Operational Guidelines for Self Financing Units (SFUs) of NSS

1. NSS: An Introduction:

- 1.1 **Background:** The National Service Scheme (NSS), a voluntary and value-based student youth programme, is one of the major youth schemes being operated in the Ministry of Youth Affairs & Sports. The Scheme was launched with the primary objective of developing the personality and character of the student youth through voluntary community service. It was launched on 24th September 1969, during the birth centenary celebration of Mahatma Gandhi, in 37 universities involving 40,000 students. NSS currently (2012-13) has about 32.50 lakh volunteers on its rolls spread over 299 Universities, 16,885 Colleges/ Technical Institutions and 10,762 Senior Secondary Schools. So far, over 4 crore students have benefitted from this largest student-volunteership programme in the world.
- 1.2 **Aims & Objectives:** The aims and objectives of the NSS are: (i) to render service to the community while studying in an educational institution; (ii) to arouse the social conscience among students; (iii) to provide them with an opportunity to work creatively and constructively with the community around the educational campus; and (iv) to put the education they receive to concrete social use; and specifically, (i) to work with and among the people; (ii) to engage in creative and constructive social action; (iii) to enhance knowledge of oneself and the community through a face-to-face with reality; (iv) to use the knowledge gained in the classroom in a practical way for mitigating at least some of the social problems; and (v) to gain skills in programme development to be able to be self-employed. The goals are to achieve improvement in personality, leadership qualities, national outlook and a sense of civic responsibility.
- 1.3 **Motto:** The motto of the NSS is 'NOT ME BUT YOU'. This expresses the essence of democratic living and upholds the need to appreciate the other person's point of view first and to show consideration for fellow human beings. It also underlines that the welfare of the individual is ultimately dependent on the welfare of Society as a whole. NSS attempts to establish meaningful linkages between "Campus and Community", "College and Village" and "Knowledge and Action".
