

Assessment of Students and Examination Regulations (Extract of Assessment of Students and Examination Regulations)

13. Tabulation of Results

Marks scored by the students in their IA as well as in SEE in all the courses of a given semester must be tabulated into the software installed for the purpose by the University. The same must be done for all the semesters of UG and PG within the Specified date by the CoE.

14 Program Assessment Committee (PAC) and Analysis of Results

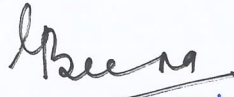

There shall also be a Program Assessment Committee (PAC) comprising at-least 3 faculty members having subject expertise and 1 BOE member who shall after completion of examination process and tabulation of results review the results sheets, assess the performance level of the students, measure the attainment of course outcomes, program outcomes and assess whether the program educational objectives are achieved and report to the Director of the School.

The Program Assessment Committee (PAC) shall also review the question papers of both Internal Tests as well Semester End Examinations and submit reports to the Director of the respective School about the scope of the curriculum covered and quality of the questions.

Analysis of Results:

Program Assessment Committee (PAC) of each school of the University must prepare an analysis of the results. The analysis includes how well students have performed in each course of a given semester and all the courses of the entire semester. The committee also needs to find out the reasons for students non-performance and suggest remedies and corrections that are required to be done for enhancing the performance of students in future. The office of the COE could provide the tabulated results data in the form of bar graphs to PAC for easy interpretation and to draw conclusions. In addition, it is their responsibility to report whether the question paper standard was right, and the question
