Extension activities in the neighborhood  
community in terms of impact and  
sensitizing students to social issues and  
holistic development during  
2018 - 2019

Rukmini Knowledge Park,  
Kattigenahalli, Yelahanka, Bengaluru - 560 064

[www.reva.edu.in](http://www.reva.edu.in)

REVA has been working with the goal of evolving as a social Impact University and accordingly an array of activities are being conducted by all the Schools under different Faculties as part of the University Social Responsibility. REVA believes in the fact that the youth ought to be sensitized to social issues right from their early years and hence programmes which have a national goal such as Swacch Bharat, Bethi Bachao, Bethi Padao and University initiated programmes such as Abhivridhi and Jagruti apart from Education of Wheels and other programmes are given importance to. Appended are images of the various extension activities conducted in the neighbourhood community

## Street Play based on Women's Empowerment at School of Management Studies

**School: Management Studies**

**Venue: Entrance of Swami Vivekananda Block**

**Date: 11<sup>th</sup> April 2018**

Students of MBA, orchestrated a Nukkad Natak (Street Play) based on Women's Empowerment called 'Nari Shakti', on 11th April 2018, Wednesday at 12:45 P.M. at the Entrance of the Swami Vivekananda Block. The entire play was scripted, staged and enacted by the 20 students. The live audience of nearly 200 enjoyed and appreciated the act.

The earliest form of theatre was the street plays. From being a combined form of narrating a story with the help of acting, dancing and reciting, it has branched out from expansive and costly stage theatres to bare minimum street play. Street theatre involves presentation in outdoor, public spaces without a specific and paying audience but a fairly large group.

Nukkad Natak (Street Play) is one of the most powerful tools of social communication, with a participatory approach, which helps to effectively communicate messages towards a social cause.

The outcome of this ensured that the mandatory skills of Team Building, Scripting, Event Management, etc. were inculcated in the students through this activity.

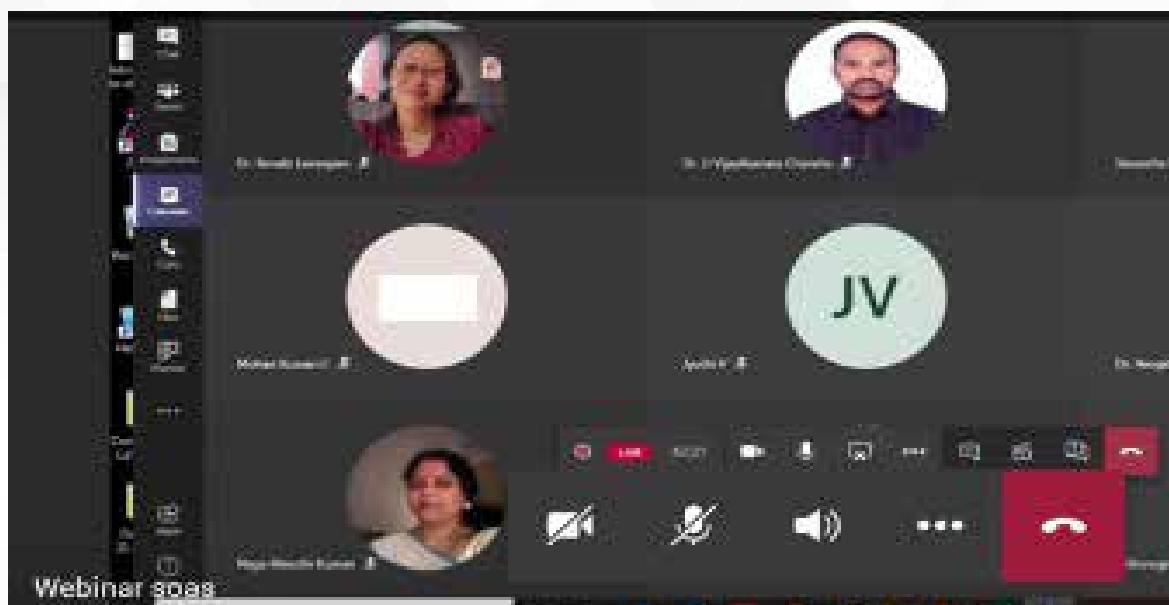

### Multidisciplinary talk on Breast cancer Analysis of Mammography data

The Department of Mathematics, School of Applied Sciences organised a Multidisciplinary talk on Breast cancer Analysis of Mammography data on November 9, 2020 from 02:00 pm to 03:00 pm, through MS Teams Live event platform. The session was open for the faculties, research scholars and students from Science and Engineering streams. The resource person for the webinar was Dr. Benaki Laironjam, Assistant Professor, Department of Mathematics, REVA University.

The webinar highlighted on Neural network, Associative Classifier, Creating the model, Experiment, Experimental result. Breast Cancer is one of the most leading causes of cancer death among women. During the talk, they discussed about Preventive Measures. Detection in the early stage using screening test, Scorching Test – Mammogram, MRI, Self-examination. It was followed by a QnA session.

### Awareness Drive by DATRI Foundation

DATRI and the Department of Biotechnology organised a donor drive awareness campaign for stem cell donation on April 2, 2019. DATRI is a nonprofit organisation that was established in 2009 with the goal of saving the lives of people with blood diseases such blood cancer, thalassemia, aplastic anaemia, etc.

The moto of the drive was to spread much-needed awareness on Blood Cancer and other fatal blood disorders and to register potential volunteer stem cell donors who can donate their blood stem cells in the event of a match. DATRI is registered member with World Marrow Donor Association (WMDA) and follows WMDA guidelines and processes.

V. Srinivas, Donor Drive Coordinator, DATRI Blood Stem Cell Donors Registry was the resource person for the session. The post graduate students of the School of Applied Sciences, students and faculty members from all Engineering schools, Arts and Humanities, School of CSA also participated in the drive. The session started with a welcome address and introduction of speaker to the esteemed gathering. A thorough presentation on need of stem cell donation was given in the session by V Srinivas.

Many faculty members and students registered as volunteers and gave their cheek swab sample so that in future a probable match is found, they can donate their stem cells. Total number of participants was 300 and total number of registrations was 170.

### Workshop on Art of Living

The Dept. of Biotechnology, School of Applied Sciences organised a workshop on Art of Living. The program was attended by the students of Applied Sciences. Around 30 students attended the program. The resource person for the session was Ms. Shilpa, Senior Trainer, Art of Living, Bangalore.

She gave a detailed presentation on yoga and meditation, importance of breathing exercises in relieving stress. Demonstration was given on pranayama and its significance. The various yoga postures were discussed, and the health benefits of each asana was explained. It was followed by an interactive session where students cleared the doubts with the trainer.

## Social outreach program by Genetics club

**School: Dept. of Biotechnology, School of Applied Sciences**

**Venue: BG National Public School, Jakkur**

The students of final year B.Sc. (BBG) demonstrated biology experiments for the SSLC students of BG National Public School, Jakkur layout on January 12, 2019. The social outreach program was conducted by students, Yogitha Sagar, Sneha Priya, Chandana along with lab instructor Ramyashree K N under the guidance of Dr. Manjula.K.R.

Dr. Manjula started this program by explaining about the importance of biology by demonstrating experiments like blood typing, dermatoglyphics, egg shell change to different solutions etc., Students also actively participated in the experiments. UG students also explained the school children about cell division and practical demonstration of all the experiments created curiosity among the children.

## SOCIAL OUTREACH : Visit to Orphanage

**Organised by: School of Mechanical Engineering**

**Venue: Sumangali Sevashrama, Hebbal, Bengaluru**

**Date: 14th November 2019**

The School of Mechanical Engineering donated a "Leaf Shredding Machine" to Sumangali Sevashrama situated at Hebbal, Bengaluru as a part of the social outreach programme. The social outreach team received the requirement from Sumangali Sevashram for a Leaf shredding machine that can help them in converting the large number of leaves falling in their premises to manure.

This task was assigned to a group of students as their final year Project. Under the guidance of a faculty and the students, the team successfully completed this task and finally the machine was donated to Ashram.

In the meanwhile, this Project received a grant amount of Rupees 10,000/- from KSCST identifying its usefulness to farmers. This project participated in many exhibitions and received a lot of appreciation from all quarters.

Saplings and chocolates were also distributed by the Outreach team to children as the event was organised on children's day.

#### Following are the outcomes achieved with this outreach:

1. It helped the students to understand the need of others and of society in general.
2. Students practically applied their domain knowledge of Mechanical Engineering to design and fabricate the machine needed for Ashram.
3. Students got a good exposure in all dimensions, while completing this project.
4. It helped more than 250 children in keeping their premises clean and environment friendly.
5. It brought a good recognition to the students involved in the project.
6. It brought an immense happiness to everyone involved in the project as it involved helping and giving back to society.

