Esteemed Chancellor,

Sub: Development of government schools adopted by REVA University

I am pleased to convey greetings and best wishes on behalf of Government of Karnataka.

The report on the development work of government schools undertaken by your university has been received by this office. Thank you for your prompt response.

Regarding the quality of development work in the adopted government schools, I should say that the quality and the range of services covered are of very high quality, worthy of emulation by other HEIs. The quality of the report also reflects the sincerity, involvement and dedication by your team. On behalf of the government of Karnataka,

In recognition of the excellent work done, REVA University would be listed under 'STAR PERFORMERS' category in the Directory; plans are afoot to honor them in an official meeting with Hon'ble CM in chair.

I thank your esteemed self, the Vice Chancellor Dr. Dhanamjaya, Director Dr. Kiran kumari and the entire team for completing the work in a befitting manner and commensurate with the brand name of your university.

I request you to kindly take continued interest in the development of the school as an institutional mentor and a Knowledge partner to leverage the quality of academic services of the schools.

I once again thank you for joining hands with the government in its efforts to reimagine school education in Karnataka.

With best regards,
