Extension activities in the neighborhood
community in terms of impact and
sensitizing students to social issues and
holistic development during
2019 - 2020

Rukmini Knowledge Park,
Kattigenahalli, Yelahanka, Bengaluru - 560 064

www.reva.edu.in

REVA has been working with the goal of evolving as a social Impact University and accordingly an array of activities are being conducted by all the Schools under different Faculties as part of the University Social Responsibility. REVA believes in the fact that the youth ought to be sensitized to social issues right from their early years and hence programmes which have a national goal such as Swacch Bharat, Bethi Bachao, Bethi Padao and University initiated programmes such as Abhivridhi and Jagruti apart from Education of Wheels and other programmes are given importance to. Appended are images of the various extension activities conducted in the neighbourhood community

“Cancer awareness program”

School: Mechanical Engineering
Venue: Seminar Hall, Sir M. V Block
Date: 04-02-2019, Monday

Description of Event:

The School of Mechanical Engineering organized Cancer awareness poster presentation & Cancer awareness program in REVA University.

As a part of “World Cancer Day”, poster presentation was organized in the main entrance of REVA University. Students are created awareness by self-made holding posters to create awareness regarding cancer. Many staff and students appreciated the work of students and interacted with them. The School also organized a talk on Cancer awareness by R-jeshawari, Senior Associate, Psycho Oncology Services, Cytecancer Hospital, Bengaluru. The talk included the theme of Cancer Day, Cancer statistics of 2018, Causes of Cancer, Branches of oncology, treatment for cancer, etc. Best poster presentation was awarded by the School Director, Dr. K.S. Narayanaswamy. Around 200 students of Mechanical and Civil Engineering and staff members got benefited by this program.

Cancers in Women and its awareness

School: School of Applied sciences

Date: 8th March 2019

Venue: Library Seminar Hall, REVA University.

Year: 2019

On account of International Women's Day, School of Applied sciences in association with REVA Health Centre organized a Guest Lecture on "Cancers in Women and its awareness" on 8/03/19 at Library Seminar Hall, REVA University. The Resource Person was Dr. Ajay Rao P, Chief consultant Radiology oncologist, Cytecure Cancer Hospitals. Around hundred fifty girl students and women faculty members were a part of this guest Lecture. The most common types of cancer in women were discussed and some of the misconceptions in the subject was clarified. In a nutshell, it was an informative lecture.

In continuation to this, screening and mammogram test was organized for the women staff of REVA University in association with Cytecure cancer hospitals on 8th March 2019. Around forty women staff underwent the screening process as a self-care on the occasion of women's day.

Awareness Drive by DATRI Foundation

School: - Applied Sciences

Venue: - APJ Hall, Science Block

Date: - 2.04.2019

Year: - 2019

On 2nd April 2019, donor drive awareness campaign for stem cell donation was organized by DATRI in association with Dept. of Biotechnology. DATRI is a Non-Profit Organization founded in the year 2009 with a mission to save lives of those suffering from life threatening blood disorders like Blood Cancer, Thalassemia, Aplastic Anaemia etc.

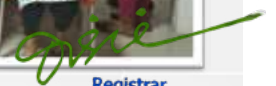

The motto of the drive was to spread the much-needed awareness on Blood Cancer and other fatal blood disorders and to register potential volunteer stem cell donors who can donate their blood stem cells in the event of a match. DATRI is a registered member of World Marrow Donor Association (WMDA) and follows WMDA guidelines and processes.

V. Srinivas, Donor Drive Coordinator, DATRI Blood Stem Cell Donors Registry was the resource person for the session. Post graduate students of the School of Applied Sciences, students and faculty members from all Engineering schools, Arts and Humanities, School of CSA also participated in the drive. Session started with a welcome address and introduction of speaker to the esteemed gathering. A thorough presentation on need of stem cell donation was given in the session by V Srinivas.

Many faculty members and students registered as volunteers and gave their cheek swab sample so that in future if a probable match is found, they can donate their stem cells. Total number of participants was 300 and total number of registration was 170. It was a fruitful session as there was a social cause involved to save the lives of millions of people having blood related disorders.

WOMEN'S GRIEVANCE AND REDRESSAL CELL – ACTIVITY

General Awareness and Grooming Session for appearing in an Interview

School: School of Management Studies

Venue: C K Prahalad Seminar Hall, Swami Vivekananda Block

Date: 26th September 2019

Year: 2019

AIMS:

To increase confidence level for all the girls regarding their dressing sense, way of speaking and presentability.

To spread awareness about how one shall present themselves for an interviews.

Women's empowerment and achieving gender equality is essential for our society to ensure the sustainable development of the nation. Sustainable development is impossible without gender equality and women's empowerment. Many women feel the pressures of gender discrimination and comparatively less confidence, while others have become accustomed to being treated inferior to men.

To change the scenario, it is essential to educate woman from the beginning for being confidence, self-dependent, bold and strong.

SESSION:

As a part of WGRC-(Women Grievance Redressal Cell) an initiative was taken to organize, in association with HUL (Hindustan Unilever limited) , a grooming session mainly for the girl students of Under Graduate and Post Graduate students. The program started at 10:45 and got over at 12:45 pm.

Ms. Sowmya spoke about how important it is for a girl or women to carry herself in a proper manner, she even spoke about the way of dressing, talking, styling herself, and most importantly her confidence level for indulging in activities. Ms. Sowmya guided us with the help of a video which further gave us a clearer view about what she exactly wanted to convey. She even spoke about how important it is to avoid body odour, which clearly stated that not just dressing up well is important but the way we smell, talk, walk, smile, maintain eye contact and body language also matters. Ms. Sowmya also distributed Rexona 10X among all the girls, to spread awareness about self-care. 80 girl students from both UG and PG attended this session.

To bring awareness on the above mentioned area, Miss Soumya and Sandhya from Hindustan Unilever Limited gave a talk on following topic, to the UG and PG girl students.

1. Grooming
2. Women Empowerment
3. Hygiene

Registrar
REVA University
Bengaluru - 560 064

The discussion includes how to maintain appearance, tips for talk to high authority and present themselves during meetings and interviews. Addition to that, suggestion on maintaining self-hygiene and being confident during any presentation.

FEEDBACK:

It was a good and lively session overall. Everyone got to interact and was a lot more informative which helped girls build confidence and also spread awareness about how to carry themselves. She even spoke about the way of interacting with a higher authority and the way of greeting them, how one can maintain themselves. Videos and some live sessions were shown in order to help is understand it in a better way.

Workshop on the theme 'Gender, Equality and Discrimination'

Date: 31st November 2019

Time: 10.00 A.M. to 4.00 P.M.

Venue: School of Architecture, REVA University

Participants: 70 REVA University students

Organized By: CMCA Campus Yuva and School of Architecture, REVA University

Description of Event:

In association with CMCA, Bangalore, **Campus Yuva** Workshop on the theme "**Equity & Gender**" was conducted on 31st November 2019 for First year Architecture students. Ms. Rohini and Mr. Arjun of CMCA conducted a four-hour workshop.

In order to be an efficient Architect in this diverse field of work, an Architect has to deal with a varied mix people from different dimensions like Clients, Co-workers, Engineers, Contractors, Masons, Carpenters, Plumbers etc. The workshop highlighted the vital issue of gender inclusivity concerning this field of work. Contrary to thought, women actually play a very crucial role in this otherwise patriarchal profession. The workshop presented an excellent and unbiased view on this to sensitize students towards the same.

Morning session started with students filling in a questionnaire relating to social issues in the society and their views on them. Then different scenarios of physical and mental abuse were exhibited in front the students and was elaborately discussed. Students were then made to rethink the answers for the questionnaire.

Afternoon session focused on discrimination like caste, gender, status, job hierarchy, and language and importance of equity in our current society. Students were made to enact different scenarios on discrimination.

