grid, Automation, Electric Vehicle, Energy Storage Systems, Energy Conservation, Power Quality, Smart grid, Artificial Intelligence in Power System, etc., through the state-of-art research facilities

School of Electronics and Communication Engineering

The School of Electronics and Communication Engineering is envisioned to be a leading centre of higher learning with academic excellence in the field of electronics and communication engineering blended by research and innovation in tune with changing technological and cultural challenges. To nurture the spirit of innovation and creativity among faculty and students. The School is working towards establishing Centers of Excellence in niche technology areas.

Industry sponsored labs

Funded projects from ISRO, NRB, VGST, VTU, ATAL Incubation, I-Tech

More than 50 patents and publications

Seven research labs in niche areas

Quality indexed research publications

Innovation of several products

Cent percent placements

Research based and project based learning

To know more details

SPECIALIZATIONS

- B. Tech. in Electronics and Communication Engineering
- B. Tech. in Electronics and Computer Engineering
- B. Tech. in Robotics and Automation
- M.Tech in VLSI and Embedded both (Full Time & Part Time)

The School's mission is to establish a unique learning environment to enable students to face the challenges in the field of Electronics and Communication Engineering and explore multidisciplinary subjects which serve the societal requirements

School of Mechanical Engineering

Mechanical Engineering is a core branch in the field of engineering and technology. Mechanical and Mechatronics Engineers are responsible for design, analysis, testing, automation and manufacture of a wide variety of mechanical components and systems. The role of a mechanical & mechatronics engineer is to take an idea to the prototype and marketplace. The School of Mechanical Engineering at REVA University has redesigned curriculum in line with INDUSTRY4.0 to reduce the gap between digital and physical world.

Expert teaching fraternity with industry experiences

Centre for Excellence in collaboration with Toyota-Kirloskar

More than Rs 2 crore grants from government agencies

Research centres in Advanced Materials and Design & Dynamics

Student Exchange program with RWTH University, Germany

Joint Collaboration Programs with Georgian University, CANADA

To know more details

SPECIALIZATIONS

- B.Tech in Mechanical Engineering
- B.Tech in Mechatronics Engineering

- M.Tech in Machine Design
- Doctoral Degree in Mechanical Engineering

School of Multidisciplinary Studies

REVA University has setup a dedicated school for Multidisciplinary Studies. The second batch of a 4-year B Tech program in Bioelectronics Engineering will start this academic year.

Bioelectronics is a discipline resulting from the convergence of biology and electronics and has the potential to significantly impact many areas important to the nation's economy and well-being, including healthcare and medicine, homeland security, forensics, and protecting the environment and the food supply.

50: 50 weightage for theory and practice work

Research and innovation culture

Design clinic for prototyping and product development

SPECIALIZATIONS

- B.Tech Bioelectronics Engineering
- M.Tech Digital Communication and Networking

Curriculum includes real life student led projects

Feedback from Subject Matter Experts on course content

Courses integrate latest experimental learning practices

To know more details

PLACEMENTS: Graduates of Bioelectronics engineering can become Clinical engineers, service engineers, application specialists, consultants, knowledge scientists, academicians, entrepreneurs, and product design engineers. Some of the companies hiring bioelectronics engineers are Medtronic, Johnson & Johnson, Royal Philips, GE Healthcare, Essilor Luxottica, Siemens Healthineers, Cardinal Health, Stryker, Medline Industries, Danaher, Abbott, Baxter, Boston Scientific, Henry Schein, Owens & Minor, Becton, Dickinson, B. Braun Melsungen, Zimmer, Alcon, 3M Co., Olympus and others

School of Architecture

School of Architecture, REVA University has been setting impeccable standards with its ingenious tutelage and dynamic curriculum ever since its inception in the year 2015. B.Arch is a five-year undergraduate program that focuses on facilitating candidates undergo training and theoretical knowledge on designing built spaces using appropriate techniques and principles.

Dynamic curriculum promoting innovations in pedagogy, course delivery, monitoring and evaluation

Pragmatic on-site learning through practical exposure

Strong backing from DivyaSree, one of the leading developers in the country

Competent full-time faculty from different geographies, International experiences/degree, specializing in allied fields

International collaboration with ETSAB, Barcelona, XJT Liverpool University, China, Liverpool John Moores University, and many others at University level

Inter-institutional collaboration and information exchange between the University

GHRDC ranking and super excellence award (7th national and 3rd in State level)

To know more details

SPECIALIZATIONS

- B.Arch
- Master of Architecture (Environmental Architecture)
- M.Plan (Smart City planning)

Placement training

Being a young school, our primary focus is to impart holistic education and groom seasoned professionals. Our placement training programs aim at orientation towards self-employment and entrepreneurship

School of Commerce

Commerce is one of the sought-after academic programme at Undergraduate, Postgraduate and Research level. The School of Commerce offers industry integrated programmes that reduce the gap between industry and academia. The Degree programme in Commerce provides scope to enter a wide range of business fields. This is reflected in various core subjects offered within the programme. The School also offers M.Com programme facilitating various specialisations combined with projects and internships. Further, the School has research programmes leading to Doctoral degrees and undertakes funded projects and consultancy activities.

