Agenda:

1. RRC -2018

Dean welcomed all the members and requested vice chancellor to give introductory remarks. Vice Chancellor, welcomed the members and emphasized on quality research.

Dean informed the members that the University is organizing a first REVA Research Conclave (RRC) in association with Education Promotion for India (EPSI) on 1st -2nd March 2018. The theme of RRC is "**Digitization: Challenges and Opportunities for Society and Economy**". The objectives of RRC are to provide a platform for great thinkers from science, industry, academia and society to share their views on a wide range of topics across the streams and also to provide a platform for researchers to showcase their research outcomes before expert panelists and seek future directions. As part of RRC, a panel discussion is also on 1st March 2018 by the esteemed handpicked panel members under various domains to deliberate on the theme of the conclave. He continued and said that It is decided to make it mandatory for all the scholars to register and attend the conclave. All the scholars shall submit an abstract and objectives of their work and make a presentation before the experts. Since it is an event meant for scholars, you are requested to advertise the event among your friends of other universities. A grand cultural evening followed by dinner is arranged to make your presence memorable. Out station scholars must send their requests for hostel accommodation well in advance.

Dean requested the members to suggest suitable panelists for the research conclave. He answered to the query raised by a member concerning the involvement of experts from industries saying that, the main agenda of the conclave is to seek inputs from experts from industries on topics being undertaken by scholars. Members were satisfied with the preparation and wished all the best for the team.

Seed Money: Dean informed the members that the committee constituted to screen the seed money request submitted by Dr Veena recommended sanctioning of the seed money of Rs 10 L towards sewage cleaning Robo. The members appreciated the initiative

There being no other points for discussion, the meeting ended with vote of thanks by Dean R&I
