“Career Development”

The School of Arts and Humanities, Reva University organised a career development session on 4th oct 2019 for students of BA and MA Students. This session was held by Digital Web innovation team, Bangalore. In this session the team gave an in depth understanding of the career opportunities that can be found in the field of digital media marketing. The students were guided through the various roles held with in the field. How the structure is at a Digital marketing industry. The representative gave an in depth talk regarding the growth various opportunities found when working in the field, what is expected from an individual and how to work in teams to deliver best results to the clients. How being text savvy is of crucial importance. Students enquired in detail regarding issues and challenges faced when working while working for digital marketing. Over all students got to understand the rigorous work put into the field and how to grow both personally while contributing to the company goals.