Revitalizes Commerce Education

Removes the gap between industry and Academia

Re-designed Curriculum

Rigorous classroom and non-classroom learning

Real world exposures

Research Culture

Relevant in equipping for future

Reflect on quality and promotion of excellence

Resources offered creates a niche

Received learnings from various course is integrated in a holistic manner

To know more details

SPECIALIZATIONS

- B.Com- Industry Integrated
- B.Com - (Hons) Accounting & Taxation
- B.Com - (Hons) Banking & Finance

- B.Com - (Hons) Accounting & Statistics
- B.Com - (Hons) Economics & Finance
- M.Com

School of Management Studies

The School of Management Studies offers students with a unique opportunity to gain the competencies to start, develop and/or manage a small business venture; to engage in social entrepreneurship; to pursue a career that requires entrepreneurship or one that provides professional expertise to manage small enterprises.

Experienced and Qualified Staff

Dream destination for aspiring management graduates

Physical Infrastructure that supports Management Education

Academic Ambience that fosters future managers, leaders and Entrepreneurs

Caters to learners at UG, PG and Research scholars

Emphasis on Research

Enhances domain based skills

International Collaborations

Contemporary Curriculum

Array of Specialisations in emerging domains

Centre for Entrepreneurship and Family Enterprises

To know more details

- BBA - Industry Integrated
- BBA - Entrepreneurship
- BBA - (Hons) Talent Management
- BBA - (Hons) Marketing

- BBA - (Hons) Banking & Finance
- BBA - (Hons) Innovation & Entrepreneurship
- BBA - (Hons) Business Analytics
- BBA - (Hons) Strategy & Leadership
- BBA - (Hons) Health Care Management

REVA Business School

REVA Business School offers customized management programs in emerging domains with general management curriculum focused to groom efficient leaders. As a student of RBS, you will join a community of friends, faculty, and staff that propels lifelong learning and career support, who will coherently work towards your success.

Approved by UGC and AICTE

International collaborations

Flexi time and Flexi credit system

Courses in Emerging domains

Dedicated career week

Dual specializations

Internationally acclaimed faculty on board

Increased Employability opportunities

Separate unique entity for management programs

Promotes Leaders , Change makers and Entrepreneurs

To know more details

SPECIALIZATIONS

The REVA Business School through its excellent learning-based and experience-based curriculum will help students acquire leadership skills, general managerial skills, and administration management skills. The vision of the school is to set up a solid foundation for students that will have a lifelong impact on how they live and lead themselves, and others around

School of Computer Science and Applications

The School of Computer Science and Applications at REVA University was established with a mission to mentor and nurture Computer Science specialists who can solve global technological challenges.

The School has a strong blend of experienced faculty members who are well-qualified in various aspects of Computer Science, Mathematics and Applications of Information Technology like Big Data Analytics, Cloud Computing, and Wireless Networks, and state-of-the-art infrastructure.

Tie-ups with international universities

Interest-based self directed learning

Contemporary curriculum

Globally certified skill development programmes

Project-based learning

Emphasis on research and innovation

Smart classrooms and laboratories

Workshops, guest lectures and technical seminars by Eminent personalities

To know more details

SPECIALIZATIONS

- Bachelor of Computer Applications (BCA).
- B.Sc (Hons.) in Computer Science with specialization in Cloud Computing and Big Data

- B.Sc (Hons.) in Computer Science with specialization in Multimedia and Animation
- B.Sc in Computer Science with specialization in Cyber Security
- Master of Computer Applications (MCA)

School of Applied Sciences

The School of Applied Sciences offers Undergraduate and Postgraduate programmes that are incredibly fascinating and practice-oriented. These programmes are also conceived to conduct project-oriented studies and research. It mainly aims to attract talented youth and train them to acquire knowledge and skills that are useful to the industrial sector, research laboratories and educational institutions. The School presently offers B. Sc., M. Sc., Postgraduate Diploma and Research leading to Ph.D. in Physical, Chemical and Biological science disciplines

Center of Excellence Facility

Training for CSIR/GATE and other competitive exams

Industry collaboration and research collaboration with National and International organizations

