REVA MEDIA CENTRE

REVA Media Centre is one of the key components of REVA University, which serves as the creative platform not just to the students of media studies but to the entire university at large. It has the state-of-the-art infrastructure with soundproof rooms and equipped with multicamera production facilities, a teleprompter, light units, recording equipment and editing suite. The University ensures high quality licensed software's for the quality functioning of the centre. The centre is not just limited to video production but also encompasses upon photography. Training in photography includes product photography, landscape/ nature photography, photoshoots and photo exhibitions also. The media centre has four prominent sections such as a studio, production control room, voice booth and a multimedia lab to train the students in creative productions thereby develop industry skills. The in-house productions such as webinars, advertisements, live events, promotions, short films, musical albums, documentaries are produced in the media centre. The media centre was open 24x7 to fulfil all the requirements of the university during the Covid-19 lockdown.
