Circular

Registrar(Evaluation) Office

As per recommendation of Internal Quality Assurance Cell (IQAC) the learning level of students studying in various years need to be classified. The students are to be classified as:

- Slow learners
- Advanced learners

All the School Directors are advised to submit the data related to the above classification for the year 2017-2018 (Odd Sem) to The Registrar(Evaluation).

Continuous monitoring of academic performance and special educational need of the student are to be identified and special classes to be arranged.

Action Taking Report

Date: 18.08.2017

A meeting at the School was held to discuss the provisions to be made for slow and advanced learners and to formulate the adapted teaching methodology.

Action Taken for Slow Learners:

1. Extra Classes:

List of Courses to be offered:

- i. MS17BC101 - Organic, Biophysical, Biochemical and Environmental Toxicology
- ii. MS17BC102 - General Physiology
- iii. MS17BC103 - Bioenergetics and Intermediary Metabolism-I
- iv. MS17BC104 - Analytical techniques

Note: The classes will be offered to the slow learning Students, during non-teaching working days. If there is any change in the working status of any Saturdays, the schedule will not be applicable.

2. Teaching Methodology: The lectures were supported with advanced visual modes of teaching and learning (animations, adaptive learning methodology) in order to boost the learning capabilities of these students. Extra initiatives were taken up to regulate their performance metrics through regular assignment and quiz sessions.

Action Taken for Advanced Learners:

The students who have attained advanced learner level were motivated to learn the advanced courses, in order to enrich their skills.

Course Details: NPTEL MOOC courses