Internship opportunities at research organization and industries

Industry-oriented PG programs

To know more details

SPECIALIZATIONS

- B.Sc. Biotechnology, Biochemistry & Genetics
- B.Sc. (Bioinformatics, Statistics and Computer Science)
- B.Sc. Microbiology, Chemistry & Genetics
- B.Sc. Mathematics, Statistics & Computer Science

- B.Sc. Physics, Chemistry & Mathematics
- B.Sc. Physics, Mathematics & Computer Science
- M.Sc. Bioinformatics
- M.Sc. Microbial Technology
- Diploma in Clinical Embryology and Assisted Reproductive Technology

- M.Sc. - Biotechnology
- M.Sc. - Biochemistry
- M.Sc. - Chemistry
- M.Sc. - Mathematics
- M.Sc. - Physics

School of Allied Health Sciences

The School of Allied Health Sciences provides hands-on-training to students along with sound foundation in science. REVA Health Centre realizing the need of academically trained Allied Health Care professionals provides the following courses B.Sc MLT (Medical Laboratory Technology), BSc Medical Radiology and Diagnostic Imaging, and B.Sc Nutrition and Dietetics in association with NABL hospitals and labs. At the Department, we train students with advanced and specialized techniques so that they can be part of this ever-growing industry and complement healthcare facilities.

Clinical Training in every semester

Collaborations with experts and reputed healthcare professionals

Significant contemporary course curriculum

In house Health centre and collaborations with Hospitals

Internship at the best Hospitals and NABL accredited Diagnostic centres

To know more details

SPECIALIZATIONS

- B.Sc. - Medical Laboratory Technology
- B.Sc.- Medical Radiology and Diagnostic Imaging
- B.Sc.- Nutrition and Dietetics
- Diploma in Medical Laboratory Technology

REVA University has initiated the School of Allied Health Sciences considering the upcoming "The National Commission" for Allied and Healthcare Professions Bill, 2020 passed in both houses of parliament by Government of India on 24 th March 2021. India will need over 5 million qualified health workers by 2030

School of Legal Studies

The School of Legal Studies was established in 2015 with the first batch in B.B.A., LL.B programs. The School started B.A., LL.B. in the subsequent academic years, and since then has increased the intake of students year after year.

In furthering our goal of imparting quality and wide-ranging legal education, the School has commenced Masters in Law (LL.M) program in 2018 with specialization in Corporate and Business Law while specialization in Criminal Law will commence this year.

The School conducts Moot Court Competitions, Debates (Parliamentary Debates, Youth Parliament, Panel Discussion, and Convention Debates) Legal Aid, and Paper presentations for holistic development of students.

Focus on research-oriented study

Nurturing analytical thinking and potent oratory skills

State-of-the-art infrastructure facilities (academic and non-academic)

Infrastructure facilities like Moot Court Hall, Smart Classes, Seminar

Industry experienced faculties with diverse academic background

To know more details

SPECIALIZATIONS

- Law relating to Mergers and Acquisitions
- Indirect Taxation
- Banking & Insurance Law
- International Criminal Law
- Maritime Law

- Media Law
- Investment & Competition Law
- Women & Law
- Corporate & Business Law
- Criminal Law

School of Arts, Humanities and Social Sciences

The School of Arts, Humanities and Social Sciences offers programs that prepare graduates who are aware of and can interact with contemporary thought and research in their respective specializations and utilize such in their professional lives. The graduates will also be equipped with foundation of subjects and variety of skills required to compete in the global job market. The School facilitates research leading to Ph.D in humanities disciplines.

The School of Arts, Humanities and Social Sciences has been listed under the "10 Most Admired Media & Mass Communication Institutes, 2019" by The Knowledge Review and 7th Rank among promising Mass Communication Institute in India by Silicon India in the year 2019

State-of-the-art infrastructure with modern labs like media centre, language labs and Psychology lab

Multiple facilities on campus like Campus Radio/ REVA Insight magazine/ REVA Suchi-Newsletter

Internship opportunities in more than 100 media houses, private firms, organizations

SPECIALIZATIONS

- Psychology - Clinical Psychology; Organizational Psychology; Health Psychology
- Media Studies - Broadcast and Print Media; Corporate Communication; Digital Media and Marketing; Event Management

Exposure to students through cultural fests, conferences, webinars and competitions that give global outlook

Unique softcore courses and skill development courses

REVA Academy for Corporate Excellence (RACE)

REVA Academy for Corporate Excellence offers bespoke corporate training programs in emerging technologies for working professionals. RACE programs are designed with a techno-functional focus with a distinctive pedagogy and teaching-learning process with 24/7 support, exclusively designed for fast rising executives to accelerate their mid-career transitions.