## BLOOD DONATION CAMP ORGANIZED BY THE SCHOOL OF ELECTRICAL & ELECTRONICS ENGINEERING

The School of Electrical and Electronics Engineering organised a blood donation camp at REVA University on 26th of April 2019 in association with BMST and Rotary Bangalore. 130 persons successfully donated blood; including students, teaching staff, laboratory technicians, watchmen and housekeeping staff. The doctors and all the other staff members from BMST and Rotary Bangalore acknowledged the facilities provided by the University which helped them to smoothly conduct the camp.

BMST and Rotary Bangalore handed over a certificate of appreciation to the school coordinators of Electrical and Electronics Engineering. The Director of the School of EEE Dr. Rajashekhar P Mandi, appreciated the efforts of SDC coordinators Prof. Ashwini Kumari P and Prof. Bhushith M K and all the student coordinators for organising the camp flawlessly.

The poster features logos for BMST (Bangalore Medical Services Trust), REVA UNIVERSITY (Bengaluru, India), and Rotary Club of Bangalore. The main title is "Blood Donation Camp" in red. Below it, it says "Organized by School of Electrical & Electronics Engineering" and "In association with UIIC, REVA University". The event details are: Date: 26<sup>th</sup> April 2019, Venue: Kalpana Chawla Seminar Hall, Time: 9:00 AM To 4:00 PM. Contact information for Prof. Ashwini Kumari P (9738824317) and Prof. Bhushith M K (9480383438) is provided. A red box at the bottom contains the text "DO NOT DONATE BLOOD IN EMPTY STOMACH".

## BLOOD DONATION CAMP

About the Event	The School of Computing & Information Technology in association with BANGALORE BLOOD BANK organised a Blood donation camp at REVA University on 15th Feb 2019.
Organised By	School of Computing & IT
Date of Workshop	15th Feb 2019
Coordinators	Prof. Ashwin Kumar Prof. Bindushree D C Prof. Chaitra B Prof. Arunakumara B
Targeted Audience	All the students of REVA University
No. of Participants	520 units of blood were collected from 520 participants.
Feedback from Participants	All the participants expressed their satisfaction about the blood donation camp. The registration, medical check-up, and donation were well organised. They appreciated the service of the volunteers for providing refreshments and coordinating the entire event.

## BLOOD DONATION CAMP

**School: School of Mechanical Engineering**

**Venue: Sir M V Block**

**Date: 19/03/2019**

Despite a huge population, the demand-supply gap for blood units persists in many healthcare facilities in the country. According to a 2012 report by the World Health Organization, only 9 million blood units are available annually, whereas the demand is 12 million units. Voluntary blood donation comprises about 70% of the blood demand, with the rest coming from replacement donors, whereas 62 nations in the world fulfil their blood demands through voluntary donations.

In view of all the above importance of Blood donation, A Blood donation camp was organised by school of Mechanical and Civil Engineering on March 19, 2019. The Blood donation camp was organised in association with Jeeva Raksha voluntary Blood bank and Lions club of Bangalore (Dist-317A). More than 280 units of blood were collected. Along with the blood donation, a free medical check-up was conducted. It included free eye check-up and dental test. Many needy students and faculties made use of this facility.

The arrangement for all the above activities was done systematically and the volunteers served their best to conduct the program successfully and a certificate of appreciation was received by the school of Mechanical Engineering

**Awareness Program on e-Waste Management**

**School:CSA**  
**Venue:Library Seminar Hall**  
**Date:20<sup>th</sup> of August**  
**Year:2018**

An Awareness Program on e-Waste Management was organized on Monday, the 20<sup>th</sup> of August 2018, from 10:50 a.m. to 12:50 p.m. The Resource Person was Dr. Keshav A Bulbule, Consultant at E-parisara Pvt Ltd., He is a close associate of Dr. Partha Sarathy-India's first e-waste recycler.

It was an eye-opening session on electronic waste-the dangerous and hazardous waste that's getting generated in an enormous amount and harming the lives of various species on the Planet. The program threw light on handling e-waste by unscientific and scientific recyclers. Dr. Keshav sir spoke about the measure to be taken to make our planet more livable and reminded the audience of our honourable prime minister-Swachh Digital-Clean Digital.

There were 160 Student Participants and 20 Faculty Participants from various Schools of the Varisty who attended the event.

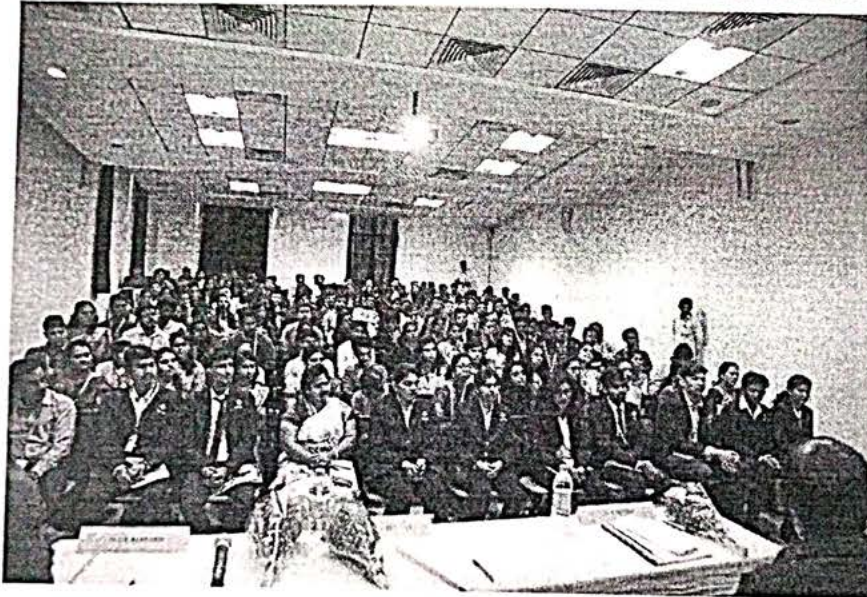

There was an interaction session at the end of the program where students expressed their interest to visit E-parisara recycling unit and also got their queries clarified by the resource person.

### Understanding and Managing Relationships

School: CSA

Venue: Lecture Hall 415, Swami Vivekananda Block

Date: 13<sup>th</sup> of July

Year: 2018

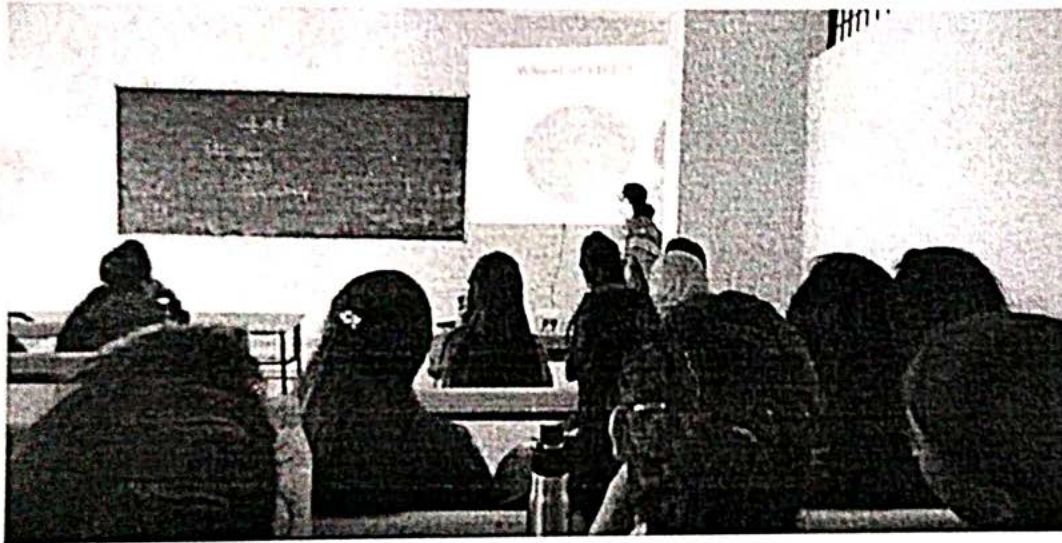

A Lecture on Understanding and Managing Relationships was organized from 10:50-1:00 p.m, on 13<sup>th</sup> of July for V Sem BCA Students. The Resource Person was Mrs. Asha Mathya Narayanan, Counselor, REVA University. The Lecture was an endeavor to emphasize to the Students, the role and positive influences of Relationships on the Students' lives. The Lecture made an effort in counseling Students to empathize and establish better relationships with the people around them which would result in building a more gratifying rapport with one another and hence enjoy and explore life to the best possible.

