05	11/12/2021	4:30 pm-6:30 pm
06	18/12/2021	4:30 pm-6:30 pm

The Dept of biotechnology, School of Applied Sciences has conducted coaching sessions for the student who wants to clear CSIR-NET entrance exam conducted by Council for Scientific and Industrial Research, New Delhi. Students who clear this entrance exam are eligible to get 5 year scholarship for carrying out research work at the premier research organization across India. We organized an inauguration talk by Dr. Debashish Kar on 26/07/2021, who has penned multiple books on CSIR-NET, DBT-JRF entrance exam key books. Dr. Kar gave an extensive talk on research opportunities and scholarships available for the students.

Students were given intense training on the key subjects and topics listed in the syllabus of this NET exam. Along with this, students have been shared with the previous years question papers to get a view of depth of questions asked in this entrance exam. In addition to this, students are being trained to solve previous year questions.
