GENERAL CAMPUS FACILITIES AND OVERALL AMBIENCE

The student life at REVA is colorful, vibrant, and packed with activities to make the campus days memorable. With rich biodiversity, study lawns, and open-air theatre to enrich your learning experience, a student's journey at REVA is unique in every way.

REVA has many studios and galleries to showcase students' interaction with study material and enhance their skills and interests. REVA Beats is an exclusive music room, to sharpen students' diverse talent in music, with a mix of contemporary and classical set up, and a soundproof venue.

The Architecture Studio-Gallery situated in the 'School of Architecture has students' works, exhibiting their contact with different elements and the resulting artwork. Apart from this, there are laboratories in each school, like science, technology, and language.

Our University provides counselling services within the campus. Counsellors offer talk-based therapy, which is a process of talking about and working through your personal problems with a counsellor. The counsellor helps you to address your problems in a positive way by helping you to clarify the issues, explore options, develop strategies and increase self-awareness.

REVA University offers a unique learning environment which gives the students the best of modern pedagogy coupled with traditional pedagogy. The Gazebos at the campus are used generously by Schools to ensure there is open space for learning apart from the teacher-learner 'compatibility in outdoor learning.

The gazebos that have been set up with great thought and focus for students at the University campus blend outdoor learning, aligned with the Gurukul system of learning of our ancient past apart from offering an experiential learning experience. This enables the learner to be ahead of others in this competitive world. The gazebos are extensively used for one-to-one learning and teacher interface in a positive learning environment by selective faculty for selective courses.

Schools of Performing Arts, Humanities, and Architecture are the major benefactors of the Gazebo learning space. The perfect landscape and soft cape lend the right ambience for learning outdoors for the students.

REVA believes that the students apart from their in-depth subject knowledge, need to upkeep themselves with a variety of skills coupled with team spirit and leadership qualities. It promotes various kinds of activities apart from classroom lectures and lab practices. REVA has an adequate number of auditoriums and seminar halls to facilitate such curricular and co-curricular activities.

We know labs are the soul when it comes to experiments & research-based engineering studies. Laboratory experiences not just provide hands-on learning, but also enhance students' understanding of specific scientific facts and concepts.

Every attempt is made by the institution to ensure that all students find REVA a very lively, fun-filled and resourceful community to enrich their erudite years. Some of the major general campus facilities that are available and aid in providing a good ambience for an enjoyable learning experience at REVA are listed below.

- ❖ Self-sufficient campus with all amenities
- ❖ Sufficient number of hostel blocks for male and female students
- ❖ Variety of non-vegetarian and vegetarian vendors of different cuisine cater to various hostels
- ❖ Laundry services and salon for all hostel students
- ❖ Food court and fast food centers in the vicinity of each academic block provide easy access to food and refreshments Photocopying facility in all academic blocks
- ❖ Well established Wi-Fi connectivity in the campus for easy access to academic and research needs
- ❖ Closed circuit TV cameras for ensuring students' safety
- ❖ 24x7 male and female security personnel at all vital points