## Challenges for Women in Research

**School:CSA**

**Venue:Aryabhata Seminar Hall**

**Date:8<sup>th</sup> of September**

**Year:2018**

A Program towards Women Empowerment was organized on Saturday, the 8<sup>th</sup> of September 2018, from 9:30 a.m. to 12:30 p.m. The Resource Person was Dr. Suchithra R, Director, MCA Department, JainUniversity, Bengaluru.

The Resource Person started her session with the history of Research, Nature inspired Research, Importance of Research and the necessity of Research in the First session. The Second session emphasized on the challenges for women in Research. She highlighted on the fact that there should be increase in the number of female researchers despite of many constraints they confront. She quoted many real life examples who are inspirations to women. Facing many challenges in her professional and personal journey she reiterated that it's the unwavering grit and determination that counts and research is no different for a male or a female.

There were around 100 Participants from Student and Faculty Fraternity from various Schools of the Varisty who attended the event.

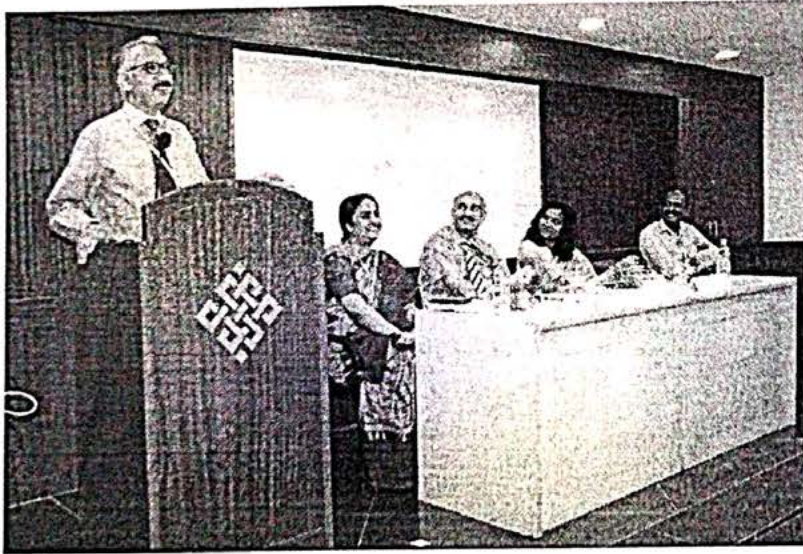

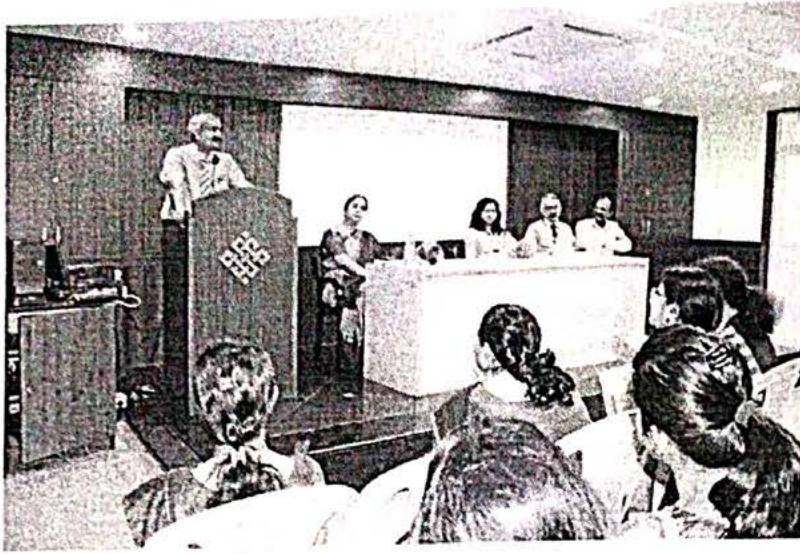

There was an interaction session at the end of the program where the audience posed their queries and able to find the satisfactory solutions by the Resource Person. It was an empowering session for all the female participants.

**Title:** Outreach report on- “A visit to Manukula charitable and educational trust “

**Event organized by:** School of CSA, REVA University.

**Date/Place:** 12 -01-2019 /Bangalore

The School of CSA had planned to visit **Blind School** to support and spend some quality time with them. In this regard 7 students from BCA 4<sup>th</sup> Sem and 2 Faculty members visited to “**Manukula Charitable and Educational Trust**”.

After reaching the destination at 12.00 pm noon we were happy to meet the highly energized the members of the organization and students of charitable trust.

Our students initially tried to understand their interest and then planned to carry out activities for both blind and orphan students after lunch break. From 1.30 to 5.00 pm our students conducted various activities like:

▪ Motivation behind “Manukula Charitable trust”	▪ Talk on Cleanliness	▪ Unity in integrity
▪ Games- touch and answer	▪ Clay modeling	▪ Gifts & Snacks distribution

We the Faculty members – Prof. Vijayalaxmi Chiniwar & Prof. Ranganathappa thank whole heartedly our students for their support and interest in such social cause.

**NSS Unit -REVA University**

**Awareness Program on “Swachhata Hi Sewa”**

We are happy to inform you that , Signal training school BSF Bengaluru and Lions club RT Nagar Bangalore have jointly organized in association with NCC wing, UIIC Team -REVA University and NSS Unit-REVA University, the cleanliness program “ **Swachhata Hi Sewa**” on 1st October 2018.

All the participants assembled at STS BSF Stadium, in morning at 7:00 AM. Sri. D K Sharma , Deputy Commander and also the coordinators of the program briefed the importance of Swachhta hi Sewa-2018.The participants were grouped into 5 numbers, each group went to their respective places and involved in cleaning activities from Bagalur cross to REVA circle about two hours. There were more than 200 participants out of which 100 participants were from REVA University. After the work, all the five groups reassembled at STS BSF Stadium. Shri U M Subramani ,DIG /Offg-IG thanked all participants.

The volunteers lifted waste plastic and papers from the road and removed the garbage dumped alongside the road and nearby area. Local public and shopkeepers also joined the movement and helped the volunteers in successful conduct of the cleanliness drive. The BBMP Officials had made elaborate arrangements for the disposal of garbage lifted from the area,the cleanliness drive was followed by an awareness program in which the participants carried out a procession with banners ,displaying slogans on cleanliness , with the aim to generate greater public participation towards Swachhata Mission.

We would like to thank our beloved Chancellor Dr. P. Shyama Raju for providing all facility and support to conduct such programs .We also thank Vice Chancellor Dr. S Y Kulkarni , Registrar Dr. M Dhanamjaya ,Dr. N. Ramesh , Dean, Training, Placement and Planning Col.Nataraj ,Director Administration , Dr Kiran kumari Patil, Director UIIC, Dr K S Naraynaswamy, Director School of Mechanical Engineering, Lt.Arpan Dixit, ANO, NCC officer, REVA University. I thank to all faculty members and students who helped us in making this event as grant Success.

Thanks and Regards,

NSS Coordinators and Program officers -REVA University

**Outreach Activity Report on “Motivational talk by Rotarian C.V Ramanan”**

**Date: 25th Jan, 2019**

The School of ECE in association with "REVA Rotaract Club", had organized talk on “**motivating and inspiring the students about how to be happy in life**” on 25<sup>th</sup> January 2019 between 10:00 AM to 11:40 AM in Aryabhata Seminar hall, C V Raman Block.

**Mr. C.V Ramanan** is Founder CEO of Ladder Consultancy Services Pvt Ltd. Vaidyanathan Ramanan is a seasoned professional known for his multi-skills and multi-functional expertise. Ramanan has over two decades of global professional experience. A graduate in Mathematics and a professional in cost accounting, Ramanan is adept in Computer programming and application skills. Ramanan commenced his career with Metal Box India Ltd and had been a Key Manager in Organizations like Ashok Leyland Ltd, Comcraft Group of Companies, Mascon Global Ltd and neoIT before commencing his entrepreneurial journey by promoting Ladder Consultancy Services Pvt Ltd towards the last quarter of 2004. He is a Zonal Coordinator for 20 clubs – July,2018 to June,2019, Rotary International – Bangalore Dist.3190. He is still in love with teaching, and has delivered lectures in many training programs.

Around **120 students** from the School of ECE attended the Motivational Talk.

The Talk focused on following key points:

- The key to happiness is only to give without expecting to get. The example given was nature.
- The formula to attain sustainable success was explained.
- Briefed the actual importance of engineering.
- Thought us how to analyse the time in our everyday life spent to whatever we have

A passport is a travel document which is in the booklet form with 36 or 60 page. There are three types of passport in India i.e. Normal/Regular passport, diplomatic passport and Official passport.

Regular passport is issued for a common man in India which is dark blue in color with Indian Ashoka emblem placed at the centre of the front cover.

**Uses of Passport**

- Visa is a granted and stamped in the passport booklet to stay in a foreign country for a period of time.

