Policy on Ethical practices

REVA UNIVERSITY considers the following practices as unethical and views them seriously

- **Plagiarizing someone's results or contents of articles without duly**
- **acknowledging the source**
- **Duplicating results and claiming them as original contributions and**
- **Submitting the same research article to different journals**
- **Giving authorship to someone who has not made any contribution, in return for a favor**
- **Using the results, confidential data from an article that is being reviewed for personal benefits**
- **Being biased as a reviewer/Guide**
- **Not presenting the actual outcomes of the funded project/research investigation**
- **Expecting favors/gifts from research scholars in return for undeserved recommendations**
- **Not giving due credits to people who have contributed to the project/research articles**
- **Making derogatory comments and personal attacks against scholars and Not providing constructive feedbacks on scholar's work during progress review meetings**
- **Exposing scholars/students to hazardous conditions.**
- **In order to limit the similarity contents in research articles and theses, the following regulations shall apply:**
- **All the faculty members and students are encouraged to check the plagiarism of their research paper and research proposal before submitting to any journal/conference/funding agency. Permission is granted only if the similarity index is 10% or below.**
- **All the seed money proposals shall be subjected to plagiarism using the licensed software turnitin**