Campus Yuva workshop provided an avenue for young people to acquire an understanding of rights & obligations as citizens and life skills such as critical thinking, teamwork & communication. It aimed at equipping students with skills to enable them to be effective and responsible individuals & citizens of the society.

The event is hosted by School of Architecture, REVA University.

Legal Aid outreach program

School of Legal Studies, REVA University has attempted a Legal Aid outreach program on village survey at Kommasandra village, Devanahalli, Taluk, Bangalore Rural District on 11.1.2020 by visiting door to door and got the data on the classes of personal information and family information of the Houses including Domestic information, Village information, and village issues/ problems through the agenda design. The 68 law students have taken an interest in this occasion. The students procured information on social concerns and the spirit of the village culture and they roused to take up the difficulties to take care of the issues confronting society.

Conferring legitimate mindfulness was the primary target of this outreach program. The group interfaced with individuals from the village and gathered information and sources of info in regards to the issues that existed and made mindfulness on the legal services accessible so it enables them to use them at their will. Some of the main concerns voiced by the villagers were proper roads, water, drainage, transport, Grama Sabha, and health care centers to be built. Law students additionally associated with Advocate and Gram Panchayath Mr. Ramanjanaiah K.H and another Gram Panchayat Member N. Manjunath, from the same village concerning different legal issues and the difficulties that existed in the village. With everything taken into account, the program and survey were worthwhile as the students as well as the Professors got knowledge into the issues looked at by regional India which would empower them to usefully move in the direction of resolving them.

Dr. Nagaraja V, Professor, who is the Co-ordinator of REVA Legal Aid Clinic guided the students to carry out this outreach program in a methodical way. Prof. Venkataswamy, Assistant Professor of the School of Commerce and Management Studies of REVA University supported this program. The faculty of Prof. Raghavendra G., Pallavi Sen, Dr.Kumara J N, and Prof. Soujanya encouraged the students during the visit.

The team of REVA Legal Aid Clinic is thankful to the Hon'ble Chancellor Dr. P. Shyama Raju, Vice-Chancellor Dr.S.Y.Kulakarni, and Director Dr. S. Bharathi, School of Legal Studies for their support for the program. This program information is trailed by the Legal Aid and Awareness Camp which will be held during the second week of April 2020.

Proceedings of the meeting of the Legal Aid Committee held on 25-9-2019

Present:

1. Dr.Nagaraja V. : Co-ordinator
2. Prof.Raghavendra G : Assistant Co-ordinator
3. Prof.Pallvi : Assistant Co-ordinator
4. Student volunteers - 50

Agenda: organising Legal aid and Legal awareness outreach program

The following points were discussed:

1. Conducting essay writing competition for students volunteers of REVA legal aid committee on "LEGAL AID AND AWARENESS IN INDIA – ISSUES AND CHALLENGES". The competition shall be conducted during the last week of October 2019
2. Organising village survey to obtain information on legal and social issues. It will be carried at the selected village during November – January 2019
3. Organising National Law day during the month of November 2019
4. Organising "**Legal literacy and Legal Aid programme**" at the village during February 2020 with collaboration of NGO, Gram Panchayat and Bangalore Rural District Legal Services Authority.
5. Assigned the various responsibilities to the volunteers for the above said events.

REVA Legal Aid Clinic : meeting held on 28-8-2019 at 9.30am

1. Prof.Nagaraja V – Co-ordinator
2. Prof.Raghavendra G – Member
3. Prof. Pallavi Sen – Member
4. Student Volunteers as member – 33

Meeting Schedule:

1. Seminar on role of NGO`s in rural development
2. Pre-preparation for outreach legal aid programme
3. Volunteers responsible
4. Documentation of Legal Aid Clinic
5. Legal Aid Committee meetings for the year August 2019- July 2020

Seminar on Role of NGO`s in rural development on 28-08-2019 at 1.30pm for first semester students

Programme Agenda:

1. Invocation - Student
2. Reva Anthem
3. Welcome Address – Legal Aid Clinic Co-ordinator Dr.Nagaraja V
4. Inaugural address by Dr.Bharathi S., Director
5. Speech by Resource person -1 Mr.Shivashanakar Reddy
6. Speech by Resource person- 2 Mr.Anjeena Reddy
7. Interaction session
8. Vote of thanks

Moderator : Prof.Pallavi Sen

REPORT – 4

Orientation: Role of NGOs in Rural Development

REVA Legal Aid clinic organized a Guest Lecture for the students of first year BA LLB and BBA LLB on 28th August 2019. The theme for the event was “Role of NGOs in Rural Development” which was held at the Justice K.S.Hegde Seminar Hall, Vivekananda Block. The event commenced with the invocation song by Miss Shristi Sarkar from 5th Sem BA LLB. The moderators for the program were Miss Meghna and Miss Yukta Manjunath. Professor Dr.Nagaraja V. School of Legal Studies welcomed the guest speakers, Mr.Shivashanakar Reddy, founder of Rural Development and Training Society,Gauribidanur and Mr.Anjeena Reddy, founder of Regional Service Center, Chintamani with his keynote address.

The guest of honor Mr. Shivashanakar Reddyspoke about the importance of literacy among Non-school going children. Women empowerment and micro-income generating activities by which they could be financially independent. During the second half, Mr.Anjeena Reddy, highlighted on the role of non-governmental organizationsin creating legal awareness among rural population, and also providing support with legal aid clinic for enabling legal solutions among the rural population. The session was informative, educative, and interactive. To conclude the vote of thanks was proposed by fifth Semester student Miss. Monisha.

SOCIAL OUTREACH

Organized by: School of Mechanical Engineering

Venue: Mylappanahalli and Avalahalli villages (Near Rajankunte, Bengaluru)

Date: 17th October 2019

Description: The School of Mechanical Engineering organized a social outreach programme in Mylappanahalli and Avalahalli villages (near Rajankunte, Bengaluru)

Mahatma Gandhi once told that, "I will not let anyone walk through my mind with their dirty feet", he always gave a great importance to cleanliness and for him cleanliness was next to godliness. The best way to give tribute to this great person is to walk through his great words.

As part of Mahatma Gandhi's 150th birth anniversary, the School of Mechanical Engineering organized a cleaning and awareness programme at villages through Plogging (Plogging is a combination of jogging with picking up litter).

Mr. Damodar, PDO, Singanayakanahalli gram panchayat, gave a talk on the importance of "Swachh Abhiyan" at this moment and he also appreciated students of REVA in joining hands for this great cause.

Following are the outcomes achieved with this outreach:

1. Students cleaned and collected nearly 20 gunny bags of litter and plastic waste covering all the roads of Mylappanahalli and Avalahalli villages.
2. As Students collected the waste through Plogging, It added to their fitness.
3. Students were able to understand the real time challenges involved in "Swachh Abhiyan" and also closely observe the life of villagers.
4. The village representatives organized a lunch for all the students as part of their kind gesture and it resulted in an emotional connect between villagers and students.
5. Students interacted with few farmers and were able to identify few shortcomings in the current Machinerics and Equipment's used by them. As all of them are Mechanical students it would help them for doing real time projects that could serve the need of society.

Food Stall to observe International year of Millets

In alignment with the UGC-proposed International Year of Millets, the School of Allied Health Sciences at REVA University hosted a food fair on January 5, 2023. The program's focus was to promote millet as a superior alternative to traditional staples. The primary objective of this programme was to increase public awareness of the nutritional and health advantages of various millets. As part of the programme, students took the initiative to make and serve people with various millet preparations, such as millet pudding, millet bisibele bath, and millet kheer. There were 25 participants in all and 50 visitors to the booth.