  
Registrar  
REVA University  
Bengaluru - 560 064

- International travel details of the passport holder can be found in their passport.
- Passport is considered to be the identification of citizenship of the passport holder.
- Passport can also be used as a residence or identity proof.

The session was given by **Mr. Yashwanth Simha, Secretary, REVA Rotaract Club** and supported by **student club members**.

Around **40 students** from the School of different schools attended the session and successfully filled the application.

The Session focused on following key points:

- The students were guided and instructed regarding how to apply passport through online.
- The students were informed about the payment mode and slot selection for document verification and to carry it further.

**Event: Don't Drink and Drive Campaign**

**Date: 30-12-2019**

An initiative of REVA University, department of Media Studies in association with The Deccan Herald and Prajavani went on a campaign for a cause of spreading awareness among people especially during this New Year season about "DO NOT DRINK AND DRIVE". This was conveyed by a street play and a rally by the students of Media Studies, Arts and Humanities school, REVA University. The campaign was held at 6 venues including Koramangala, Indiranagar, Vidhana Soudha, Jayanagar, MG road and Malleshwaram.

All the students, faculty in charge put all their efforts and creativity into making this a glorious event. The enthusiasm, spirit and energy of the students were encouraged by the crowd everywhere we campaigned. We also involved crowd participation in the campaign by asking them to take a pledge with us. It was an amazing experience and a very enlightening exposure for everybody especially for us as journalism students. We were also addressed by Public News channel to speak about the cause we had taken up this task. There were ups and downs but still we managed to come home victorious. Hopefully our message reached to everybody and even if it saved one life it would give us an immense satisfaction and a ray of hope for a responsible new generation.

## CHEMISTRY NATURE CLUB - ACTIVITY

**Report:** ON CHEMISTRY NATURE CLUB

**School:** Applied Sciences, Department of Chemistry

**Venue:** Surroundings of Science block and Administrative block

**Date:** 11.12.18

**Year:** December, 2018

### Description of the event

Since our REVA UNIVERSITY ranked 6<sup>th</sup> as GREEN CAMPUS in the country, it is the time to create awareness among our students about the same and see that our UNIVERSITY reaches greater heights in due course. In this connection campus clean activity was conducted surroundings of Science Block and Administrative building with the help of I SEM M.Sc. (CHEMISTRY) students, under the club "CHEMISTRY NATURE" to create an awareness about our mother nature among the young generation.

Before the activity, meeting was conducted with the students, made known to them about the club, its objectives and significance. Students happily accepted our request and took part in the event with lot of enthusiasm. They also expressed their interest in future days, in such social / nature related activities.

Overall, such activities bring in responsibility and respect towards the nature and the institution in students, as they are our brand ambassadors and stake holders.

Description must carry the details such as:

- **Type of event:** Campus Cleaning
- **Participants:** I SEM M.Sc. – CHEMISTRY STUDENTS - 30
- **Hosted under the aegis of :** Department coordinator and Mr. Sreekanth R
- **State clear whether it is annual/bi-monthly/monthly event:** Bi - monthly
- **Objective of hosting the event:** To create awareness and responsibility among young students and in turn respect towards our UNIVERSITY
- **Outcomes of the activity**  
Students showed positive response and voluntarily participated.

Activity will enhance responsibility towards environment and society.

Also brings in respect towards the University.

## CHEMISTRY NATURE CLUB ACTIVITY

**Report: On Chemistry Nature club activity**

**School: Department of Chemistry, Applied Sciences**

**Venue: Dr. Junjappa Seminar hall, 1<sup>st</sup> floor, Science Block**

**Date: 20.03.19**

**Year: 2019**

### Highlights

- **Topic:** "Awareness talk on Plastic usage"
- **Participants:** PG Students of Physics, Chemistry and Mathematics = 45  
Faculty = 20
- **Conducted by:** Mr. Sreekanth R, Mrs. Pushpalatha, Mrs. Gouthami and faculty
- **Event:** Bi-monthly event
- **Speaker:** Rtn. A.C.N Murthy, a renowned NGO activist
- **Objective:** To create an effective awareness on plastic usage and its adverse impact on environment and humans. Also the objective was to pass message on problems of plastic usage to the people through our students and faculty members.

### Description of the event

**1. Title: "Excessive use of plastic - A biggest threat to Environment and Humans"** as a part of our activity under "CHEMISTRY NATURE CLUB".

#### **2. A brief introduction to the speaker**

Rotarian Mr. A C N Murthy is a seasoned management professional with over 28 years of experience in senior positions at reputed MNCs namely, Mico Bosch, Toyota group, Videocon, Tyco electronics etc. He was formerly managing director of Danish MNC called "Danish Steel Cluster" in Bengaluru. He is the charter president of Rotary Vidyaranyapura, (which is a part of

Rotary International, an NGO organisation operating in 200 countries worldwide) and he is also the founder president of Vidyaranya Trust, a charitable trust engaged in community service. Currently he is an independent management consultant offering advisory services to corporates. He is also Director of Czech Business Incubator, an organisation supported by Embassy of Czech republic to promote Czech business in India.

### **3. Report on title and its objective**

As the world's population continues to grow, so does the amount of garbage that people produce. On-the-go lifestyles require easily disposable products, such as soda cans or bottles of water, but the accumulation of these products has led to increasing amounts of plastic pollution around the world. As plastic is composed of major toxic pollutants, it has the potential to cause great harm to the environment in the form of air, water and land pollution. Plastic is versatile, lightweight, flexible, moisture resistant, strong, and relatively inexpensive. Those are the attractive qualities that lead us, around the world, to such a voracious appetite and over-consumption of plastic goods. However, durable and very slow to degrade, plastic materials that are used in the production of so many products all, ultimately, become waste with staying power. Our tremendous attraction to plastic, coupled with an undeniable behavioral propensity of increasingly over-consuming, discarding, littering and thus polluting, have become deadly combination.

One more critical factor is that, awareness on types of plastic; thermoplastic and thermosetting, their domestic and industrial applications is very important among public. This is because, plastic designs used for various applications are designated by certain number codes like, 1,2,3,4,5,6,7. Awareness on these codes, facilitates the plastic user to decide on the quality of plastic container and its reusability.

Plastic has become threat to humans as well as aquatic life. All sea creatures, from the largest to the microscopic organisms, are, at one point or another, swallowing the seawater instilled with toxic chemicals from plastic decomposition. The world population eating fish that have eaten other fish, which further have consumed toxin-saturated plastics, is an example for that humans are eating their own waste. In India as per medical science report, there is 37 % increase in breast cancer patients among women, which is mainly due to the use of plastic and even infertility is one causes of plastic usage.

Though recycling process may give some relief, but it is just a temporary solution. Hence the order of controlling plastic pollution is; REFUSE >REDUCE >REUSE >RECYCLE.

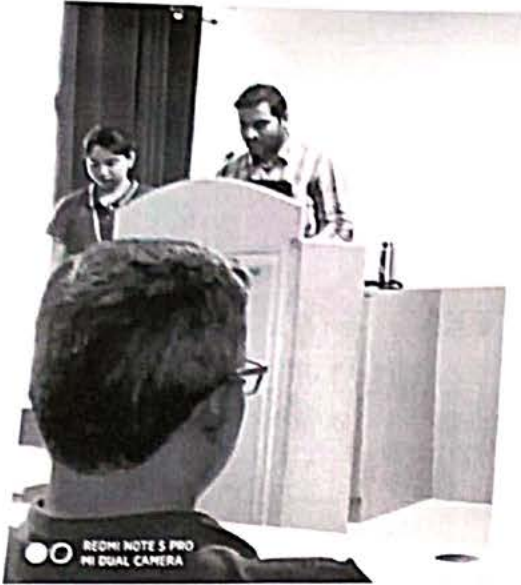

Let us all prefer and join and REFUSE the use of plastic so that, if not today, at least the coming generations lead a life of past glory.

**SAY NO TO PLASTIC**

**FOR**

**BETTER LIFE AND BETTER FUTURE GENERATIONS**

### CHEMISTRY NATURE CLUB ACTIVITY

**Report:** Nature club activity

**School:** Department of Chemistry, Applied Sciences

**Venue:** Jakkur Lake

**Date:** 24.11.19

**1. Topic:** "Planation and green conservation"

**2. Participants:** The following faculties of Chemistry department were participated voluntarily in the event.

1. Dr. Madhusudhan Reddy
2. Sreekanth R
3. Dr. Satish Reddy
4. Dr. Shivanna
5. Dr. Ramakrishna Reddy

**3. Objective:** To create an effective awareness about plantation, its significance and conservation of greenery, in order to protect mother earth from global warming. This programme was conducted under **JAGRUTHI-2**, under the tagline "**HASIRE USIRU**" of our REVA UNIVERSITY.

