The development and presentation of innovative technologies for waste recycling, energy conservation.

The School of Applied Sciences in connection with Jagruti towards Global Warming organised an orientation on Waste Segregation on 18th Jan 2020. The Resource persons were Mrs. Latha Krishnan, Architect and Mr. Vinayak Iyengar. A live demonstration on composting was given. Large wastage in terms of dry waste, wet waste and e-waste is being generated every day, every week and every month. Waste generation cannot be stopped, but however waste management can be done scientifically to protect the environment. The management has made an effort to spread awareness to dispose of the waste in a proper manner. For e.g. No paper is burnt in the campus, but is sent to an agency where they recycle it. The benefits of recycling are highlighted by the University in the form of citations received from recycling agency. The faculty and students have actively participated voluntarily in week long capsule on e-waste management conducted in the campus.

Abhivriddhi

REVA University has partnered with the Government of Karnataka to develop and impart quality education at lower and higher primary government schools, through its CSR initiative 'Abhivriddhi'.

As part of this initiative, REVA has adopted 10 government schools located around Bengaluru North (Yelahanka and Devanahalli constituencies) in the fringes of the city.

The pilot of 'Abhivriddhi' was launched in August 2020 and the core committee members of Abhivriddhi have conducted several in-depth surveys over the last five months to ascertain the requirements, challenges, and other details of the adopted schools.

'Abhivriddhi' is launched with a mission to aid quality education at government schools and aims to overhaul the learning experience at these schools. Currently, around 1000 students are learning in these schools, but due to the closure of schools as a COVID-19 protocol, have remained home during the pandemic.

Various activities conducted through this initiative is listed in the Abhivriddhi Booklet.

Title: National Science Day-2021

Date: 1st March 2021

Time: 11.00 AM to 2.00 PM

Venue: Govt. Higher Primary School, Marenahalli

Faculty Coordinators: Dr. P Shivananda, Mr. Raveesh J, Mr. Suresh B, Mr. Amaranatha GA, Mr. Sreenatha M, Ms. Nandini D N, Mr. Pradeep Kumar B K, Mrs. Nikitha Moodi

School of Civil Engineering, REVA UNIVERSITY adopted a Government Higher Primary School, Marenahalli, Bengaluru under Government school adoption program (REVA ABHIVRIDDI).

As part of REVA ABHIVRIDDI program, School of Civil Engineering, REVA University organized "National Science Day-2021" celebration at Marenahalli on 1st March- 2021 between 11.00 AM to 2.00 PM under theme of 'Science of today is the technology of tomorrow'. February 28 was designated as National Science Day (NSD) by Government of India in 1987. This day is celebrated to remember the great invention by the Indian Physicist C.V.Raman who discovered 'Raman's Effect'. Students and Teachers of Government Higher primary school, Marenahalli, Faculties of Civil Engineering, REVA University and student volunteer's held assembly to mark this occasion. The day began with Introduction of our Scientist Dr. C.V. Raman by Dr.P.Shivananda Professor, REVA University followed by various activities. Students from Std V to VIII participated in Quiz, and clay model making competitions.

It was indeed a very knowledgeable day in which the main motive was to spread a message about the importance of Science used in the daily life of the people.

The prizes were awarded to the winners of the competitions and the chocolates and Pens were distributed to all the other participants as well as the audience of the event.

List of students participated in Quiz and Clay modelling:

1. Quiz: All the students were participated in quiz activities. Prizes were distributed to top scorer.

2. Clay Modeling: Yamuna, Pavan.S, Pavan.P, Santhosh, Manish, Lakshminarayan shashtri, Kannan, Nikhil, Akash, Swpna, Bhagyasri.

Winners of Clay modelling:

1 st Prize: Yamuna

II nd Prize: Pavan S

IIIrd Prize: Swapna

Report on BLOOD DONATION CAMP

On 18th MARCH 2021

School: Mechanical Engineering and Civil Engineering

Venue: Sir M V Block and C V Raman Block

Date: 18/03/2021

Despite a huge population, the demand-supply gap for blood units persists in many healthcare facilities in the country. According to a 2012 report by the World Health Organization, only 9 million blood units are available annually, whereas the demand is 12 million units. Voluntary blood donation comprises about 70% of the blood demand, with the rest coming from replacement donors, whereas 62 nations in the world fulfill their blood demands through voluntary donations.