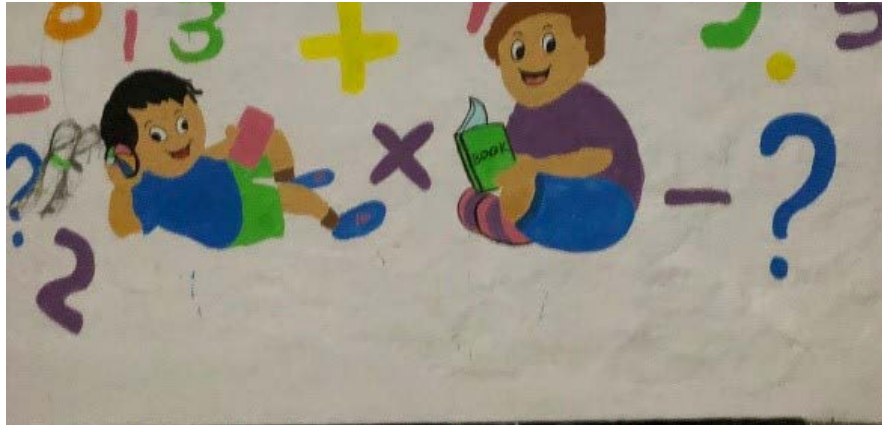

Community Outreach Program at Bangalore rural area, Devanahalli Taluk

Place of Activity conducted: Channarayapatana, Naganayakanalli, Janatha colony Channahalli , Jalige , Rajagatta , Beer Sandra and Tinglu village.

The School of Architecture, REVA University in collaboration with Campus 2 Community organised a community outreach program from 20th to 23rd September 2019 at Channarayapatana , Naganayakanalli , Janatha colony ,Channahalli , Jalige , Rajagatta , Beer Sandra and Tinglu village. In collaboration with Art Matters and students from various colleges, Campus 2 Community organised "SCHOOL BELL," a mass service project that remodelled 150 government schools in remote rural villages bordering Bengaluru to commemorate Mahatma Gandhi's 150th birthday. A total of 42 third-semester B.Arch students took part in this programme of community service.

The activities included artwork on the walls, providing awareness about the environment, health, cleanliness and management, library, and lab equipment, drinking water facility, sports kit, first aid kits etc. Around 5000 youth volunteers were part of this activity and around 7500 students were benefitted. With mass campaigns as volunteers, we made this event a grand success by completing the painting on the school wall which was assigned to us. The student serves as a great resource by getting involved in different kinds of activities.

REPORT ON SOCIAL OUTREACH

Organized by: School of Mechanical Engineering

Venue: Manasa Ashraya - Old Age Home (Bodaganahalli Village, Chickaballapura)

Date: 8th February 2020

Description:

The School of Mechanical Engineering organized a social outreach programme to old age home Manasa Ashraya at Bodaganahalli Village, Chickaballapura.

Manasa Ashraya is old an age home, which houses the poor. It is equipped with all basic facilities to function. It was founded by Dr. Madhukar with a sense of concern towards the society.

The MARS committee students raised funds through contribution made by students and staff members of the School of Mechanical Engineering and with the amount collected, the groceries required for the Ashram was purchased and donated. The groceries included 150 kg of Rice, 25 liters of cooking oil, 15 kg of Toor dal and other necessary items for the Ashram.

Following are the outcomes achieved with this outreach:

1. The Old age home was provided with grocery that would sustain the food requirement for a duration of one month.
2. The senior citizens were engaged with different cultural activities that included sharing experience, singing, dancing etc.
3. Students learnt the art to plan, raise the funds and arrange the resources required for this outreach event.
4. The students benefitted from the guidance received from senior citizens.
5. Students interacted with senior persons in old age home and were able to identify the shortcomings in the society. This event facilitated a sense of concern towards the society in general and elders in particular.

School: Dept. of Biotechnology, School of Applied Sciences
Venue: Govt. High School, Cheemangala, Karnataka

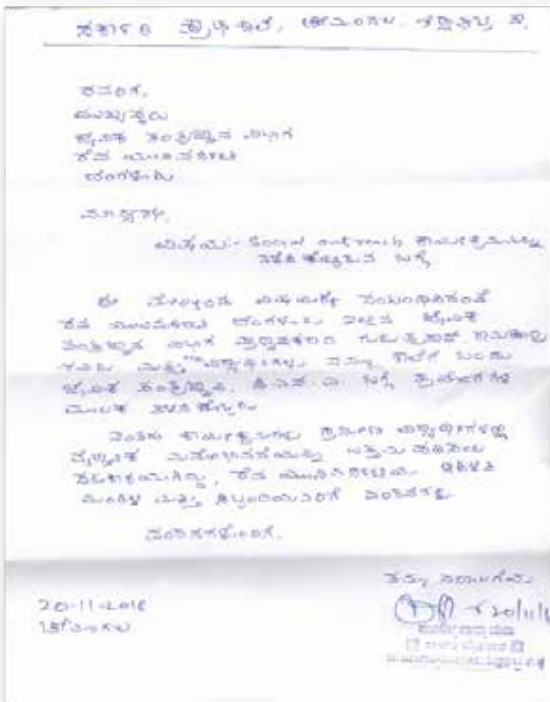

As a part of REVA University Social outreach program, the School of Biotechnology conducted a programme for the rural students (9th and 10th standard) and faculty of Govt. High school, Cheemangala (Village) Siddalagatta (Tq), Chikkaballapura (Dist) on 20th Nov 2019 as they are devoid of facilities to conduct such experiments.

A team of MSc Biotechnology students and faculty were involved in organising the program for the students. The students were taught about the importance of science in development and improvement of mankind, DNA and its role in heredity and diseases associated vaccines, crop improvement and environment protection.

The session was attended by the School Head master Mr. Shivashankar, the school faculty Dr.Ramachandra R and Dr. Guruprasad NM and students Mr. Ajay kumar, Mr. Harish D, Mr. Praveen, Ms. Akshatha, Ms. Tejashwini, Mr. Sumanth kumar, Mr. Dhanush. A hands-on training for the students was conducted on DNA isolation and visualization along with information on different equipments used for the DNA isolation.

The presentation lectures were made in Kannada by MSc students and faculty of REVA University. The deliberations were made on science and career opportunities in science and allied fields.

The deliberations were also made about the REVA University infrastructure, Courses offered and facilities by showing the virtual tour video of REVA University.

Village activities to create awareness related to health and hygiene in Bandikodegahalli Gram Panchayat

The NSS unit - REVA University organised village activities to **create awareness related to health and hygiene in Bandikodegahalli Gram Panchayat-Villages** on Wednesday, 29th January, 2020 between 9.30 A M to 12 9M. Around 25 students participated in this drive.

Sanitation and hygiene are critical to health, survival, and development. Many countries are challenged in providing adequate sanitation for their entire populations, leaving people at risk for water, sanitation, and hygiene (WASH)-related diseases. Throughout the world, an estimated 2.4 billion people lack basic sanitation (more than 32% of the world's population). Basic sanitation is described as having access to facilities for the safe disposal of human waste (feces and urine), as well as having the ability to maintain hygienic conditions, through services such as garbage collection, industrial/hazardous waste management, and wastewater treatment and disposal. In this regard, REVA University conducted awareness program related to health and hygiene in rural areas.

BLOOD DONATION CAMP

School: Mechanical Engineering

Venue: Sir M V Block

Date: 19/02/2020

Despite a huge population, the demand-supply gap for blood units persists in many healthcare facilities in the country. According to a 2012 report by the World Health Organization, only 9 million blood units are available annually, whereas the demand is 12 million units. Voluntary blood donation comprises about 70% of the blood demand, with the rest coming from replacement donors, whereas 62 nations in the world fulfil their blood demands through voluntary donations.

In view of all these aspects, a blood donation camp was organised by the School of Mechanical and Civil Engineering on February 19, 2020. The Blood donation Camp was organised in association with Jeeva Raksha voluntary Blood bank and Lions club of Bangalore (Dist-317A). More than 590 units of Blood was collected. Along with the blood donation, a free medical check-up was conducted. It included free eye check-up, dental test, sugar test, BP test and ECG test. Many needy students and faculties made use of this facility.