### **3. Report on title and its objective**

Rapid constructions and mushrooming housing colonies have led to depletion of the green cover globally. The importance of trees in purifying the air, reducing global warming, preventing soil erosion, conservation of water, maintaining the ecological balance, providing natural resources as medicines, habitats for faunal species, providing nutrients to the soil etc. is well known. Unfortunately, the overall green cover, in our country and around globe is reducing and as a consequence, pollution is increasing at an alarming rate. Increasing the green cover by tree plantation is one of the easiest yet effective measures towards reducing this imbalance and controlling global warming.

In connection with the above event, the above faculty from the department of Chemistry participated voluntarily and planted around 70 plants of different species. **To name few;** Jasmine, Lemon grass, Neem, Jack fruit plant, black berry, other flower plants.

**Let us all join together and chant the slogan “HASIRE USIRU” and plant many more saplings in the days to come and spread the message to save mother earth, from global warming.**

**“SAY HASIRE USIRU AND USIRE HASIRU”**

**FOR**

**BETTER HEALTH AND BETTER LIFE**

## Why 'Jagruti'?

After observing the volume of voting in different elections and reading the numbers, I was surprised to note that very few in our country, use their constituency exercise their voting rights. In fact, voting gives a significant role in actual meaning of democracy. But the volume of voting in our country does not even reach 50% of its capacity. Therefore, I strongly feel I must do something through our youth to spread this awareness amongst the general public. This was the beginning of 'Jagruti', an initiative of REVA University and Dr. P. Shyamala Raju, Vice-Chancellor.

Chancellor, REVA University. People are staying away from casting their votes due to their thoughtless, who will corrupt if I don't cast my vote? or let anybody get elected, after all who cares for our grievances? With a pledge of bringing out the public from such lethargy and to make them actively involved in the voting process, our University has stepped in and initiated 'Jagruti' by organising...

## **School of Mechanical Engineering**

### **Report on BLOOD DONATION CAMP**

**On 19<sup>th</sup> MARCH 2019**

**School: Mechanical Engineering**

**Venue: sir M V Block**

**Date: 19/03/2019**

Despite a huge population, the demand-supply gap for blood units persists in many healthcare facilities in the country. According to a 2012 report by the World Health Organization, only 9 million blood units are available annually, whereas the demand is 12 million units. Voluntary blood donation comprises about 70% of the blood demand, with the rest coming from replacement donors, whereas 62 nations in the world fulfill their blood demands through voluntary donations

In view of all the above importance of Blood donation, A Blood donation camp was organized by **school of Mechanical and civil engineering on 19/03/2019**. The Blood donation camp was organized in association with Jeeva Raksha voluntary Blood bank and Lions club of Bangalore(Dist-317A)

The students and faculties Participated voluntarily in this cause and regarding this a good awareness was created among students community well in advance. As a result **more than 280 units of Blood was collected.**

Along with the blood donation free medical checkup was conducted to all, it included free Eye checkup and dental test. Many needy students and faculties made use of this facility

The arrangement for all the above activities was done systematically and the volunteers served their best to conduct the program successfully and a certificate of appreciation was received by the school of Mechanical Engineering

Coordinators:

1. Prof. Arun Kumar H, Asst.Professor, School of Mechanical Engineering

**“Cancer awareness program”**

**School:** Mechanical Engineering

**Venue:** Seminar Hall, Sir M. V Block

**Date:** 04-02-2019, Monday

**Description of Event:**

World Cancer Day is an international day marked on February 4<sup>th</sup> to raise awareness of cancer and to encourage its prevention, detection and treatment. On this event school of Mechanical Engineering organized Cancer awareness poster presentation & Cancer awareness program in REVA University.

As the part of “World Cancer Day”, poster presentation was organized in main entrance of REVA University. Students are created awareness by holding poster done by their own creativity presented to aware regarding cancer. Many staff and students appreciated the work of our students and they interacted regarding poster presentation. School also organized a talk on Cancer awareness by Rajeshawari, Senior Associate, Psycho Oncology Services, CyteCare Cancer Hospital, Bengaluru in Seminar hall, Sir M V block, REVA University. Talk included theme of Cancer Day, Cancer statics of 2018, Causes of Cancer, Branches of oncology, treatment for cancer, etc. Best poster presentation was awarded by the School Director, Dr. K.S. Narayanaswamy. Around 200 students of Mechanical & civil Engineering and staff members are got benefited by this program.

We express our sincere thanks to our Honorable Chancellor Dr. P. Shyama Raju Sir, for providing all the facilities and support. We also thank our Vice-Chancellor, Dr. S. Y. Kulkarni Sir, Registrar, Dr.M.Dhanamjaya Sir, for their continuous guidance.

Our special thanks to the Associate Dean, School of Civil & Mechanical Engineering, Dr.Y Ramalinga Reddy Sir and our Director Dr. K.S. Narayanaswamy Sir, School of Mechanical Engineering, for their continuous support and encouragement.

We also extend our thanks to the all the faculty members and staff of the School of Mechanical Engineering who helped in making this event successful.

## SelectHER

Date: 28/04/2018

SelectHER is a demand-driven corporate initiative to skill and empower underprivileged women for careers in lifestyle & fashion retail in India. It is a carefully designed, mentor-led, advanced skill training program which incorporates retail skills, life skills as well as on-job-training.

1. 30 female candidates from the surrounding villages like Bagalur, Kannur, Hunsmaranalli
2. Trained student in retail sector.
3. After 45 days of training students are hired by leading retail partners of India.

### **Course Detail:**

**Basic** (One week): This will include an advanced course in English, corporate sensitization, life skills and an introductory course on lifestyle retail.

**Advance** (5 weeks): In-depth knowledge of lifestyle retailing, sales, retail operations and Customer experience. This will also include market visits, guest lectures and an opportunity to interact with top retailers.

### **Eligibility Criteria:**

Program is looking for ambitious candidates who see themselves as the new face of lifestyle and fashion retail brands in India. Our minimum requirements are:

Age: 18-28 years of age

Education: HSC or graduates (preferred)

Qualification: Certification in a Basic Retail Course and/or Prior work experience as in a sales position at retail stores

Skill requirement: Basic communication skills and working knowledge of English.

### **Program Partners:**

Pilot Funded partner: J P Morgan

Program Delivery: TRRAIN

Program Management: Sattva Consulting

Program Quality: EDI

### **Placement support:**

- Fossil Group Inc.
- Madura Fashion & Lifestyle: Louis Philippe, Van Heusen, Allen Solly, Peter England, People

Blood Donation Camp-2018

School of Electrical and Electronics Engineering had organized a blood donation camp in association with UIIC on 15/10/2018, REVA University, BMST and Rotary Bangalore. The blood donation experienced a flood of donors, and it is a matter of pride to bring to your notice that 356 persons successfully donated blood: including students, teaching staff, laboratory technicians, watchmen and housekeeping staff. The camp functioned efficiently without any flaws, and we are happy to report that none of the donors experienced any sort of side – effects after donating blood. The doctors and all the other staff members from BMST and Rotary Bangalore acknowledged the facilities provided by the University which helped them to smoothly conduct the camp. BMST and Rotary Bangalore handed over a certificate of appreciation to the School of Electrical and Electronics Engineering.

### **Blood Donation Camp and Free Medical Checkup**

**School: CIVIL ENGINEERING**

**Venue: REVA University, Sir M Visvesvaraya Block, Room nos. DH-2 and DH-3 and 209**

**Date: 17<sup>th</sup> April 2018**

**Year: 2018**

#### **Description of the event**

An annual event 'Blood Donation Camp and a Free Medical Check-up as always was arranged by the School of Civil Engineering in association with Jeevaraksha Voluntary Blood Bank and Kempegowda Medical Trust on the 17<sup>th</sup> of April 2018.

#### **OBJECTIVES:**

- To help those who has a requirement for blood.
- To inculcate in the students the proper knowledge, guidance and trust about blood donation and converting them into regular blood donors.
- To ensure that each donation by the students is carried out in the safest and best possible manner giving primary importance to donor's safety and satisfaction.

It was an act of creating awareness and motivating the society for Blood Donation and its importance.

The program was chaired by Dr. Y Ramalinga Reddy, Assoc. Dean, School of Civil and Mechanical Engineering, REVA University. The camp was organized at Sir M Visvesvaraya Block in room nos. DH-2 and DH-3 and 209.

Dr. Y Ramalinga Reddy, Assoc. Dean, School of Civil and Mechanical Engineering, Prof. Sreenivasulu Reddy, Coordinator, School of Civil Engineering, Student Coordinators Mr. Srinidhi. S.U, Ms. Apoorva N.H and other volunteers inaugurated the program by lighting a lamp. The camp successfully was run from 10.00 am to 4.00 pm. An active participation by the faculty members and the students made the event a grand success.