With 50+ industry leaders as mentors and trainers, the corporate training programs delivered by RACE raises the bar of program participants in up-skilling them to lead industry 4.0. The programs are practical, simulation based and interactive with a focus on real-time industry projects and research orientation. All the long-term programs are recognized by UGC and AICTE and are ranked amongst the best corporate programs in India.

University-Industry Interaction and Skill Development Centre

The University Industry Interaction Centre (UIIC) is one of the strategic centres committed to work as a catalyst for promoting collaboration amongst academicians, scientists and industrialists to achieve competitiveness in developing the technical manpower for socio economic development under the present scenario of global competition and challenges.

REVA Skills Development Academy. The Skills Development Academy is a progressively viable, self-sustaining institution, dedicated to the advancement of aptitude, skills and knowledge among students & faculty members. Innovation & Entrepreneurship Development Centre (IEDC) is functioning in the University with the intention of nurturing Innovation & Entrepreneurship skills among the students. IEDC is associated with EDII Ahmedabad. Students showcase their innovative ideas and participate in national and International events. Intellectual Property Rights Cell IPR Cell at REVA is working with a mission to create awareness and provide guidance to academic and non-academic staff, students, scholars and outside agencies on the practices and rules of the institute regarding intellectual property rights and obligations within the framework of the IPR policy of the University.

Modes of Engagements

- Training and Internship
- Research Projects
- Incubation Center
- Work on cutting-edge technology
- Open Innovation
- Knowledge Transfer
- Develop Skills appropriate for Job/Entrepreneurship
- Consultation Work
- Product Commercialization
- Start-ups
- Mentoring

Industry Collaborations

- VMware
- Intel
- SalesForce
- Dell-EMC
- Assocham India
- Oracle
- NEN
- AMZ Automotive (formerly called Elite Techno Groups)
- Product Commercialization
- Imperial Society of Innovative Engg Mentoring
- TCS
- IBhubs
- IBM, Dexterous Lab, ISRO, NAL, BHEL

Research and Innovation at REVA

Research in REVA University is a culture, and to promote this the University offers Ph.D. programs in various disciplines such as Engineering, Technology, Applied Sciences, Arts & Humanities, Commerce & Management, Performing Arts, Legal Studies and Architecture. The University provides seed funds to establish research centers and carry out research. All Schools engage in cutting edge research and have undertaken funded projects. Dedicated and qualified faculty members guide candidates to pursue research. Strict regulations complying with UGC are in place to ensure quality. The IPR (Intellectual Property Right) Cell, Incubation Centre, research circles mentored by senior members and supportive management make REVA a conducive place for research. The University conducts its flagship event "REVA Research Conclave" attracting best minds across the world engaging in enriching exchange of research outcomes for the benefit of faculty members and scholars. Incubation Centre, research circles mentored by senior members and supportive management make REVA a conducive place for research.

RAY Foundation- REVA NEST

RAY (REVA Aspiring Youth) Foundation also known as REVA NEST, aims to build the entrepreneurial eco system by empowering and nurturing student start-ups and incubating innovative technology based start-ups at REVA University campus.

The University faculty members and industry mentors associated with REVA NEST advice incubate companies on Technology Product Development, Patenting, Commercialization, Marketing, Business Set up and Operations, and Human Resource Sourcing and Development.

REVA NEST is recognized by MSME, supported by Government of Karnataka (KCTU), Department of Science and Technology. REVA NEST has access to the University's State-of-the-Art Centre of Excellence in the sector of Electronics and Communication, Design & Manufacturing, Construction and Bio-technology. It supports entrepreneurship by translating innovative technology ideas into successful ventures offering products, processes and services that greatly benefit the society at large.

Alumni

REVA has an active Alumni and as a graduate of REVA you will be a part of our global alumni community. We will be delighted to have you as part of our strong network of REVA students. The Alumni network of REVA supports in career growth, stay connected with old friends and with access to a wide network of fellow alumni and a range of exciting events apart from access to campus amenities as desired.

- 35000+ Alumni Network
- 15000 + Students Mix on Campus
- 4000 + Students Reside on Campus
- 800 + Highly Qualified Faculty Members
- 250 + Recruiting Partners

International Collaborations

REVA University offers a plethora of dynamic and engaging academic linkages with various international Universities across the globe. Our aim is to promote and develop integration of professional and academic education with top Universities that we partner with. The objective of the International Centre at REVA is to provide the best programs in collaboration with top-league International Universities so as to ensure students get the right cultural environment and learning at these Universities. The goal is to make knowledge accessible to students while pursuing their Under Graduate or Post Graduate Programs at REVA from a transnational community of academia under the expertise of international faculty and industry personnel. REVA invites students from all around the globe and also invites students at REVA to enroll in the various opportunities provided to study abroad.

