## Girl-child abuse awareness program at School of Management Studies

**School: Management Studies**

**Venue: Swami Vivekananda Block**

**Date: 12<sup>th</sup> December 2017**

**Year: 2017**

Girl -Child abuse is when a ADULT or caregiver, whether through action or failing to act, causes injury, death, emotional harm or risk of serious harm to a child. There are many forms of girl - child maltreatment, including neglect, physical abuse, sexual abuse, exploitation and emotional abuse. It's a problem which is widespread so we at REVA university, school of Management, took a step to create awareness on this issue. We need to first increase awareness of the issue itself to work on it. We, being the coordinated effort of our event for awareness on girl child abuse on 12<sup>th</sup> December 2017.

Our day started with giving away badges so that we spread an awareness telling about child abuse and the causes so we distributed the badges with teaches and our classmates. We took responsibility to spread awareness by going and meeting students and faculty members and also gave away badges.

School of ELECTRICAL AND ELECTRONICS ENGINEERING

Awareness program-2018

At School of EEE, 6th sem students have conducted awareness program on energy conservation and renewable energy system for the rural village people at the Shivakote village near Hesaragatta, rural Bangalore on 24-03-2018. About 110 students and 5 faculties have participated in the awareness program. During this program, the students have visited all the houses in the village to conduct door to door survey and collected the energy details from each house: The students explained about the energy conservation measures that can be adopted to reduce the electrical bill and also spread the awareness on use of solar energy for water heating, solar home lighting system, solar lantern, solar cookers, energy efficient smokeless. This would reduce wood consumption as well as smoke will reduce considerably, Gobar gas plant for cooking as well as for lighting, solar pumps through MNRE subsidy scheme, etc. Energy efficient LED bulbs were distributed to the poor people of the village to encourage the people to use energy efficient lighting fixtures.

## SWATCH BHARAT

**School: CIVIL ENGINEERING**

**Venue: KAIWARA**

**Date: 05<sup>th</sup> January 2018**

**Year: 2018**

**Description of the event:**

The School of Civil Engineering has conducted Swatch Bharat at KAIWARA during Extensive Survey Camp 2018. The program was headed by Avinash S Deshpande, School of Civil Engineering, REVA University.

### **OBJECTIVES:**

- To have an optimistic affect of cleanliness in our surroundings.
- To have a clean and hygienic environment.
- To build India as a clean and green place for better living.

Non-biodegradable waste and plastic waste was cleaned from the surroundings which made the village people recognize the importance of cleanliness. An active participation by the students and faculty members was found in this event.

Here the team took efforts to introduce the objectives of Swatch Bharat made by the nation. A good response by the village people towards the same was seen and they assured us about keeping their environment clean and green to remain healthy.

The outcome of the program was satisfactory as it created awareness among the village people.

Awareness Drive by DATRI Foundation on 16<sup>th</sup> Feb, 2018**

On 16<sup>th</sup> Feb 2018, donor drive awareness campaign for stem cell donation was organized by DATRI in association with Dept. of Biotechnology. DATRI is a Non Profit Organization founded in the year 2009 with a mission to save lives of those suffering from life threatening blood disorders like Blood Cancer, Thalassemia, Aplastic Anemia etc.

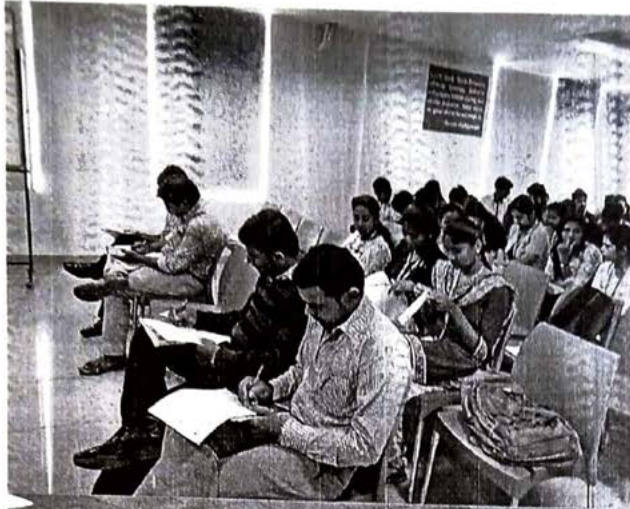

The moto of the drive was to spread the much needed awareness on Blood Cancer and other fatal blood disorders and to register potential volunteer stem cell donors who can donate their blood stem cells in the event of a match. DATRI is registered member with World Marrow Donor Association (WMDA) and follows WMDA guidelines and processes.