The arrangement for all the above activities was done systematically and the volunteers served their best to conduct the program successfully and the huge turnout was due to the effective communication carried on by our volunteer student groups, this inspired many of them to donate the blood for a good cause.

Hand sanitiser Preparation and Distribution

Department: School of Applied Sciences - Chemistry
 Venue: Chemistry Lab, School of Applied sciences
 Date: 1st March 2020 till date

Washing our hands with soap and water is one of the best methods to keep healthy throughout the pandemic. If none of those are accessible, hand sanitiser might be able to help eliminate COVID-19-causing germs from hands. The Department of Chemistry at the School of Applied Sciences took the initiative to prepare hand sanitiser and supply the same for REVA University. As part of its social responsibility, the Department has developed hand sanitizer in accordance with WHO requirements starting on March 1, 2020, with a few minor modifications. Up to this point, the department has prepared and distributed 1832 litres of sanitiser.

Path to improved health

During the programme, a discussion on how to choose a hand sanitizer based on its alcohol level, which should be between 60 and 95 percent, as well as how to use it were held. Awareness was also given regarding the benefits of doing hand sanitization. The other applications were also conveyed as a part of awareness.

Things to consider

In case, dryness is experienced after the application of sanitiser, usage of lotion was also recommended during the programme.

School of Computer Science and Applications Educational Outreach Program

Summary:

On behalf of School of CSA, REVA University as a part of Educational outreach program on 5th August 2019, V BCA Students and Two Faculty Members Visited the Government Primary School, Kattigenahalli.

Activities Performed:

- Creating the awareness about the Global Warming
- Provided the basic computer knowledge to the students

Student Response:

Students happily participated in the program. They Understood the importance of global warming. The feedback received from the students is very encouraging.

A Visit to an Orphanage: A Call to You to Do Something – Anything

Date: 05th April, 2019

On Friday, 5th April 2019, we from School of ECE and REVA Rotaract Club along with 25 students visited an orphanage “**Sumangali Seva Ashram**” situated near Hebbal and “**Adarane Charitable Trust**” situated near Hegde Nagar, Yelahanka.

Sumangali Seva Ashram and **Adarane Charitable Trust** are Non-Voluntary organization dedicated to the facilitate services for Down trodden deserted women, Orphan children and economically weaker people in the society.

The rice grains which were collected during the “**AIKAKARMYA**” event was distributed to both the above organizations.

As the gate of the home opened, we were greeted with smiling faces of children, they all eagerly looked to see who had come into our abode. As we proceeded to the reception to drop the items we went with and to get any information or rules we need to know and adhere to while we are there. After the permission to play and interact with the kids were granted, we gathered around the kids, asked for their names and introduced ourselves. We spent around 1-2 hrs with these kids.

The Joy that radiated from the kids touched us deep down, we saw how much of a home they had, filled with lots of sisters. They were eager to play games, to answer questions, they all wanted to be carried and played with -given special attention. They all were kids full of smiles, without a care in the world. Eager to play and even to pray. They indeed sang a devotional song which was heart touching. As we left the Ashram, a thousand thoughts played and fought for preeminence in our head, a thousand words wanted to burst out of our mouth in expression of our feelings, but yet, nothing came out. Yes! We were overwhelmed.

This was our first visit ever to an orphanage home and it has left a lasting imprint in our heart.

Here are some of the glimpses into our visit,

Blood Donation Camp

Date: 28th August 2019

Venue: Open Amphi Theater, Sir C.V.Raman Block, REVA University, Bengaluru.

Organized By: REVA Rotaract Club & School of ECE, REVA University

The “**Blood Donation Camp**” was organized by “**REVA Rotaract club & School of ECE**” in association with “**Rotary Yelahanka and Jaynagar Voluntary Blood Bank**” was organized on **28th August 2019 in Open Amphi Theater, Sir C.V.Raman Block.**

Rtn.Pradeep Rao, President, Rotary Yelahanka and **Rtn. Govindan N**, Community Service Director, Rotary Yelahanka, **Dr. R.C. Biradar**, Director School of ECE, **Dr. Bharathi S.H & Dr. P.I. Basarkod**, Professors, School of ECE were presided over the function.

All the dignitaries gave a glimpse on the importance of Blood donation and quoted “**Every Blood Donor is a life Saver**”.

The camp functioned efficiently without any flaws and we are happy to report that none of the donors experienced any sort of side – effects after donating blood.

”Around 455 members from different schools participated which includes both students and staff fraternity from REVA University.”

The doctors and all the other staff members from JVBB and Rotary Bangalore acknowledged the facilities provided by the University which helped them to smoothly conduct the camp.

Jayanagar Voluntary Blood Bank and Rotary Bangalore handed over a certificate of appreciation to REVA University.

We would like to thank our beloved Chancellor **Dr. P. Shyama Raju** Sir for providing all facility and support to conduct such programs. We also thank Vice Chancellor **Dr. S. Y. Kulkarni** Sir, Registrar **Dr. M. Dhanamjaya** Sir

Outreach Activity Report on “Awareness on Ancient Ayurveda Treatment”
Date: 27th Sep, 2019

School of ECE had organised an awareness program on “Ancient Ayurveda Treatment” on, 27th September 2019 between 10:30 AM to 2:00 PM at Room No.102, Sir C V Raman Block, REVA University.

Ayurveda literally means “The science of life” and it teaches us to tune into both the conspicuous and subtle indicators that there is room for improvement within—**Body, Mind, and Spirit.**

The session was given by **Dr.T.Godwin, Deputy Medical Superintendent, KERALA AYURVEDA Ltd, Bengaluru.**

Dr.T.Godwin provided the awareness on Ancient Ayurveda Treatment. He is an expertise in Diagnosing and treating any kind of diseases and condition through Ayurveda & Yoga.

Dr.Swetha and Dr.Swathi provided the free **consultation** for the Students and faculty members.

Around **130 students and Faculty members** from school of ECE attended the session.

The Session focused on following key points:

- Brief introduction to the Ancient Ayurveda.
- Awareness was created about the different types of Ayurveda treatment.
- Interacted with students and Staff Members and asked them about their problems.
- Consultation was given to few problems faced by the present Health scenarios.

Report on

“Video capturing related to improvement of sanitation and Toilet usage to eliminate Open defecation in Shettigere”

School/Department: National Service Scheme (NSS)

Venue: Shettigere

Date: 22nd January

Year: 2020

Description of Event:

The NSS unit, REVA University had organized “**Video capturing related to improvement of sanitation and Toilet usage to eliminate Open defecation in Mylanahalli Village**” Tuesday, 22th January, 2020 between 09.00AM to 1.30PM Around 7 students of NSS and Media Center REVA University participated in this mega event lead by Prof. Madhu B P, **NSS Coordinator**,

Greetings for the day!

As part of its Scaling Up Rural Sanitation and Domestic Private Sector Participation programs, MHRD –MGNRE has been commissioning formative research studies among households in REVA University adopted villages. Three specific sanitation behaviors are covered in the video: open defecation, acquisition of toilets, and improvement of latrines.