Our Global Academic Partners:

Columbia University
University of California, Berkeley
University of California, Riverside
Coventry University, UK
Ulster University, UK
St. George's University, USA
IQS School of Management –
Universitat Ramon LLull, Barcelona
ETSAB, Barcelona
University of Salford, Manchester

RWTH Aachen University, Germany
Lakehead University, Canada
Georgian College of Applied Arts
and Technology, Canada
Arkansas State University, USA
The University of Alabama, USA
Curtin University, Australia
University of Central Oklahoma, USA
Oklahoma State University, USA
Missouri University of Science and
Technology, USA
Liverpool John Moores University, UK

REVA University has an all-inclusive placement training program that engages students with pre-placement training early on. Commencing in the first semester, the program progresses along with mainstream studies. This facilitates learning for 'industry readiness' provided by the University's Training and Placement Centre. The Centre has an exclusive in-house Soft skills, aptitude and technical training program for students, imparted by experts in the field. This course at REVA helps students develop competencies and capabilities. The course involves developing interpersonal, communication, team building and leadership skills, logical reasoning for greater productivity and performance and above all 'employability'. The Soft Skills training sessions covers everything that will enable a student to stand out in a crowd of career builders. It is designed to help acquire skills that are core to success in the corporate world, to gain personal insight and practical skills to develop and implement a mental framework for a good and professional approach to their career.

and many more...

24 Hour Security (Digital/
Personnel)

Academic Excellence An Inspiring
Experience

Contemporary Curriculum
Choice Based Credit System (CBCS) &
Continuous
Assessment and Grading Pattern (CAGP)
Education Scholarship for deserving students
Highly Accomplished Faculty Members
Levitating Research Culture

LIBRARY AND
INFORMATION CENTRE

Browse through lakhs of
books, e-books, research
publications, educational
journals and magazines

OPEN AIR THEATRE

Always bring a variety of Cultural
programmes by different groups
of students

STUDENT CLUBS

Literary Club, Science Clubs,
Sports Club, Robotics Centre,
Eco Club, Quiz Club, Dance
and Drama Club

NCC, NSS & VOLUNTARY WORK

Regular social activities like
medical camps, blood donation
camps in rural areas held to
work towards the overall benefit
of the society

HOSTELS

4,000-bed capacity hostel
that's well-ventilated,
hygiene and serves fresh
cooked meals

ONLINE LEARNING/
DIGITAL CLASSROOMS

Well-equipped classrooms
with modern gadgets like
projectors, tabs

GREEN CAMPUS WITH
OPEN AIR AMPHITHEATRE

A lush green area that
allows students to study,
socialize and enjoy nature

GUEST HOUSE

Residential facility for the
benefit of parents and visitors
travelling from outstations

FOOD COURT

International food chains
have stalls at the Food Court
that serve Pan Asian, Asian,
North Indian, South Indian,
among many other cuisines

BRAND STORE

Variety of international brand
merchandise, apparels, gift
articles, and a wide range of
stationery available on the
campus

AUDITORIUM
AND SEMINAR HALLS

Large auditorium with
1000-seater capacity, along
with adequate number of
seminar halls to facilitate
co-curricular activities

TRANSPORTATION

Routes through
all parts of Bengaluru city

SPORTS

Special focus on Sports. More
than 9 teams representing
REVA University at state,
national and international
tournaments

GAZEBOS

An open area for students
of certain courses to learn,
practice and excel amid
open classrooms

FORMING A COMMUNITY

THE REVA WAY OF LIFE

Library and Information Centre

The Central Library is located in the heart of the campus and is housed in an independent building with a carpet area of 3,316 Sq.mtrs. The air conditioned library has 800 seating capacity. It possesses huge collection of books & journals, both in print and e-form. The library is kept open from 8:00 am to 12 Midnight and it provides a mix of learning environments to meet different student needs. The library has gone digital with various options to make access and reading convenient. Online access to a vast range of information, including 13000+ IEEE e-journals, conference proceedings, standards and case studies. Apart from this 16000+ e-journals, magazines and case studies through ASCE, ASME, EBSCO and Emerald are also subscribed. For non-engineering West Law India- Legal studies Database, K-Hub are also available to access. We give the access to 1, 73,000+ of e-books are available through Pearson, EBSCO, McGraw Hill and K-Hub to all our students, researchers and faculty members. Not just that through NPTEL (Local Guru) Media Streaming System all users can access all these electronic resources through remote access. The University has also incorporated RFID (Radio Frequency Identification Devices), for better security and safety in campus.