V.Srinivas, Donor Drive Coordinator, DATRI Blood Stem Cell Donors Registry was the resource person for the session. Post graduate students of School of Physical, Chemical and Biological Sciences along with the faculty members attended the drive. Session started with a welcome address and introduction of speaker to the esteemed gathering. A thorough presentation on need of stem cell donation was given in the session by V Srinivas.

Many faculty members and students registered as volunteers and gave their cheek swab sample so that in future a probable match is found, they can donate their stem cells. There was active participation of staff and students. It was a fruitful session as there was a social cause involved to save the lives of millions of people having blood related disorders.

**SOCIAL OUTREACH PROGRAM**

A visit to **Shristi Special Academy**, Chennanahalli, Magadi, Bangalore Rural.

As a way of paying back to the society, we the Department of Biotechnology, School of Physical, Chemical and Biological Sciences, REVA University, had organized an outreach program to the **Shristi special academy**, a non-profit organisation that strives for the self-reliance and acceptance of special individuals. The academy is a day-school which is run by a private trust which focuses on caring children suffering from Down syndrome, Autism, Attention Deficient Hyperactivity syndrome, Cerebral palsy and multiple disorders. There are almost 170 students, within the age group 9 months to 40 years in the academy.

We have asked for their specific requirements and they had expressed a need for ceiling fans. As a part of our service, we donated 6 ceiling fans for the institution, by the monetary contribution of students and teachers.

50 students of UG and PG Biotechnology and a faculty Prof. Ramya. M had visited the institution on 27<sup>th</sup> of March 2018. The students had an orientation by Mr. Raju, Coordinator, SSA, on the origin and working of the academy followed by visit to different classrooms where the activity of these special students are monitored. Our students interacted with the special students and were overwhelmed by their response. The students are being trained in minor self-employment activities such as tailoring, bag making and artificial jewellery making.

## REPORT ON COMMUNITY OUTREACH PROGRAM

School of Architecture, REVA UNIVERSITY conducted a **COMMUNITY OUTREACH PROGRAM** at **GOVERNMENT PRIMARY SCHOOL, PALANAHALLI, YELAHANKA** on Saturday **16<sup>th</sup> September 2017**. The program was carried out with the help of 21 students from first semester accompanied by two Faculty members Ar. Vidya Srikanth and Ar.Kokila Mohan from the school. The intention of this session was to have healthy exchange of knowledge and skills with the bright young minds which was carried out in 3 sessions as part of understanding the upcoming Dasara festival in the form of act, origami and coloring.

### Activities Executed:

1. **Introduction with Ice breaking session and Basic origami workshop:** It was an virtual boundary drawn between the two strangers which was broken by carrying out an introduction and ice breaking sessions between the school children and RUSOA students and moved forward with origami. The art of paper folding "origami" has many benefits like developing eye-hand co-ordination, sequencing skills, attention skills, patience, temporal spatial skills, math reasoning etc. Our Student volunteers engaged the school children with some basic Origami based activities creating craftwork that can be used to brighten up their learning spaces

2. **Storytelling session and enacting:** Stories are effective educational tools of learning. Storytelling can be seen as a foundation for learning and teaching. Storytelling is used as a tool to teach

children the importance of respect through the practice of listening. It is also used to teach children to have respect for all life, value interconnectedness and always work to overcome adversity. Our student volunteers conducted one hour storytelling and drama session for the school children.

3. **Painting/ Coloring:** To restore and remember the story about the Dasara festival the school children trained with some basic coloring techniques.

The entire two plus hours of the program was veryengaging in terms of sharing the knowledge to the primary school children of standard 1st, 2nd ad 3rd. We look forward for few more important sessions to be conducted by School of Architecture, REVA University. Our sincere thanks to the Palanahalli, Government School Principal Ms. Dakshayini Madam and all the class teachers for their cooperation, Special thanks to Ms. Andal vardharajan for intiating the program between school and RUSOA.

Thank You All