Later NSS and NCC team conducted awareness program to improve sanitation and Open defecation following are the result obtained

S. No	Observations During Village Visit 1 & 2	HEI Action After Village Visit 1 & 2	Changes Observed After the Activity
1	Some households did not have toilets	HEI approached Sarpanch and gave awareness on Subsidy scheme for toilet construction	All Households have toilets
2	People defecated in the open in village	HEI created awareness for outsiders who were open defecating	There is no open defecation now

Registrar
REVA University
Bengaluru - 560 064

3	Faeces from the toilet was being disposed in the river	NA	NA
4	OD spot / excreta were found in the open place	HEI conducted cleanliness drive	As there is no OD, OD spot doesn't exist now
5	Institutional toilets at Schools, Anganwadis and Public places were not functioning	Suggestions were given to conduct temporary toilets for public usage when there are any events or programs	A temporary public toilet was made when village programme was held
6	Waste from restaurants, public places was being dumped into the river	NA	NA
7	A prevalence of visitor/tourist OD was found	NA	NA
8	An institutional mechanism to check OD by insiders/outsideers was needed	HEI approached Sarpanch and a team from Panchayat and asked to check OD on regular basis	No OD as of now
9	There were a few twin-pit toilets	HEI approached the village Sarpanch with a plan to create awareness of twin pit toilets thereby ensuring new toilets to be constructed with twin pit technology.	New toilets will be constructed using twin pit technology
10	Did the village toilets have (non-porous) septic tank common	HEI addressed Sarpanch and encouraged him for septic tank toilets construction	Sarpanch assured new toilets to be constructed with septic tank
11	The village did not have a P-Trap in all toilets	HEI approached Sarpanch and suggested to opt for p trap in toilets	Toilets to be repaired and p-trap will be made available New toilets to be constructed with p trap
12	Water was not available All / Some toilets	HEI encouraged HHs to go for solar based rain water harvesting	HHs are implementing solar based rain water harvesting and they are getting fund for the same
Household Schedule			
13	Some toilets in the village were not "fly-proof" – or Hygienic	HEI conducted awareness program for fly-proof toilets	HHs repaired their toilets and made sure that they are fly-proof
14	The human waste was being disposed of in the Drain,	NA	NA

**Report on outreach activity organized by
University Industry Interaction Center**

Date: 31/08/2019

**Venue: Government School
Sahakar Nagar Bengaluru**

Time: 10 AM-3 PM

The Department of UIIC, REVA University successfully organized a CSR Program of “Wall Painting at Government School” in Collaboration with NGO “Vedan Hasi”, C&IT and RU students actively participated and shown their talents in wall paintings. The programme objective was to help the students with diagrams related to science and mathematics.

It was a very good experience for our students to participate in such a good event as it was helping the society at large and for the student’s personal growth. It was a fun activity initially but later it developed as a responsibility towards the underprivileged students.

From UIIC department Dr. Kiran Kumari Patil was the Lead Head and Ms Arshiya and Ms. Vanitha were the coordinators for the event. Mrs Shylaja Thota was the coordinator from the C & IT department. Every one participated in the event and gave their best. In this regard, we would like to thank Honorable Chancellor Sir, Respected VC Sir, Registrar Sir, Associate Dean Dr. Beena madam and Lakshmanan G Sir for their Continuous support.

MODERN FOOD INDUSTRIES LTD

INDUSTRIAL VISIT

The school of legal studies had organized a visit to the regional branch of **Modern Food Industries (India) Ltd** on 28th of November 2019.

Modern Food Industries (India) Ltd (MFIL) was set up in 1965 as Modern Bakeries (India) Limited situated at Kazhikundram, Taramani (Near Tidel Park). It was set up under the Colombo plan. It got its present name in 1982. MFIL had bread manufacturing units in 13 cities spread across India. MFIL had also marketed fruit juice concentrate under brand name *Rasika* in Delhi. MFIL also produced aerated soft drinks under the brand *Double Seven*. MFIL was a wholly owned Central Government-owned PSU. It was taken over by Hindustan Lever Limited in January 2000. This was the first privatisation of public sector unit by the government of India. Modern Foods had over 40% of the bread market in India.

HUL was the sole bidder for Modern Foods. It paid Rs 10.5 million, as per the valuation exercise undertaken by its valuer ICICI, for 74% of the shares. Later the government exercised its put option to sell the remaining 26% to HUL for Rs 4.4 million in November 2002. In 2006, HUL merged MFIL with itself. Senior HUL officials said the acquisition was a complete misfit with the HUL culture and systems. The company had admitted that the acquisition was a mistake on account of improper due diligence.

In 2001, HUL referred MFIL to Board of Industrial and Financial Reconstruction. Subsequently HUL decided to sell the company to Singapore based Everstone Capital. In April 2016 Modern changed hands again, this time to Everstone Capital. Today the company is called Modern Foods Enterprises Pvt. Ltd. and is 100% owned by Everstone Capital.

The students were addressed by the Hr.Manager & Production Manager of **Modern Food Industries (India) Ltd**, who shared the hierarchy of the organisation, HR policy and Production process, Quality Mgt etc, which are the most important aspects of employees and production .

The students were taken to the various departments such as production, HR and marketing department and students were given concrete exposure to the **Modern Food Industries (India) Ltd**.

Social Outreach Programme-2019

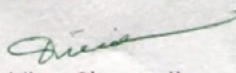

The School of Electrical and Electronics Engineering had organized a Social Outreach Program at **Chikkasanne, Anneshwara Grama Panchayat, Devanahalli Taluk, Bangalore** on **06/11/2019**, from 3rd, 5th, & 7th semester students. About 41 students actively participated in the awareness program. During this program, the students have visited all the houses in the village to conduct door to door survey and collected the energy details from each house: The students explained about the energy conservation measures that can be adopted to reduce the electrical bill and also spread the awareness on use of solar energy for water heating, solar home lighting system, solar lantern, solar cookers, energy efficient smokeless. This would reduce wood consumption as well as smoke will reduce considerably, Gobar gas plant for cooking as well as for lighting, solar pumps through MNRE subsidy scheme, etc.

DO NOT DONATE BLOOD IN EMPTY STOMACH		

On 26th of April 2019, the School of Electrical and Electronics Engineering had organized a blood donation camp, REVA University, BMST and Rotary Bangalore. The blood donation experienced many donors and it is a matter of pride to bring to your notice that School has also arranged health diagnostic camp where Hb, grouping, BP checkup and free medical consultation was given for almost 150 Housekeeping staff .130 persons successfully donated blood; including students, teaching staff, laboratory technicians, watchmen and housekeeping staff. The camp functioned efficiently without any flaws and we are happy to report that none of the donors experienced any sort of side – effects after donating blood. The doctors and all the other staff members from BMST and Rotary Bangalore acknowledged the facilities provided by the University which helped them to smoothly conduct the camp. BMST and Rotary Bangalore handed over a certificate of appreciation to the School coordinators of Electrical and Electronics Engineering.

DANCE OUTREACH : World Dance Day – “Little Sisters of the Poor”;
BOSCO Mane; Kidwai Memorial Institute of Oncology”

29th and 30th April, 2019

This year the school was inspired to take dance to new and unusual places which helped the school for an Outreach programme, where a total number of 12 faculty and students visited an old-age home – Little sisters of the poor during the morning half. Here students danced and sang for the residents of the old-age home who were overjoyed to have the program. The same evening, another team of 10 student dancers went to the orphanage- Bosco Mane, and performed for the vivacious little wonders there. The children had a wonderful time interacting with our team. The next day, continuing the spirit and celebration of World Dance Day, yet another team of 10 dancers went to Kidwai Memorial Institute of Oncology and performed for the patients and caregivers of the hospital. This World Dance Day truly was an overwhelming and yet, humbling experience for all of us in the School of Performing Arts.

Skit on Swachh Bharat- NSS Event
12th December, 2019

The students of SoPA presented a skit directed by Prof. Nagaraj Pattar at an adopted village by REVA, the village was "Shettigere" on the theme of Swachh Bharat. The skit highlighted the importance of hygiene, restrooms and cleanliness to society for a healthy and holistic lifestyle. Prof. Charu Agarar also guided and accompanied the students to the event. The total number of students and faculty who performed in the event were 8.

Jagruthi Dance on Gender Equality

22nd February, 2020

SoPA presented a performance for Inspire- REVA Women's Convention on the 22nd of February, 2020. This piece was about a woman who overcame the evils of regression and emerged triumphant against all odds. It tried to depict gender equality and its benefits on society . 6 students participated in this event.

