School of Electrical and Electronics Engineering

EXPERT LECTURE REPORT

Date: 13th NOVEMBER 2018
Time: 03:00 PM to 04:30 PM
Venue: KALPANA CHAWLA SEMINAR Hall, C V Raman Block.
Topic: Operation and Control of Microgrid

Description:
The School of EEE had organized expert lecture on “Operation and Control of Microgrid” on 13th November, 2018 between 03:00 PM to 04:30 PM in KALPANA CHAWLA SEMINAR Hall for B.Tech 7th Semester students.
The Expert Lecture was delivered by Dr. Dattatraya N Gaonkar, Associate Professor, Department of Electrical and Electronics Engineering, NITK - Surathkal

The lecture was focused on the following key points:

1. Introduction to Microgrid
2. Operation and Control
3. Issues and Challenges

Following are the outcomes achieved:

1. Students will be able to understand the concept and Importance of Microgrid.
2. Explain the operation and control of Microgrid.
3. Understand the issues and challenges in Microgrid operation.