ICT Based Lecture Halls

University staff are continuously developing innovative ways of using technology to support teaching and learning through our virtual learning environment, including e-portfolios, podcasts, streaming media and online discussion groups and quizzes. In our physical classrooms and laboratories, a number of smart classrooms offer enhanced technology, such as interactive whiteboards and classroom response systems to improve the overall learning experience of students and staff.

REVA has well planned systematically furnished classrooms with digital facilities and learning. The classrooms are designed to facilitate the students with congenial atmosphere to study. The laboratories are well equipped with modern gadgets and necessary equipment's for practicing purpose. REVA also uses Learning Management System (LMS) to facilitate efficient learning.

Auditoriums and Seminar Halls

REVA believes that the students apart from their in-depth subject knowledge, need to upkeep themselves with a variety of skills coupled with team spirit and leadership qualities. Therefore, it promotes varied kinds of activities apart from class room lectures and lab practice. REVA has adequate number of auditoriums and seminar halls to facilitate such curricular and co-curricular activities.

Gazebo learning

REVA University offers a unique learning environment which gives the students the best of the modern pedagogy coupled with the traditional pedagogy. The Gazebos at the campus are used generously by Schools to ensure there is open space learning apart from the teacher-learner compatibility in outdoor learning. The gazebos that have been set up with great thought and focus for students at the University campus blends outdoor learning, aligned with the gurukul system of learning of our ancient past apart from offering an experiential learning experience. This enables the learner to be ahead of others in this competitive world. The gazebos are extensively used for one to one learning, teacher interface in a positive learning environment by selective faculty for selective courses. Schools of Performing Arts, Humanities, Architecture to list a few are the major benefactors of the gazebo learning space. The perfect landscape and softscape lends the right ambience for learning outdoors for the students.

Gym

The on campus gymnasium is equipped with the most modern fitness equipment and state of the art ambience for health lovers at the campus. The gym has all the high tech support for all students for their regular workouts and enhances their fitness level.

Health care centre

The health care centre at REVA University is headed by a full time Resident Doctor and supported by paramedical staff who are in the campus. The centre takes care of medical needs of all students, faculty members and other staff. This facility is available 24x7 with a Resident Doctor to attend to medical emergencies. The University also has a tie up with nearby Hospitals. The Health Insurance Facility for the students is also in place.

Media Centre

To facilitate a rich learning experience that includes hands on simulated education, REVA has its own Media Centre with an in-built recording studio and live broadcasting podium.

Counselling Centre

REVA has a Counselling Centre with trained and experienced Counsellors to attend student grievances and support. The Counselling Centre was built to answer students' special learning counselling needs and provide them with an unbiased environment.

Studios

REVA has many studios and galleries to showcase students' interaction with study material and enhance their skills and interests. REVA Beats is an exclusive music room, to hone students' diverse talent in music, with a mix of contemporary and classical set up, and a sound proof venue. The Architecture Studio-Gallery situated in the School of Architecture has students' works, exhibiting their contact with different elements and the resulting artwork. Apart from this there are Laboratories in each school, like science, technology and language.

Green Park

In the heart of the campus is the Green Park with variety of trees and bushes, and lush green lawn that attracts any nature lover. Amidst the beauty of nature, one can quietly refer books, meet friends, discuss in groups or simply relax. The Green Park keeps the campus cool and fills it with fresh and clean air.

Open Air Theater

Built at the Green Park, the open air theater holds a variety of cultural programs by different groups of students representing different states/ countries making the evenings more colorful and fascinating.

University Brand Store

Another pride of REVA University campus is its Brand Store located opposite the playground and next to hostels. It contains a variety of REVA branded articles, apparels, University hoodies, gift articles, and a wide range of stationeries. It would be a privilege for all the students, staff, alumni and the visitors to possess and use these REVA branded items. There is also bound to be something in the store that will make a fitting gift for proud friends, parents and others.

Student Housing

REVA Student Housing is a home away from home. REVA has Housing for boys and girls on the campus providing accommodation facility. The Housing blocks are aesthetically built and are situated amidst lush greenery. The University also has a Guest house to facilitate parents and guests to stay when they come to visit their wards.

Food Court

The huge Food Court with comfortable sitting facility is located along with the brand store. The Food Court offers a variety of brands to cater to every one's needs from Café Coffee Day, mouthwatering chats, to North Indian, South Indian, Chinese Dishes, Ice Cream, Juices and beverages.

Transportation

REVA operates a fleet of buses to and from all parts of Bengaluru city for the benefit of students, staff and faculty members. Public transport facility run by the Bengaluru Metropolitan Transport Corporation (BMTCC) is also available near the Campus.