COVID Dance

14th March, 2020

Professors Sruthy Chandrasekhar, Aswini Nambiar and VrindaSadasivan, put together a powerful dance sequence with students of Bharatanatyam and Kuchipudi. The piece was choreographed in the wake of the Corona virus threat, the School of Performing Arts, REVA University, sent out a message urging everyone to be vigilant and taking all appropriate measures to protect themselves and the human race, and urging all to stand united against this threat . 8 students participated in this event. The piece was also featured on Kairali TV. The video can be found on YouTube on this below mentioned link.

REPORT

Title: "Visit to Bala Mandira Hostel"

Date: 5th April 2019

Time: 9:00 AM to 2:00 PM

Venue: Marigowda Road, Hombegowda Nagar, Bengaluru - 560029

Organized By: Smt. RukminiShyamaRaju Club for Social Service, School of Civil Engineering

Description of Event:

Smt. RukminiShyamaRaju Club for Social Service, School of Civil Engineering organized a visit to Bala Mandira Hostel on Friday, 5th April 2019 between 9:00AM to 2:00PM. 70 students of Civil Engineering took part in the event.

A drive was organized in the college campus where donations in the form of money, clothes, stationeries, packed food items were collected for the children.

The day began with all students leaving the college campus at around 9:00 AM. They reached the hostel at around 10:30 AM. The hostel consisted of around 80 boys whose ages ranged from 7yrs to 17yrs.

The children of the hostel had gathered and welcomed the students. The members of the club then received an opportunity to interact with the children there by organizing fun activities for them.

The children were encouraged to exhibit their talent in dancing and drawing. The students also conducted a cricket match for the children. They were even taught to play sports like football and basketball.

After the events, each child was gifted with a bag which consisted of all basic necessities which included toiletries (like soap, oil, comb, toothpaste and tooth brush), notebook, pen and pencil. They were provided with fruits, chocolates and biscuits as well.

The other materials given to the children included T-shirts, shirts, nightwear, shoes, food items and stationeries. The students bid them adieu and left the hostel at 2:00PM. Lunch was organized for the students in the college campus.

The event was concluded and proved to be a memorable event for all the members of the club who took part in it and would like to thank all the REVA family members and kattigenhalli shopkeepers who stepped forward to lend a helping hand by donating good condition materials for less fortunate children's.

Title: “Workshop on Propagation of emerging trends for sustainable earth”

Date: 25th April 2019

Time: 9:00 AM to 2:30 PM

Venue: Sir.M.Visvesvaraya Block, 1st floor Seminar Hall

Organized By: School of Civil Engineering

Description of Event:

The workshop was on “**Propagation of emerging trends for sustainable earth**” conducted by Parisara Club, REVA University. Three eminent speakers have given good knowledge and information on Propagation of emerging trends for sustainable earth.

The Programme was commenced with invocation song followed by welcoming the dignitaries by **Dr. S. Y. Kulkarni**, Vice Chancellor of Reva University.

Dr.Y.Ramalinga Reddy, Director, School of Civil Engineering, addressed the gathering, briefed the objective and importance of Technical workshops to upgrade the Knowledge and Skills. With a Brief Introduction of Speaker, the First technical talk was on “**Ambient Air Pollution: Sources, Trends in Bangalore City - Local challenges and opportunities**” by **Dr.B.Nagappa**, Scientific Officer, Karnataka State Pollution Control Board, Bangalore. It was an excellent talk, explained the cause of Air pollution and to resolve the problems by adopting healthy environment, to minimize the respiratory health issues.

After the tea break the second session was commenced with the brief introduction of Speaker **Dr.Purandara Bekal**, Scientist, National Institute of Hydrology, Belagavi on “**Environmental Geochemistry- An Emerging Trend**”. It was an innovative talk covering the broad area of Geological process and formation of earth and Hydrogeological provinces of hard rocks.

The Third session was commenced with the brief introduction of third Speaker **Dr. K.V. Manoj Krishna**, Assistant Professor, Department Of Civil Engineering, Government S K S J Technological Institute, K.R.Circle, Bengaluru, on “**Introduction to Geotechnical Engineering and Recent Avenues in the Field Of Ground Improvement Techniques**”. It was an innovative talk covering the broad area of Soil Mechanics and improvement of soil.

Our students were highly motivated after the speech of the above speakers.

Talk focused on the following key points:

- Source of Air pollutants
- Status of Ambient Air Quality Monitoring Programme in Karnataka
- Air quality monitoring in Bangalore
- To take step improve the air quality of Bangalore city to BBMP, BDA , Police Dept & Transport (Co-ordination Committee).
- Developmental works after 2014-15 in Bangalore city

Registrar
REVA University
Bengaluru - 560 064

- Annual average values of PM₁₀ in Bangalore city
- Origin of magma and rock cycle
- Formation of Igneous and Metamorphic Rocks Sedimentary Rocks
- Hydrogeological Provinces of Hard Rocks in India
- Hydrogeological Investigations Carried out
- Problems associated with groundwater withdrawal
- Mapping Regional Flow Systems
- Chemical Properties of the Elements
- What is the Earth made of
- The Nature of Solids in the Geosphere
- Geosphere-Hydrosphere Interactions and the Formation of Sediments and Clay Minerals
- Conventional Laboratory Tests
- What is Shear Strength
- Influencing Factors on Shear Strength
- Construction Techniques
- Earth Pressure and Retaining Walls

Following are the outcomes achieved with this Expert talk

- A clear-cut understanding about Air pollution and Geological process
- To determine the cause for the increasing Health issues in the society
- To know all the key points to keep in mind while Hydro-geological Investigations Carried out
- Processes involved in the formation of earth
- Why geological study is important.
- What are the Construction Techniques
- An ability to understand the problems created by us and to resolve it.

Smt. Rukmini Shyama Raju Club for Social Service

REVA UNIVERSITY
SCHOOL OF CIVIL ENGINEERING

REPORT

Title: Free Medical Check up Sumangali Seva Ashrama”

Date: 4th October 2019

Time: 9:30 AM to 3:00 PM

Venue: Amarjyothi Colony, R. TNagar, Bengaluru – 560032

Organized By: Smt. Rukmini Shyama Raju Club for Social Service, School of Civil Engineering.

Description of Event:

Smt. Rukmini Shyama Raju Club for Social Service, School of Civil Engineering organized a free Health camp at Sumangali Seva Ashrama on Friday, 4th October 2019 between 9:30 AM to 3:00 PM. 35 students of Smt. Rukmini Shyama Raju Club took part in organizing the event.

A drive was organized earlier in the college campus where donations in the form of money, was collected to organize the event.

The day began with all students leaving the college campus at around 9:30 AM. They reached the ashrama at around 10:30 AM. The ashrama consisted of around 250 children among which girls and boys are around 5 years to 15 years of age group, including few adults.

The founder of the ashrama and the children wholeheartedly greeted the students. The members of the club then received an opportunity to interact with the children there by organizing free health camp and some activities and thereby motivating the children.

Health camp was arranged in a very peaceful manner, every child was given complete necessary treatment and even doctors enjoyed by treating them. They were also provided with the necessary medicines.

At last, lunch was organized for the students by the members of the ashrama as a token of gratitude. The students bid them adieu and left the ashrama at 3:00 PM.

The event was concluded and proved to be a memorable event for all the members of the club who took part in it and would like to thank all the REVA family members and medical officers Dr. Kala S. and Dr. Abhishek Mani who stepped forward to lend a helping hand by spending the quality time by doing the checkups like general physical examination, blood sugar analysis, free de-worming and other needful medicine distribution.

Student club members are thankful to Doctors for their kind support in organizing the event.

Swachh Bharat Abhiyan at Defence Land

(School of C & IT in Association with NCC Wing, REVA University)

Swachh Bharat Abhiyan is a Nation wide campaign in India for the period from 2013 to 2019 that aims to cleanup the streets, towns and rural areas. Having this outlook School of C & IT in association with NCC Cadets and aspirants of REVA University took the opportunity to conduct cleanliness drive at Defence land, Hosahalli which is adopted by REVA University on 18th May - 2019.

