Expert talk – Jamboree

Jamboree is the oldest institute in India and the best of its kind, which offers comprehensive classroom preparation programs for tests such as GMAT®, GRE®, SAT®, TOEFL™ and IELTS™. Jamboree has 35 Centres, 22 Cities 4 Countries including UAE, Singapore and Kathmandu. Each center follows a uniform curriculum and has outstanding faculty, all of whom are trained at our head office. Each center offers the same teaching standards and syllabus.

At Jamboree, the most trusted name in India for education abroad, we help you give shape to your career and dreams. Founded in 1993, Jamboree attempted to fill the information gap on education abroad. Back then, the only information available on education abroad was through friends and family living or studying abroad. Thus, only a small percentage of interested students had access to information. Jamboree attempted to fill this information gap. Now when we in 'Team Jamboree' reflect on the past few years, we see thousands of our students on the thresholds of careers that would not have been possible without the right guidance at the right time.

Jamboree, known for its thorough research and professionalism, is a one-stop shop for education abroad. Jamboree makes the entire process of studying abroad, from preparing to joining a foreign university, a smooth process. In recent years, the inclusion of several value-added services such as discounted couriers, educational loans, and pre-departure orientation has made Jamboree Education a one-stop solution center for all your study abroad requirements.