Apart from blood donation camp, a Free Medical Checkup (Eye and Dental Check Up) was also included in the same. The Eye Checkup was taken care by a team of doctors from Narayana Nethralaya and the Dental checkup was carried out by a team from Rajiv Gandhi Health Institute.

All the donors were awarded with a certificate. A warm gesture by the management was shown by hosting snacks and goodies for all those who donated blood and the entire team. The team of doctors thanked the Director, faculty members and volunteers of our school for their co-operation.

  
Registrar  
REVA University  
Bengaluru - 560 064

The outcome of the programme was that it created awareness among the students and the society regarding blood donation and the amount of blood which was collected from the program was donated to Jeevaraksha Voluntary Blood Bank.

Evidence of success:

**Inauguration through lamp lighting**

**Team of Doctors for Medical Check-up**

### Blood Donation Camp and Free Medical Checkup

**School: CIVIL ENGINEERING**

**Venue: REVA University, Sir M Visvesvaraya Block, Room nos. DH-2 and DH-3 and 209**

**Date: 16<sup>th</sup> October 2018**

**Year: 2018**

#### **Description of the event**

An annual event 'Blood Donation Camp and a Free Medical Check-up as always was arranged by the School of Civil Engineering in association with Jeevaraksha Voluntary Blood Bank and Kempegowda Medical Trust on the 16<sup>th</sup> of October 2018.

#### **OBJECTIVES:**

- To help those who has a requirement for blood.
- To inculcate in the students the proper knowledge, guidance and trust about blood donation and converting them into regular blood donors.
- To ensure that each donation by the students is carried out in the safest and best possible manner giving primary importance to donor's safety and satisfaction.

It was an act of creating awareness and motivating the society for Blood Donation and its importance.

The School of Civil Engineering in association with Jeevaraksha Voluntary Blood Bank had organized a Blood Donation Camp and Free eye and dental checkup on 16<sup>th</sup> October 2018.

There was an overwhelming response from faculty, staff and students, a total of 512 units were collected in the camp. Some of the donors who could not donate this time were assured for donation in the next camp. A Certificate of appreciation, refreshment was given to each donor as a token of gratitude. The Eye Checkup was taken care by Narayana Nethralaya and the Dental checkup was done by Rajiv Gandhi Health Institute. Approximately 350 faculty, staff and students from all the schools of REVA University came for the health checkup.

Camp was successfully organized under the guidance of Director & Associate Dean Dr. Y Ramalinga Reddy, School of Civil and Mechanical Engineering.

The camp was organized in Sir M Visvesvaraya Block in room 304, 216 and 209. The program commenced with lamp lighting ceremony by Director & Associate Dean Dr. Y Ramalinga Reddy, School of Civil and Mechanical Engineering, Dr. K. S. Narayanaswamy

**SWATCH BHARAT**

**School: CIVIL ENGINEERING**

**Venue: KAIWARA**

**Date: 08<sup>th</sup> January 2019**

**Year: 2019**

**Description of the event:**

The School of Civil Engineering has conducted Swatch Bharat at KAIWARA during Extensive Survey Camp 2019.

**OBJECTIVES:**

- To have a clean and hygienic environment.
- To have an optimistic affect of cleanliness in our surroundings.
- To build India as a clean and green place for better living.

Non-biodegradable waste and plastic waste was cleaned from the surroundings which made the village people recognize the importance of cleanliness. An active participation by the students and faculty members was found in this event.

Here the team took efforts to introduce the objectives of Swatch Bharat made by the nation. A good response by the village people towards the same was seen and they assured us about keeping their environment clean and green to remain healthy.

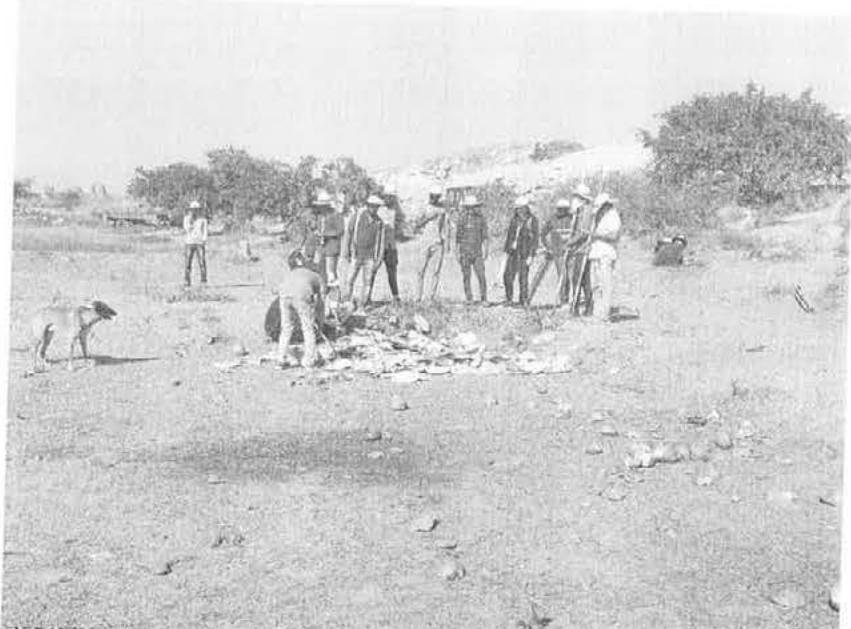

The outcome of the program was satisfactory as it created awareness among the village people.

**Evidence of success:**

**Title :** Self Defence Program

**Date :** 15<sup>th</sup> March, 2019

**Time :** 2:00 pm to 4:45 pm

**Venue :** Seminar Hall, Sir M V Block, 1<sup>st</sup> Floor

**Organised By :** Student Welfare Club, School Of Civil Engineering

**Description Of Event :**

The School Of Civil Engineering had organized Self Defence program for the students of B.Tech. This event was organized under the leadership of Prof. M. Sreenivasulu Reddy President and Asst. Prof. Bhavana Vice President, Student Welfare Club, School Of Civil Engineering.

The program took place in the Seminar Hall, Sir M V Block, 1<sup>st</sup> floor from 2:00 pm to 4:45 pm. The program was graced the presence of our guests Shihan Dr.Lakshmi, Martial Artist, Renshi Krishna, Shihan Ashwini, and Dr.Y. Ramalinga Reddy, Chairman, Students Welfare Club, and also the Director.

The students were taught various self defence techniques so as to defend themselves in any sort of emergency and difficult situation. Students also cooperated and enjoyed well making the event successful.

Title: Blood Donation Program

Date: 19th March, 2019

Time: 9:00 am to 4:00 am

Venue: Drawing halls (3<sup>rd</sup> floor), Sr M V Block

Organised By: Civil Sahaya Club, School Of Civil Engineering

**Description of Event:**

The Civil Sahaya Club, School of Civil Engineering in association with Jeevaraksha Voluntary Blood Bank had organized a Blood Donation Camp and Free Medical checkup on 19th March 2019.

There was an overwhelming response from faculty, staff and students, a total of 342 units were collected in the camp. Some of the donors who could not donate this time were assured for donation in the next camp. A Certificate of appreciation, refreshment was given to each donor as a token of gratitude. The Eye Checkup was taken care by Narayana Nethralaya and the Dental checkup was done by Rajiv Gandhi Health Institute. Approximately 210 faculty, staff and students from all the schools of REVA University came for the health checkup.

Camp was successfully organized under the guidance of Civil Sahaya club Faculty President Prof. M Sreenivasulu Reddy, and Chairman, Director & Associate Dean Dr. Y Ramalinga Reddy, School of Civil and Mechanical Engineering.

## REPORT

**Title:** "World Water Day"

**Date:** 22<sup>nd</sup> March 2019

**Time:** 10:00 AM to 2:00 PM

**Venue:** Seminar Hall, Sir M. V. Block

**Organized By:** Smt. Rukmini Shyama Raju Club for Social Service, School of Civil  
Engineering

### **Description of Event:**

Smt. Rukmini Shyama Raju Club for Social Service, School of Civil Engineering organized a technical talk session followed by model exhibition for the students of Civil Engineering, REVA University on the occasion of "World water Day" on Friday, 22<sup>nd</sup> March, 2019 between 10:00 AM to 2:00 PM. The students of Civil Engineering were benefited from the technical talk given by Dr. T. V. Ramachandra, Co-Ordinator, Energy & Wetlands Research Group, Centre for Ecological Sciences, IISC, Bangalore.

The day began with an awareness program conducted by the club members of Smt. Rukmini Shyama Raju Club for Social Service at the main entrance by holding placards related to water slogans to give adequate knowledge about the importance of preserving water and followed by a mime show enacted by the students of 2<sup>nd</sup> semester (Vowels of Mercy) based on the concept of conservation of water in the practical world.