Annual Programs

Every year, each School in the campus presents Kaladarshan, a series of cultural performances that are presented with a thematic thread that speaks of the School's ethos. This event is a platform for students to work closely with faculty members and display their latent talents. Another important Annual tradition is REVAMP- a cultural Fest organized every year that provides great opportunity for all students to exhibit their skills, talent and hobbies.

ERP

Enterprise Resource Planning (ERP) System is a customized software accessible to REVA students and parents, enabling student-centric services, teaching and learning in the classroom or online, automated admissions and feedback, faculty management and record organization system.

Student Clubs

The University has a variety of clubs to engage and transform students with diverse skill sets. The clubs include: Literary Club, Science Clubs, Sports Club, Robotics, Eco Club, Quiz Club, Dance and Drama Club and a host of other clubs. Students are encouraged to participate in co-curricular activities, such as literary, cultural and sports activities, intercollegiate, inter-University competitions. REVA has its in-house fortnightly magazine, REVA Insight, which has a detailed panorama of news, activities, special features and insights into the University's life and educational landscape.

AN ATTEMPT AT GIVING BACK

Building a Humane Planet

National Cadet Corps (NCC)

NCC provides a suitable environment to motivate the youth to take up a career in the armed forces, to develop character, comradeship, discipline and secular outlook, spirit of adventure, and ideals of selfless service amongst the youth of the country. To consolidate this ethos further, NCC at REVA undertakes many social and awareness centric activities and initiatives. REVA University NCC wing has been awarded for their distinguished Service. NCC functions under the Defence Ministry of India at the national level and under the Education Ministry in State.

National Service Scheme (NSS)

NSS is involved in concerns and activities related to youth and the volunteers organize and participate in awareness camps, blood donation camps and health related initiatives. REVA University NSS Unit endeavors to spread the word of safety and positivity.

Social Outreach

Students and faculty are actively involved in social work, such as organizing medical camps, blood donation camps, camps in rural areas where they take part in rural construction programs like construction/repair of roads, water tanks and sanitation rooms, creating awareness among masses about health, hygiene, and other important social issues. REVA also associates closely with Rotary Club in carrying out various activities.

UBA

UnnatBharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India for identifying development challenges and evolving appropriate solutions for accelerating sustainable growth.

Clubs at REVA

Coursera

Coursera for Campus has been initiated and implemented by REVA University for the academic year 2020-2021. In its first phase and keeping COVID conditions in mind, more than 5000 free licenses were given to students and focus was on skill development courses and courses that would add value to the outgoing student profile. With Coursera in Campus, the objective is to enable our University to offer high quality, job-relevant, online learning to students and faculty. REVA being one of the youngest Multi-Disciplinary Universities in India, the vision is to ensure learners are benefitted from these courses.

Tab Based Examination

REVA follows Digital Paperless Examinations. All students take up their final and internal assessments on specially designed tablets which consist of customised software and purpose-built hardware. This ecosystem eliminates paper entirely – No paper for Questions and No paper for answer scripts! It also includes a specially developed secure software system and services in the cloud, making it an end-to-end solution for students, faculty and administrators.

Centres of Excellence

The university is striving to mobilize funding from various funding agencies, industries and such others to excel and thrive in accomplishing quality research and make its mark in the research map of the country. Efforts are consistently on to explore funding from VGST, DST, CSIR, DBT, UGC, DRDO, ICSSR, UNESCO, UNIDO, IDBI etc. The faculty members also explore funded projects from ISRO, NAL, BEL, HAL, Microsoft and such other organizations, institutions and industries.

Admissions

Admission to any Under Graduate, Post Graduate, Post Graduate Diploma and Ph D program of REVA University is strictly based on merit. REVA University conducts REVA Common Entrance Test for admissions in Engineering, 5 years Integrated Law, Management Programs and Doctoral Programs.

However, for some of the programs such as B Tech, M Tech & MBA, the candidates ranked in the CET, PG CET, COMED-K, GATE, CAT, MAT & other Entrance Examinations conducted by the Govt. of Karnataka or other recognized agencies are also considered. The eligibility criteria for each of the programs are also available in the University website: www.reva.edu.in. Prospective students seeking admission for B.Arch Program should have NATA eligibility.

How to apply

- Applications are available online at reva.edu.in
- The Application Form and Prospectus for all programs are also available at the Admission Office, REVA University.
- Online application form URL/Web Login: <https://admissions.reva.edu.in/>

Scholarships and Awards

Every year REVA University awards several scholarships, prizes and medals to encourage and support meritorious and talented students, deserving financially weaker students and achievers in academics and co-curricular activities as per the norms of the University. Students are aptly recognized with awards and scholarships for merit in qualifying board exams, social service bravery and sports. There are special scholarships for differently abled students.