Due to the unprecedented Covid 19 situation, there is a huge demand of Blood in many Hospitals including Narayana Hrudayalaya.

In view of all the above reasons, A Blood donation camp was organized by **school of Mechanical and civil engineering** on **18/03/2021**. The Blood donation camp was organized in **association with Narayana Health city.**

The students and faculties Participated voluntarily in this cause and regarding this effective awareness campaign was created among students community well in advance, As a result **more than 950 units of Blood was collected.**

The founder of Narayana Hrudayalaya, **Dr Devi Shetty** applauded the work of REVA University for the social concern and support given to Blood donation camps from many years. His motivational video to encourage Blood donation during this time of Covid 19 Pandemic was very well received from Faculty and students.

Along with the Blood donation camp, free ^{National Science da} **medical checkup** was conducted to all faculties on the next day i.e. 19/03/21, It included Sugar test, BP test, BMI, Hemoglobin test, and ECG test. And EYE CHECK UP. More than 125 staff members made use of the facility.

The arrangement for all the above activities was done systematically and the volunteers served their best to conduct the program with social distance and Covid 19 norms. The huge turnout was

due to the effective communication carried on by our volunteer student groups in all classes and digital awareness campaign in social media.

We would like to thank our beloved Chancellor, Dr. P. Shyama Raju for providing all facilities and support to conduct this program. Also, we thank VC sir and Registrar sir for their continuous support.

We also thank our Director, School of Civil Engineering, Dr. Y. Ramalinga Reddy and Asst Director, Prof. Rajashekar S.L, for their constant support and always motivating us to organize such events in School of Civil Engineering.

We also thank all the faculty members of our school and Students for their active participation

Note:

The data base of all 950 donors is prepared and segregated according to their blood group. It includes name, mobile number and Blood group of the donors (Excel sheet is attached along with this report).The data is stored for the future use of needy People.The data base includes the following blood group

Faculty accompanied: Raghunandan K.
Activity : **World Water Day - Proposed activity of Jal Shakthi Abhiyan under EBSB**
Place of Activity : Government Higher Primary School, Marenahalli
Audience : School Children, Government Higher Primary School, MarenaHally, Bengaluru

We are glad to inform that School of Civil Engineering, REVA had delivered a talk on ‘**Rain Water Harvesting & Water Conservation**’ as per the campaign under **Ministry of Jal Shakti to highlight the objectives of World Water Day on 23rd March, 2021** at Government Higher Primary School, Marenahalli.

As part of the World Water Day as per the campaign of Jal Shakthi with activity of Rainwater Harvesting and Water conservation, a talk was delivered to students of ‘Rain Water Harvesting’ Practices and Water Conservation Techniques. In the talk, the various Rain Water Harvesting methods applicable to school such as Roof Top Rain Water Harvesting procedure was explained & the practices to be adopted for water conservation like reduction use of water for daily life activities were explained

During the talk, the students were asked to rise slogan like ‘**If we save water today, Water will save us tomorrow**’ & ‘**Running water to be made to walk and walking water to crawl**’.

I would like to thank our Director Dr. Y Ramalinga Reddy and Assistant Director Prof. Rajashekar S L for their immense support.

I would like to extend our thanks to the school staff of Marena hally for their support.

I sincerely thank Management, REVA University for the initiative for **World Water Day - Proposed activity of Jal Shakthi Abhiyan under EBSB**.