The event was organised under the aegis of 39 kar if Bn NCC .

The cadets enthusiastically cleaned the surrounding areas of Defence land.

The Cadets and Aspirants cleaning the surrounding of saplings to retain the rain water.

Registrar
REVA University
Bengaluru - 560 064

Cadets enthusiastically cleaned the surrounding areas with zeal and happiness. Along with Commanding Officer Col.A.K Yadav, ANO L.t Arpan Dixit and Prof. Gopinath R (NSS coordinator, C&IT).

Around 70 Cadets, Aspirants of NCC joined this event.

Commanding officer said that cadets realized that any work is best done when it is carried out by a person himself.

Commanding officer said'', if one NCC Cadet motivates three more from his /her neighborhood register day is not far when we will be able to achieve the goal of Clean India ,Green India.

Register day
REVA University
Bengaluru - 560 064

He also emphasized that inculcating a sense of hygiene among cadets and civilians will lead to creation of healthy and prosperous India.

Commanding Officer from 39 Kar Inf Bn. Col. A.K Yadav gave guidelines to the NCC cadets about the development of individual.

39 KAR.BN.NCC cadets have plans of doing same activity in the upcoming days .

Report

on

“Social Outreach-NSS - 2020”

Date: 31st January 2020

Regarding to “Social Outreach 2020–THE JOY OF GIVING”, School of Computing and Information Technology took a major initiative step with an aim of participating, supporting and providing a platform for our REVA University students to be part of this prestigious social service event.

Plan: To visit an Orphanage, providing urgent medical requirements, fruits, snacks, create awareness about personal hygiene and Dance programme.

Orphanage: “Home of Hope”, NEW ARK MISSION OF INDIA, Doddagubbi Village, KRC Road, Bangalore 560077.

Home of Hope is an NGO with mission to rescue the destitute and the dying people from the streets. To enrich their lives with hope and purpose. To provide them shelter, care and medication. To impart education for children rescued from the streets. To empower such individuals with vocational training so as to enable them to become self-supporting and self-reliant. To improve basic amenities offered to the residents so that they would lead a fulfilled, noble life and death. To catalyze overall development of the homeless people, NAMI hopes to collaborate with mainstream institutions (both corporate and not-for-profit organizations) that are willing to provide support through finance, medical care, education and volunteers to help support the mission and vision of the organization. To open the ‘Home of Hope’ Centre in each and every state across the country. To transform the nation with greater and stronger values of service towards the underprivileged.

Day of visit: Friday, 31st January 2020.

Amount received for Contribution from faculty members & students: Rs. 13625/-

Faculty members, non-teaching staff and student volunteers visited **Home of Hope** on Friday, 31st January 2020. The event started with awareness program about personal hygiene, followed by donation of urgent medical requirements, snacks and fruits and other required materials to needy people in **Home of Hope**. The event concluded with Dance programme.

List of faculty members and non-teaching staff visited the place:

Prof. Gopinath R
Prof. Kiran M
Prof. Shiva Kumar R Naik
Prof. Tanuja K

Awareness Drive by DATRI Foundation

School: - Applied Sciences

Venue: - APJ Hall, Science Block

Date: - 2.04.2019

Year: - 2019

On 2nd April 2019, donor drive awareness campaign for stem cell donation was organized by DATRI in association with Dept. of Biotechnology. DATRI is a Non Profit Organization founded in the year 2009 with a mission to save lives of those suffering from life threatening blood disorders like Blood Cancer, Thalassemia, Aplastic Anemia etc.

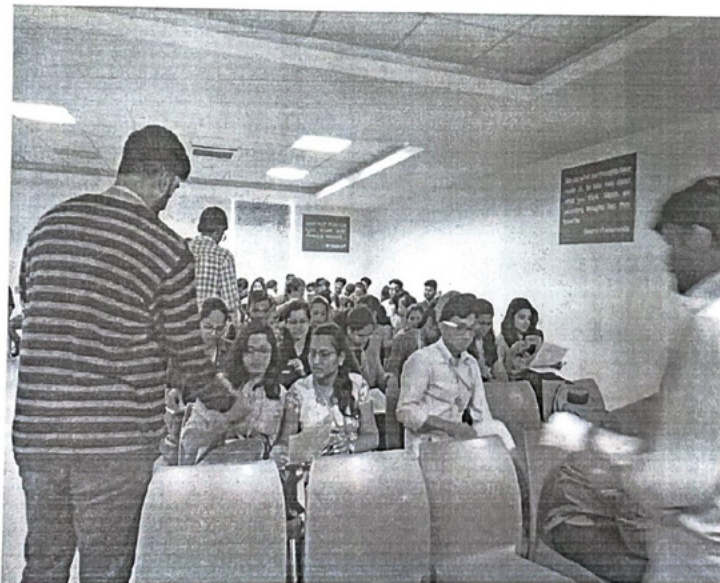

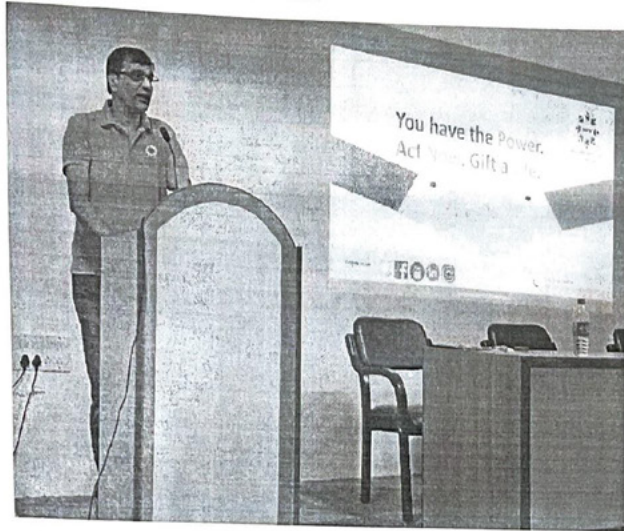

The moto of the drive was to spread the much needed awareness on Blood Cancer and other fatal blood disorders and to register potential volunteer stem cell donors who can donate their blood stem cells in the event of a match. DATRI is registered member with World Marrow Donor Association (WMDA) and follows WMDA guidelines and processes.

V.Srinivas, Donor Drive Coordinator, DATRI Blood Stem Cell Donors Registry was the resource person for the session. Post graduate students of School of Applied Sciences, Students and faculty members from all Engineering schools, Arts and Humanities, School of CSA also have participated in the drive. Session started with a welcome address and introduction of speaker to the esteemed gathering. A thorough presentation on need of stem cell donation was given in the session by V Srinivas.

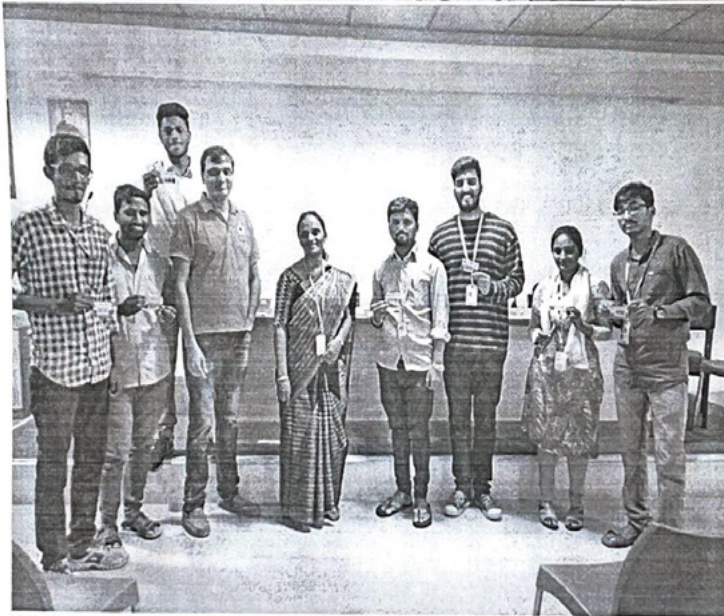

Registrar
REVA University
Bengaluru - 560 064
Kattigenahalli, Yelahanka, Bengaluru - 62

Many faculty members and students registered as volunteers and gave their cheek swab sample so that in future a probable match is found, they can donate their stem cells. Total number of participants is 300 and total number of registration is 170.