Voice of Parents

Shrikant Hegade

My daughter got to know about REVA University through an email. My daughter wanted to study law and she got all the facilities and good faculties to guide her well. I am satisfied with the overall offerings of REVA University.

Rajnish Kamal

The University is good in terms of studies and overall ambience. The environment is blooming and vibrant. REVA has delivered what its people had promised. It is a very good University for education and overall development.

Voice of Students

Sumanth Hegade
BA-JEP. First year

My admission in REVA University has been a good decision taken by me and my parents. REVA University provides all the facilities to the students. Faculty are well qualified and prepare a student to face the real industrial world.

Komal
B.Tech in Computer Science
Engineering Final year

I did my Engineering from REVA University. Faculties are well learned and equipped with latest technology. If we have any doubt or problem, we can straight go to the faculty and our problem will be solved. Thank you REVA.

Sports at REVA

“In Sports, skill is the art of turning limitations into virtues.”

The Department of Physical Education and Sports at REVA University is developed based on the policies and guidelines recommended by the Association of Indian Universities (A.I.U) and other sports agencies. The guidelines help in organising sports activities smoothly and effective functioning of the department. The University offers well-planned outdoor and indoor sports facilities including multi-gym, cricket stadium, and football ground, among others.

State-of-the-art Sports Facilities

The University has state-of-the-art facilities for both indoor and outdoor sports activities. The indoor sports facilities include: Table Tennis Boards, Badminton Courts, Carrom Boards, Chess Boards with Clock, Multi Gym. The Outdoor Sports facilities are: Football Ground, Ball Badminton Court, Cricket Nets, Tennis Court, 400M Athletic Track, Volleyball Court, Basketball Court, Kabaddi Court, Cricket Ground, Hockey Ground, Handball Court, and Throw ball Court.

Events

REVA University hosts several events and tournaments including International day of Yoga Celebration, Inter-school Faculty Sports and Games Competitions, Annual Sports Meet. REVA students actively participate in Inter University/ Inter Collegiate Tournaments, Inter Corporate Cricket Tournament, Inter Collegiate / Inter University Tournament conducted by various universities across India.

Scholarships for Achievers

REVA University offers scholarships and sports quota admissions to students who have represented the state, national and international tournaments.

CSR initiative 'Abhivriddhi'

REVA University has partnered with the Government of Karnataka to develop, and impart quality education at lower and higher primary government schools, through its CSR initiative 'Abhivriddhi'. As part of this initiative, REVA has adopted 10 government schools located around Bengaluru North (Yelahanka and Devanahalli constituencies) in the fringes of the city.

The pilot of 'Abhivriddhi' was launched in August 2020 and the core committee members of Abhivriddhi have conducted several in-depth surveys over the last five months to ascertain the requirements, challenges, and other details of the adopted schools.

'Abhivriddhi' is launched with a mission to aid quality education at government schools and aims to overhaul the learning experience at these schools. Currently, around 1000 students are learning in these schools, but due to the closure of schools as a Covid-19 protocol, have remained home during the pandemic.

Our Vision
To transform this chain of government schools as 'Model Schools'

Our Mission
Improve the overall quality of education at these schools by providing requisite upgrades to the infrastructure of the schools

Impart quality training for students and teachers, and ensure certain services are available for the benefit of students from time-to-time

Provide training sessions to teachers in both personality development and pedagogy

Introduce co-curricular activities along with academic inputs in an endeavour to improve the quality of academics, attendance of students, parental satisfaction, and ensure tangible improvement in the academic scores of the students

Extend IT support by providing computers, projectors, and laptops

To improve the overall enrollment ratio year-on-year.

To increase student retention

To provide holistic education by imparting technology-based education, ethical and moral values

To work in line with NEP 2020 Education Policy

Way Forward

REVA University has categorized its developmental activities into three categories – Akshara, Ashraya, and Adarsha - 3A MANTRA – aimed to upgrade the quality of education, civil infrastructure, and the overall education quality and disciple of a student. The CSR initiative will be taken up under different phases, spanned over the next few years.

About REVA Alumni

REVA University has a strong alumni network which consists of more than 35000 alumni which is a part of our global alumni community. REVA University encourages the alumni to stay connected through various activities, technical talks, opportunity to establish their ventures etc and provides overall support and benefits for life. That may be through providing alumni with career support, helping them to reconnect with old friends, access to a wide network of fellow alumni and a range of exciting events.
