**REPORT**

**Venue:** Department of Biotechnology, SoAS Building, 2<sup>nd</sup> Floor

**Date:** 10/09/2018

Department of Biotechnology, REVA University, Bangalore, organized a special class for CSIR-NET/LS as an inaugural address for the coaching classes starting from September 2018-May 2019 in the weekends to train postgraduate students for CSIR (Council of Scientific and Industrial Research) and equivalent exams for pursuing higher studies. The resource person for the special class was **Dr. Jyoti Bala**, Chief Research Advisor at **WREP-India**, New Delhi, India. 52 students of MSc Biotechnology attended the session.

Dr. Bala shared the present requirements for cracking competitive examinations in the field of Life Sciences and how one should be ready to meet those requirements. She spoke about the applications in the field of biological sciences based on which questions are framed for competitive examinations. Dr. Bala interacted with almost all students in a one-to-one basis trying to inculcate the competitive aptitude in them. She also mentioned that during preparation for the national level exams as per the syllabus of CSIR, the students will be covering the University curriculum as well. The overall session was interactive in terms of the involvement both from the resource person as well as participants.
