## Circular

This is to inform all PG students of School of Allied Health Sciences, Department of Biochemistry is conducting value added program for CSIR/UGC-JRF/ NET aspirants of M.Sc. Biochemistry Students from January – February 2018. The programme will be focused on CSIR-syllabus oriented class and doubt clarification, which will be delivered by resource person Dr. Ramesh Kumar Kushwaha. We request interested students to make use of the expert talk. Kindly register as early as possible with Event coordinators.

**REPORT**

Department of Biochemistry, REVA University, Bangalore, organized expert webinar entitled

"Talk - Applied Biology for CSIR/ NET/ SET/GATE"

on 17th May 2018 from 10.00 AM to 12.00 PM

**Resource Persons:**

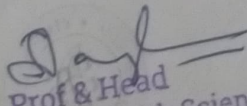

Dr. Venkata LP, Postdoctoral fellow, UOM, Bangalore

**Organizers:**

Dr. Jayashree S  
REVA University  
BANGALURU

The talk by Dr. Venkata LP, includes the Research work on Applied Biology based on the following concepts

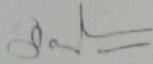

- Partial use of biology in all applied sciences
- Mathematical applications use in applied biology
- Example of applied biology
- Standard deviation across sciences
- Methods to find the best estimate of overlapping of applied biology

  
Prof & Head  
School of Allied Health Sciences  
REVA University  
Rukmini Knowledge Park, Kattigenahalli  
Yelahanka, Bengaluru - 560064

At the end of the talk, speaker answered for many questions raised by students and faculties

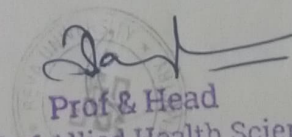

The lecture was attended by all 2<sup>nd</sup> and 4 semester students, research scholars and faculty of **Biochemistry** REVA University and in & around Bangalore. A total of 23 participants attended the event.

We would like to thank our Coordinator Dr. Jayashree S for cooperating to organize the event. We also thank our beloved Director, School of Applied Sciences, **Dr. Beena G.** for encouragement towards academic activities of the school.

## Activity Report

Date: January +  
February 2018

### 1. Title of the Activity:

Fast Learners- CSIR Coaching Classes/ Competitive exams

### 2. Objective of the Activity:

- a. To train the students on competitive examinations

### 3. Description of the Activity:

Exams like CSIR, GATE, NET, ICMR etc will be trained to students for taking research as career and motivate students in science stream

### 4. Outcome of the Activity:

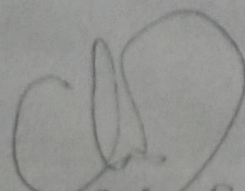

- a. Students can be able to answer MCQ questions and tech strong enough to face competitive exams

### 5. Feed back from students/Faculties:

- a. Classes conducted helped a lot to prepare for exams
- b. We require much more training like this

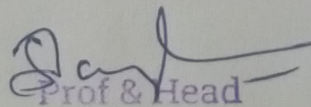

### 6. Photos/Videos/Attendance report( with signature):

## REPORT

Department of Biochemistry, REVA University, Bangalore, organized expert webinar entitled

"Talk – Cell Communicaitons and Signalling for CSIR/ NET/ SET/GATE"

on 21<sup>st</sup> June 2020 from 11.00 AM to 1:00 PM

### Resource Persons:

**Dr. Girish KS, Professor of Biochemistry, Tumkur University.**

### Organizers:

Dr. Jayashree S  
REVA University  
BENGALURU

The talk by **Dr. Girish KS** includes the Research work on Cell Communication and signaling based on the following concepts

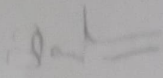

- Introduction to cell communication
- Modes of cell communications
- Use of signaling in cell communication for survival
- Development of cell communications and signalling

At the end of the talk, speaker answered for many questions raised by students and faculties

Prof & Head  
School of Allied Health Sciences  
REVA University  
Rukmini Knowledge Park, Kattigenahalli  
Yelahanka, Bengaluru - 560064

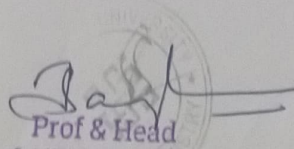

The lecture was attended by all 2<sup>nd</sup> and 4 semester students, research scholars and faculty of **Biochemistry** REVA University and in & around Bangalore. A total of 26 participants attended the event.

We would like to thank our Coordinator Dr. Jayashree S for cooperating to organize the event. We also thank our beloved Director, School of Applied Sciences, **Dr. Beena G.** for encouragement towards academic activities of the school.