A formal gathering was addressed by the Chairperson of Smt. Rukmini Shyama Raju Club for Social Service, Dr. Y. Ramalinga Reddy, Director, School of Civil Engineering and the chief guest of the day, Prof. Dr. T. V. Ramachandra, Head, Center for Ecological Sciences, Coordinator, Energy and Wetland Research group, IISC, Bangalore was welcomed and acknowledged. He has vast experience in the field of Energy: Renewable energy, Integrated Energy Planning, Conservation of Terrestrial and Aquatic ecosystems, Biodiversity-Ecology-Hydrology linkages, Ecological modeling, Wetlands, Soil and Water Pollution, Bioremediation, Municipal Solid Waste Management.

Talk focused on the following key points:

- An extensive overview regarding the research carried out in the Western Ghat regions regarding their biodiversity, rainfall pattern and ecology.
- An idea about distribution of rivers and pattern of rainfall in the catchment area.
- Adaptability of certain species to changing hydrological cycles by undergoing mutation.
- A preview about various publications and journals published related to water and environment.
- An enlightening case study about the environmental changes and its effect in Bangalore.

  
Registrar  
REVA University  
Bengaluru - 560 064

- An insight about various steps that could be taken in city to supply clean and fresh water to the citizens.

Following are the outcomes achieved from this expert talk:

- It highlights the importance of freshwater.
- To advocate for the sustainable management of freshwater resources.
- The intention is to inspire people around the world to learn more about water-related issues and to take action to make a difference.
- Relevant issues include water scarcity, water pollution, inadequate water supply and lack of sanitation and the impacts of climate change.
- The day brings to light the inequality of access to basic services and the need to assure the human right to water and sanitation.

After the conclusion of the Technical Talk, model exhibition competition was held in the School of Civil Engineering where budding engineers of the school presented their innovative and technical models related to the conservation of water.

### Swacch REVA Mission Activity – Weekly Report

Date:	02/04/2018-06/04/2018
Time:	3:45 PM-4:25 PM

The Faculty members and the students of the School of Computing & Information Technology have been actively involved in the campaign for a clean and hygienic campus. Below is the list of faculty members (with their allotted section) who have carried out SRM Activity in the 1<sup>st</sup> week of April 2018.

GO GREEN CAMPAIGN Organized by School of COMPUTING & INFORMATION TECHNOLOGY <b>A Brief Report</b>	
About the Event	The School of Computing & Information Technology organized GO GREEN CAMPAIGN on 15 <sup>th</sup> Feb, 2019 from Baglur Cross to REVA University.
Organized By	School of Computing & Information Technology
Date of Workshop	15 <sup>th</sup> Feb 2019
Coordinators	Prof. Ashwin Kumar Prof. Bindushree D C Prof. Chaitra B Prof. Arunakumara B
Targeted Audience	Vendors from Baglur cross to REVA University
No. of Participants	70 Volunteers from School of Computing & Information Technology 7 faculties from School of Computing & Information Technology
Feedback from Participants	School of C & IT organized <b>Go Green Campaign and Say No to Plastics</b> to create awareness of usage of plastics and to maintain Bengaluru city clean. Seventy student volunteers and seven faculties from our school participated to create awareness. <b>It was a sudden surprise to our volunteers and staff members, BBMP officials and Police from Bagalur participated and sponsored the refreshment to our volunteers and staff. They expressed happiness about REVA University in encouraging such awareness activities.</b> All the participants expressed their satisfaction about the delivery of content to convince the vendors to use eco-friendly bags and avoid polythene. The civilians and the vendors appreciated the service of the volunteers towards their befriending approach.

### **Introduction to NSS**

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community (esp. Villages) linkage

### **First Day Camp: Inauguration of the Camp 25<sup>th</sup> February 2019**

On 25<sup>th</sup> February 2019 NSS troop of REVA University arrived at Mylanahalli village at Approximate 11.00 am in the morning. NSS troop of REVA University halted at government school of Mylanahalli, and conduct an Inauguration of NSS Special camp for Seven days in

  
Registrar  
REVA University  
Bengaluru - 560 064

Mylanahalli. The inauguration program was presided by **Dr. M. Dhananjaya, Registrar** of REVA University and also **Dr. N Ramesh**, Dean Placement and Training of REVA University, Mr. Shivvana, Member of Gram Panchayat, Mylanahalli, **Mr. Rajkumar**, Member of Taluk Panchayat, Bangalore North and others were also invited to this Program as Chief Guests.

The program began with the welcome speech by NSS Coordinator **Prof. Lingappa** with the Lightning lamp by Chief Guests and Respective Registrar of REVA University. All Chief Guests spoke about their opinion on NSS and its preference, nature in Society and Nation. The program was completed with vote of thanks by **Prof. Lingappa**. Later on, troops of REVA was divided into seven groups in name of rivers as Varadha, Cauvery, Krishna, Saraswathi, Godavari, Narmada, and Ganga. Every team has 10 members of students with girls and boys. Groups were formed with an intention of giving the opportunity to all students of equal responsibilities in the events.

#### The second day of special camp 26 February 2019

  
Registrar  
REVA University  
Bengaluru - 560 064

The second day began with NSS Flag Hoisting by **Dr. Deepak S**, Director, Physical Education, REVA University at 6.00 am. After that NSS anthem was sung by Candidates. After that at 6.30am yoga was conducted by **Mr. Lakkanna**, Yoga Instructor of REVA University. Later from 9.00am to 12.00pm candidates cleaned the village streets which created awareness about neatness among villagers. Sensitization towards abuse on women

**School: Applied Sciences**

**Venue: Dr. APJ Abdul Kalam Hall, Science Block, REVA University**

**Date: 25<sup>th</sup> July**

**Year: 2018**

Dept. of Biotechnology, School of Applied Sciences, organized a seminar on "Sensitisation towards abuse on women" on 25/7/18. 200 students participated in the program across the schools.

Dr. Suma AR, Pediatrician, cloud nine hospital, Jayanagar, Bengaluru was the resource person for the session. An account of various types of abuse such as physical, emotional, sexual and verbal abuse was given. The fact that anybody can be a victim of abuse irrespective of sex or age was conveyed to the audience. The statistics shared was one in three woman and one in four men are exploited and abused daily. Students were also briefed on how to come out of such situation. Information regarding the NGO's involved and the help line numbers were shared. The legal aspects of such cases were also discussed. The presentation was interesting as many case studies were included. Related videos and photographs shown made the session more interesting.

The session was very effective and interactive that many students who attended the session shared their experience in the open platform. Many students who could not discuss their issues in the session later took the help of counsellors at REVA University to come out of the situation.

## Report on Social outreach Programme

**Time: 11.00am**

**Date : 20<sup>th</sup> November 2018**

**Place: Govt High School , Cheemangala**

As a part of REVA University Social outreach program, The School of Biotechnology, has conducted a programme “ for the rural students(9<sup>th</sup> and 10<sup>th</sup> standard) and faculty of Govt. High school, Cheemangala (Village) Shidlagatta (Tq), Chikkaballapura (Dist) on 20<sup>th</sup> Nov 2018 as they are devoid of facilities to conduct such experiments

A team of MSc Biotechnology students and Faculty were involved in organizing the program for the students. The students were taught about the importance of Science in development and improvement of mankind, DNA and its role in heredity and diseases associated vaccines, Crop improvement and environment protection.

The session was started early in the morning with a warm welcome by the School Head master Mr. Shivashankar to the REVA team, the school faculty(Dr.Ramachandra R and Dr. Guruprasad NM) and students (Mr. Ajay kumar, Mr. Harish D, Mr. Praveen, Ms. Akshatha, Ms. Tejashwini, Mr. Sumanth kumar, Mr. Dhanush). A hands on training for the students was conducted on DNA isolation and visualization along with information on different equipments used for the DNA isolation. The students were very much enjoyed for performing the experiments. The students raised many questions and interacted with the REVA team. Many of the students showed enthusiasm to take Science as their future field of specialization.

The presentation lectures were made in Kannada by MSc students and faculty of REVA University. The deliberations were made on science and career opportunities in Science and allied fields.

The deliberations were also made about the REVA University infrastructure, Courses offered and facilities by showing the virtual tour video of REVA University, this was very much attracted to the students which made them a dream to join REVA in the future.

## Landscape Upgradation for N.C.C. at Hosahalli, Yelahanka, Bangalore

### Team (School of Architecture, REVA University):

Dr. Vimala Swamy  
Ar. Raghuteja Vemana  
Ar. Anup Kumar Prasad  
and  
Lt. Arpan Dixit – Associate NCC Officer, REVA University.