**Awareness campaign and Cleanliness drive of Non-Biodegradable wastes at
Lalbagh Botanical Garden**

School: School of Applied Sciences

Venue: Lalbagh Botanical Garden, Bangalore

Date: 2/10/2020

Year: 2020

On the occasion of Gandhi Jayanthi, the School of Applied Sciences and RISM MBA, REVA University organized Awareness Campaign and Cleanliness drive of Non-Biodegradable wastes at Lalbagh Botanical garden. Post the overwhelming response for Jagruti towards Voting Rights, the Chancellor of REVA University, Dr. P. Shyama Raju initiated Jagruti towards Global warming this year. The drive was flagged off by Dr. P. Shyama Raju and Mr. Chandrashekar, Deputy Director of Horticulture, Bengaluru. Around 600 volunteers comprising of students and staff of the university took part actively in the collection and disposal of Non-Biodegradable wastes within Lalbagh premises. As a part of the campaign, a survey on CO2 levels in and around Lalbagh was carried out by the students of Biochemistry. The causes and prevention of Global warming were depicted through a flash mob near the main gate. As a part of the campaign, the experts from the Wildlife Conservation Society enacted a street play on “Snake Bite: Survival Guide”. This drive is one of the many forthcoming events planned by the University.

Students and faculty members actively participated in the waste segregation program. The flash mob performed by the students made the event more meaningful. 100 participants worked with enthusiasm in the program.

No of Students: **18**

We are glad to inform you that School of Architecture, REVA University has adopted GOVERNMENT HIGH SCHOOL JALIGE. As part of the adoption drive, and marking the occasion of Founder's Day 2021 we conducted a drawing competition for all the students in JALIGE.

The activities included drawing competition, providing awareness about COVID-19, Mask and sanitizer distribution, talk on environment, health, cleanliness and management.

Students from 1st standard to 7th standard were part of this competition and instructed to draw & color the drawing sheets with the support of our 1st semester students. The students experienced the pleasure of teaching and making the exercise interesting for kids. Our students distributed the Art materials like Color Pencils, Paint box, Drawing Sheets for all the students. The students enabled them to understand the importance of material and they also benefited with creative thinking and imaginations.

A total of 21 students from 1st to 7th standard were part of this program.

The students were very happy being a part of this program and were having fun with learning. The competition entries will be reviewed and prizes will be awarded to encourage their creativity on Jan 6th 2021.

We are glad to inform you that School of Architecture, REVA University has adopted GOVERNMENT HIGH SCHOOL JALIGE. As part of the adoption drive, we have planned an activity at our adopted school JALIGE on 26/02/2021 that is on Friday and below is the brief of the activity.

Students of first semester, School of Architecture, REVA University as part of Basic Design and Visual Arts studio are to carry out a video exercise involving the eight prominent principles of design, namely Balance, Proportion & scale, Rhythm, Emphasis, Harmony, Unity, Variety and Contrast. They are to illustrate these principles in the form of video presentation in collaboration with students from Jalige school as part of Abhivruddhi initiative. This activity would help our students bond with the students at Jalige and could go a long way in establishing a peer bond amongst them.

Our students will demonstrate the skills of videography and making of video montages using cell phones. This will also help us identify students who have a knack for learning videography and film making in the process. The activity will not only help them learn a new

skill, but also focus on one of the many virtues of technology against the cons. This exercise will also strengthen the mentorship initiative to be taken up by our first semester students. As a part of Mathematic learning activity our students guided the kids in making the 3D model of the Geometrical shapes such as Triangle, Cube, Rectangle, Cylinder, Pentagon etc.

REVA students, were also a part of clean drive program conducted from the GRAMA PANCHAYAT to create an awareness about cleanliness of the environment and surroundings by performing STREET PLAY and SINGING by our students in the streets of the village.

And also to enrich, spread and uplift our Indian culture we made an attempt of teaching CLASSICAL MUSIC as a part of academic learning for the students.

Students were very excited and benefited by all the activities conducted.

Students from 1st standard to 7th standard were part of this activity with the support of our 1st semester students. The students experienced the pleasure of teaching and making the exercise interesting for kids.

A total of 20 students from 1st to 7th standard were part of this program.

A total of 30 students from 1st semester B.Arch. participated in the community outreach program and they were accompanied by 4 faculty Dr.Anupama. R M, Er. Nagaraja S, Ar. Divya Hemantha Raj, Ar. Mahima Jadadeesh.

I would like to thank our Director in charge Prof. Vidya Srikanth for her immense support.
