TUTORIAL ROOMS: At REVA, tutorial rooms are designed as smaller groups or classes that are led by a faculty or graduate student to assist peer learning. Tutorials play a vital role in student's academics and assist in the following ways:

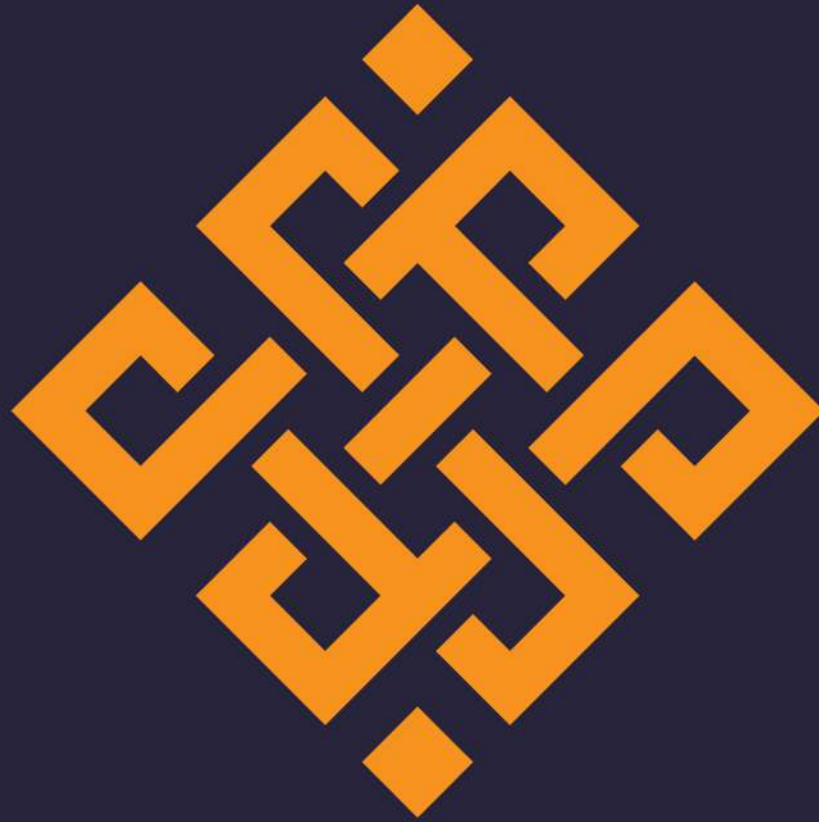

- ❖ Work through exercises, discussion topics, and concepts that will enhance understanding of the lecture material.
- ❖ Solve problems in a team, develop your group skills, and get to know your peers better (which may come in handy when picking group members for group projects)
- ❖ Prepare for and/or review Internals and semester end exams.
- ❖ Practice presentations (public speaking)
- ❖ Learn to respectfully present counterarguments and cope with conflict/constructive criticism

CONFERENCE ROOM

A conference room with state-of-the-art audio & visual equipment and appropriate furnishings creates an atmosphere of welcome for guests/Researchers/Academicians and allows them to relax and place their ideas and thoughts with confidence. From video conferencing to in-person meetings, guests are almost always in the conference room, and having a professional conference room is much more welcoming toward guests and leaves a lasting impression of professionalism and warmth. Fully Furnished, I.T.-Enabled Conference Rooms