### Dates:

Work Offer – 14<sup>th</sup> May 2018  
First Site visit – 16<sup>th</sup> May 2018  
Site marking – 22<sup>nd</sup> May 2018 and 23<sup>rd</sup> May 2018  
Second Site visit – 26<sup>th</sup> May 2018  
Landscape Upgradation proposal – 30<sup>th</sup> May 2018  
Execution – 8<sup>th</sup> June 2018

### Existing condition:

Barren land with almost no vegetation and proposed plan for development for N.C.C campus, Hosahalli

### Scope:

To develop the landscape of the site.

### Inference from first site visit:

#### 1. Soil type – Laterite soil (Red Brown)

- Soil is hard due to washing away of loose particles in the heavy rain.
- Humus content is low as the decomposers like bacteria die due to high temp.
- It becomes cultivable after proper application of fertilizer
- Rich in: Iron and Aluminum
- Deficient in: Nitrogen, Potash, Potassium, Lime, Humus
- Colour: Red colour due to Iron oxide.

#### 2. Vegetation possibility

- Cultivation - Rice, Ragi, Sugarcane and Cashew nuts
- Deciduous trees – Pongamia pinnata (Honge Mara), Artocarpus heterophyllus (Jackfruit), Mangifera indica (Mango trees), Azadirachta indica (Neem), Michelia champaca (Champak), Butea monosperma (Flame of the forest), Muntingia calabura (Singapore cherry), Saraca asoca (Sita Ashoka Tree).

  
Registrar  
REVA University  
Bengaluru - 560 064

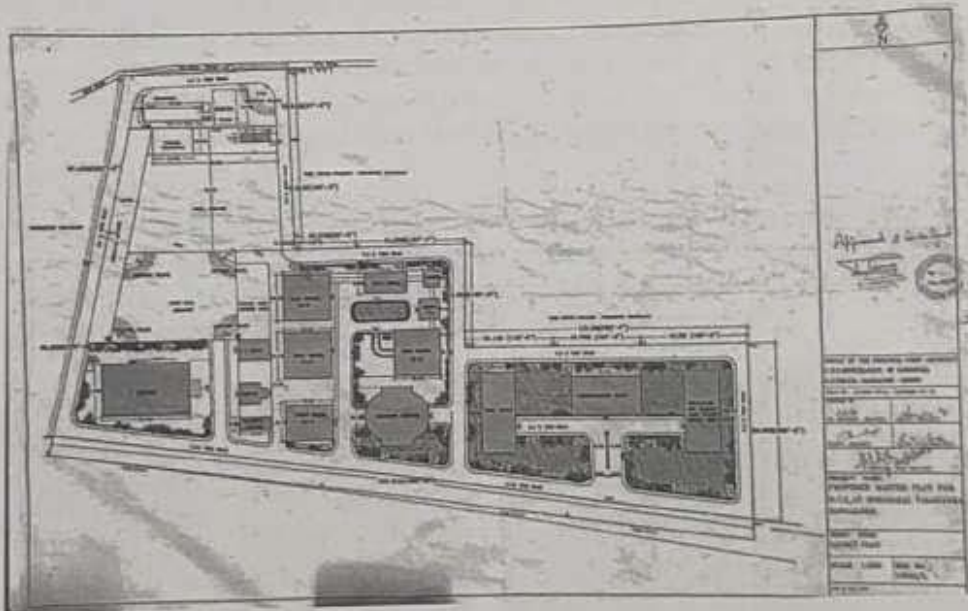

Bauhinia purpurea L (Butterfly tree), Cassia spectabilis DC (Popcorn bush cedar) etc.

3. **Existing plants:** There are few trees (in plant stage) which can be retained. These plants don't need much of maintenance and will grow on its own.

Tree type - Pongamia pinnata (Honge Mara) or, Indian beech

**Site Marking:**

The site marking was started on 22<sup>nd</sup> may as per the site plan provided. The building blocks and roads of 6Mts width were marked all along the site. The forest

Department has promised of providing 1000 saplings for the entire site and marking had been continued till 23<sup>rd</sup> may.

On 1<sup>st</sup> June the points for planting the saplings has been completed and 2<sup>nd</sup> June the digging of definite points has been by the forest department.

**Environment day Celebrations – 8th June 2018**

As part of Environmental Day Celebration the Planting of 1000 saplings under the leadership of Vice Chancellor of REVA University Dr. S.Y. kulkarni, Col. Natraj GM, REVA University, Col. of NCC Karnataka & Goa, Commander Nanda Kumar and Arpan Dixit NCC head from REVA university were part of this program. The School of Architecture Director Dr.Vimala Swamy and Asst Prof Raghuteja Vemana also took part in this program.

The Program was initiated with the brief note on environment day 2018 and its importance by students of NCC, continued with message from Vice Chancellor Dr. S.Y. kulkarni and followed by NCC Karnataka & Goa, Commander Nanda Kumar. The delegates have planted few saplings and by the students of NCC.

Report on  
**Kalacruthi November 2018**  
School of Architecture

Venue: **Rangasthala, Vivekananda Block**  
Dates: 30 November 2018  
Coordinator: **Ar. Neeraja Jayan, Ar. Shama parween**  
Participants: **200** students of Grades IX, X, and PUC from across different schools in Bengaluru.

Kalacruthi- REVA University Celebrates the City "Your City shapes your identity, the pride and love must find expression", reverberated Mr. C. B. Jayaranga, Deputy Director of Public Instruction, Bangalore North, Govt. of Karnataka, at Kalacruthi 2018, an Interschool on Spot Painting and Essay Writing Competition on the theme, "My City- My Heritage- My Pride", organized by the School of Architecture, REVA University in association with INTACH (Indian National Trust for Art and Cultural Heritage). More than 200 students of Grades IX, X, and PUC from across different schools in Bengaluru participated in the event on 30 November 2018, in the University campus.

Dr. Vimala Swamy, Director, School of Architecture welcomed the assembly of students with gusto, charting out the aim of the event which is, "to rediscover yourself through the city, its culture and its history". The Chief Guest of the event Mr. C. B. Jayaranga, expressed similar sentiments, adding that REVA is involved in a service "reviving interest and helping the youth of the city readjust their vision by giving Bengaluru their artistic interpretation". Guest of Honour, Ar. Pankaj Modi, Conservation Architect, Technical Coordinator, INTACH, Bangalore, appealed to the dormant spirit of the city, by asking the participants to first, "recognize our heritage" and "experience its palpability", calling it, a "living heritage that needs to be preserved". Dr. P. Shyama Raju, Honorable Chancellor REVA University, presided over the event, recalling, his fascination for the city, said "The city embodies an undying core that needs to be captured, use your imagination to give it your own dimension". Dr. S. Y. Kulkarni, Vice Chancellor, REVA University graced the occasion with his presence.

Bengaluru has undiscovered aspects to its character. It means different things to different people. The new generation who are acquainting themselves with the city, too are naturally part of its growth, however, it is not just the future but the past too that makes it unique. With the objective to spread awareness about the rich architectural legacy of the city, Kalacruthi was planned and organized at REVA University, which is filled with globally recognized architectural marvels. The event will give students a platform to translate Bengaluru's aesthetics on canvas and paper.

**SCHOOL OF ARCHITECTURE**  
**REPORT ON - JALAANDOLANA**

**Jalaandolana- A Revathon to Save Water is an initiative by School of Architecture, REVA University, inaugurated on March 22, 2019, celebrated as World Water Day. It aligns with United Nation's goal for sustainable development: water for all by 2030, "Leaving no one behind" countering the predicaments of water crisis around the world. Hon'ble Chancellor Dr. P. Shyama Raju inaugurated the event and shared his experience in rejuvenating the Ulsoor and Sankey Lake with Dvysree Developers. He stressed the awareness and responsibility of each citizen in maintaining environmental quality**

**Dr. Vimala Swamy, Director, School of Architecture, welcoming the gathering of students and faculty said inclusion of water in the planning and designing of cities and building. Water is not only utilitarian requirement but also acts as microclimate modifier and adds aesthetics. It integrates the built and the unbuilt environment. Mrs. Shubha Ramachandran, BIOME briefed about Water Scarcity, its challenges, possible localized solutions. The role of future architects and planners in conserving water was the main theme discussed in the inauguration and Keynote Address by Chief Guest. Her very interactive session discussed how water can be recharged using simple methods and applicable and adaptable technology; Rain Water Harvesting and novel systems to extract its full potential, Waste Water Treatment as a nutrient-rich source and mapping open wells in Bengaluru. She also spoke at length about, "the importance of creating a community around a lake".**

REVA students have been on their own journey to spread awareness on this mission of great importance and magnitude. Students started interacting with residents lacing the lake. This Walkathon would involve students deeply delving into permeating the cause with powerful street plays, songs and flash mobs expressing the urgency for action and involvement.