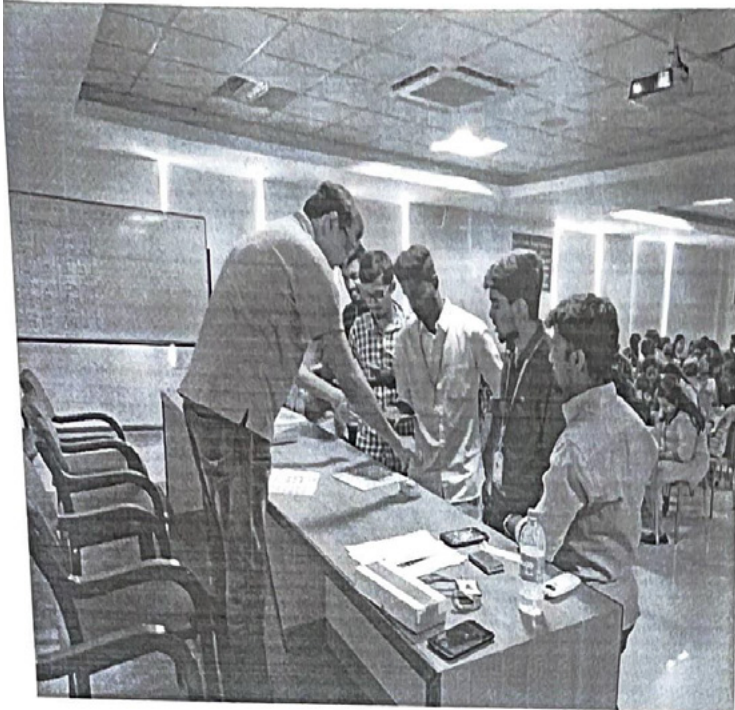

It was a fruitful session as there was a social cause involved to save the lives of millions of people having blood related disorders.

Report on Visit to SWANTHANA, a special care centre

**Venue: Swanthana, Sarjapura Road, Ambedkar Nagar,
Carmelaram Post, Bengalurur – 560035.**

School: School of Applied Sciences – Biotechnology.

Date: 26th April,

Year: 2019

The Department of Biotechnology, School of Applied Sciences, had organized a visit to Swanthana, as a part of social outreach activity. Swanthana, run by the Daughters of St. Camillus was established in September 2006. It houses 50 girls between the ages 8 months and 15 years, who are mentally challenged and have multiple disabilities. These young petals were gathered by the local Police, from Railways, Bus stand, roadside, dust pin, behind the compound walls of the hotels and around the market areas, abandoned by the parents. Swanthana open its door to all the mentally challenged, physically handicapped and all the other disabilities of brain which made them incapable of self care. At present we are having 50 children in Swanthana.

Five students from UG and PG Biotechnology along with a faculty, Dr. Ramya visited the organization. We interacted with the caretakers and few children. The basic requirements were handed over to them.

Report on social outreach program conducted by Genetics club

School: Dept. of Biotechnology, School of Applied Sciences

Venue: BG National Public School , Jakkur

Date: 12/1/2019

Year: 2019

Students of final year B.Sc. (BBG) demonstrated biology experiments for the SSLC students of BG National Public School , Jakkur layout Bangalore -64 on 12/1/2019. The social outreach program was conducted by students, Yogitha Sagar, Sneha Priya, Chandana along with lab instructor Ramyashree K N in the guidance of Dr. Manjula.K.R.

Dr. Manjula initiated this program by explaining school children about the importance of biology by demonstrating experiments like blood typing, dermatoglyphics, egg shell change to different solutions etc., Students also actively participated in the experiments. UG students also explained the school children about cell division and practical demonstration of all the experiments created curiosity among the children. Faculty and school children and management of BGNPS thanked the organizers of the practical session.

Report on “Cleaning up of Non-Biodegradable Wastes at Nandi Hills”

School of Applied Sciences, REVA University organized an “Awareness campaign and Cleanliness Drive of Non-biodegradable wastes” as a part of Jagruti Towards Global warming. The first session of this drive was Cleaning up of Non-Biodegradable Wastes at Nandi Hills, Bangalore. It was conducted on September 14th, 2019. 200 students from various departments of the School were a part of this campaign along with 20 Faculty members. Students intentions screamed loud as GO GREEN with their green attire. Students dispersed to different areas at Nandi Hills and picked up several dry wastes including Glass bottles, Wrappers, plastic bottles, plastic covers etc. At the end of the students’ toil, we were able to collect around 25 gunny bags of waste which was handed over to the authorities for proper disposal. We are extremely thankful to Mr Ramesh, Deputy Director, Nandi Hills for his immense support and permission. We also take the opportunity to thank our Honourable Chancellor, Dr P Shyama Raju as this idea is his Brainchild. We are immensely proud about our mission on spreading awareness on Global Warming. Let’s come together, participate and make Earth a better place. It’s now or never.

Report on Global warming awareness Program (Jagruthi-2)

School: Applied Sciences, Department of Biotechnology

Venue: Kenny School , Bangalore -64

Date: 9/9/2019

Global warming awareness program by the Department of Biotechnology, School of Applied Sciences in the guidance of Dr.Beena G was conducted for the students and faculties of Kenny high school, Jakkur , Bangalore-64, as part of Jagruthi-2 of REVA University. 1st year students of B.Sc. Genetics students along with Dr. Manjula.KR and Dr.Prabhakar Mishra visited the School on 9th September 2019.

Program started with a global warming awareness talk by Dr.Manjula. Awareness was spread through a song on global warming by REVA students. Children got enlightened about the theme through the skit performed by students. Waste segregation was taught to the gathering by encouraging students to participate in the same. Detailed explanation was given with demonstration to segregate waste into wet, dry, biodegradable and non degradable waste. The sessions were beneficial for the students and faculties of the Kenny school. We thank REVA family for the entire support extended.

Report on Awareness program regarding Global warming and COVID-19

School: - Dept. of Biotechnology, School of Applied Sciences

Venue: - St. John English School, Amruthahalli, Bangalore

Date: - 10.03.2020

Year: - 2020

No. of Participants: 70

Department of Biotechnology, School of Applied Sciences conducted an awareness program towards global warming and COVID -19 at St. John English School, Amruthahalli, Bangalore on 10.3.2020. The awareness program was conducted under the Jagruthi initiative program conducted by REVA University. The program was conducted by students of B.Sc. BBG students under the supervision of Head of Department, Prof. Renuka Madhu, Dr. Prabhakar Mishra and Dr. Guruprasad NM. The awareness program initiated with the presentation about the global warming, its complicated scenario and measures to reduce this threat of global warming. Simultaneously another presentation was delivered by the students which provided the information about COVID-19, about the corona virus and all precautionary measures which would help a common man be away from this life-threatening disease.

Post presentation the Quiz competition was conducted for school children on the theme of global warming and corona virus. At last there was a short skit being conducted by university students to make the audiences understand the COVID-19 and its lethal complications, also how people can save themselves from COVID-19 through implicating the precautionary measures like regular wash of hands by soap, wearing mask at crowded place, use of sanitizer etc. At last the winners of quiz competition were awarded with different prizes and the school authority was thanked for their support towards making the program successful.
