A REPORT ON BLOOD DONATION CAMP ORGANIZED BY THE SCHOOL OF ELECTRICAL & ELECTRONICS ENGINEERING

On 15th of October 2018, the School of Electrical and Electronics Engineering had organized a blood donation camp in association with UIIC, REVA University, BMST and Rotary Bangalore.

The blood donation experienced a flood of donors and it is a matter of pride to bring to your notice that 356 persons successfully donated blood; including students, teaching staff, laboratory technicians, watchmen and housekeeping staff. The camp functioned efficiently without any flaws and we are happy to report that none of the donors experienced any sort of side – effects after donating blood.

The doctors and all the other staff members from BMST and Rotary Bangalore acknowledged the facilities provided by the University which helped them to smoothly conduct the camp.

BMST and Rotary Bangalore handed over a certificate of appreciation to the School of Electrical and Electronics Engineering. As a token of appreciation, on behalf of REVA University and UIIC, the Director of the School of EEE - Dr. Rajashekhar P Mandi and Dean R&I – Dr. B P Divakar handed over a memento to BMST and Rotary Bangalore for accepting our invitation to conduct the blood donation camp.

The Director of the School of EEE - Dr. Rajashekhar P Mandi, Dean R&I – Dr. B P Divakar and Head, UIIC – Dr. Kiran Kumari Patil appreciated the efforts of SDC co – coordinators – Prof. Ashwini Kumari P and Prof. Bhushith M K and all the student coordinators for having organized and conducting the camp flawlessly.
