Usage of Central Library

The following methodology has been followed to capture the footfall in the Central Library:

- Physical capture through the entry register and signatures entered in the library.
- Browsing history and data captured in the physical register placed in the browsing centre.
- Subscription to E-resources and the online data usage as captured (Monthly reports generated by the publishers)
- Tally at the end of each month When MIS consolidated the data. Average taken after dividing this number by the number of teacher and students.

Formula:

$$\frac{\text{Number of teachers and students using library per day}}{\text{Total number of teachers and students}} \times 100$$
