**CIRCULAR**

07-01-2020

Department of Chemistry, School of Applied Sciences, REVA University, Bangalore is organizing CSIR-Training Programme **on 11-01-2020** for MSc Chemistry 2<sup>nd</sup> and 4<sup>th</sup> semester students **Dr.Junjappa Seminar Hall, 1<sup>st</sup> Floor, Science block, RISM.**

**Resource Person:**

**Dr. Venkatesh M A**

Postdoctoral fellow NCBS Bangalore,  
Founder and instructor of CSIR/NET/SET/GATE Coaching center for chemical sciences

Note: All PG Students (2<sup>nd</sup> and 4<sup>th</sup> semester) & Faculty can attend the lecture.

**Report on CSIR-Training Programme For M.Sc Chemistry students**

Dear All,

The School of Applied Sciences, Department of Chemistry organized CSIR-Training Programme **on 11-01-2020** for MSc Chemistry 2<sup>nd</sup> and 4<sup>th</sup>-semester students.

Speaker: Dr.Venkatesh, NCBS Bangalore

The event began with introducing the speaker by Dr. Nagendra Department of Chemistry Reva University

Dr.Venkatesh has qualified more than 3 times CSIR-JRF, KSET and GATE exams.

Dr.Venkatesh is running CSIR coaching center: Chem-Forum located, in Basaveswara Nagar Bangalore for the past 8 years. He is having more than 12 years of research experience with good publications.

Dr.Venkatesh spent the whole day in the School of Applied Sciences, Department of Chemistry with continuous interaction with students, explains the methodology to prepare for CSIR examination and discussed the blow-up, selection criteria, Examination pattern. He explained solving Chemistry problems in the Examination by taking 50 sample questions and discussed the background information required to choose MCQ. He interacted with students and clarify all the doubts rise by the students.

In the afternoon session, he delivered a talk on molecular spectroscopy, symmetry operations, and NMR following problems associated with bove topics.

At the end of the event, we have received very good feedback from the students. Many students have asked to conduct the CSIR coaching classes in the Department of Chemistry. Finally, We concluded the event by a vote of thanks by Dr. Nagendra and presented a memento as token of appreciation to Dr.Venkatesh

We thank Dr.Venkatesh for motivating our students to qualify for the CSIR exam, sharing valuable information and delivering lecture on molecular spectroscopy, symmetry operation, and NMR.

We would like to thank our beloved Chancellor Dr. P. Shyama Raju sir, Vice-Chancellor Dr. S. Y. Kulkarni sir, Registrar Dr.Dhanamjaya sir, Director SoASDr.Beena G for their continued support and encouragement.

We also thank our coordinator Dr.Madhusudana Reddy M B for organizing this event.
