

BRIEF REPORT ON PARTICIPATION IN INDIAN RAILWAY STATION DESIGN COMPETITION, DECEMBER 2017

The Indian Railways invited both consultants as well as students to participate in an International Design Competition for selection of schemes for Redevelopment of three existing stations:

1. Nagpur Station, Nagpur city, Maharashtra
2. Gwalior Station, Gwalior City, Madhya Pradesh
3. Baiyappanhalli Station, Bengaluru, Karnataka

The competition sought ideas to revitalize railway stations and its precincts by improving amenities and exploring options for property development. The intervention was expected to create examples for financially viable projects.

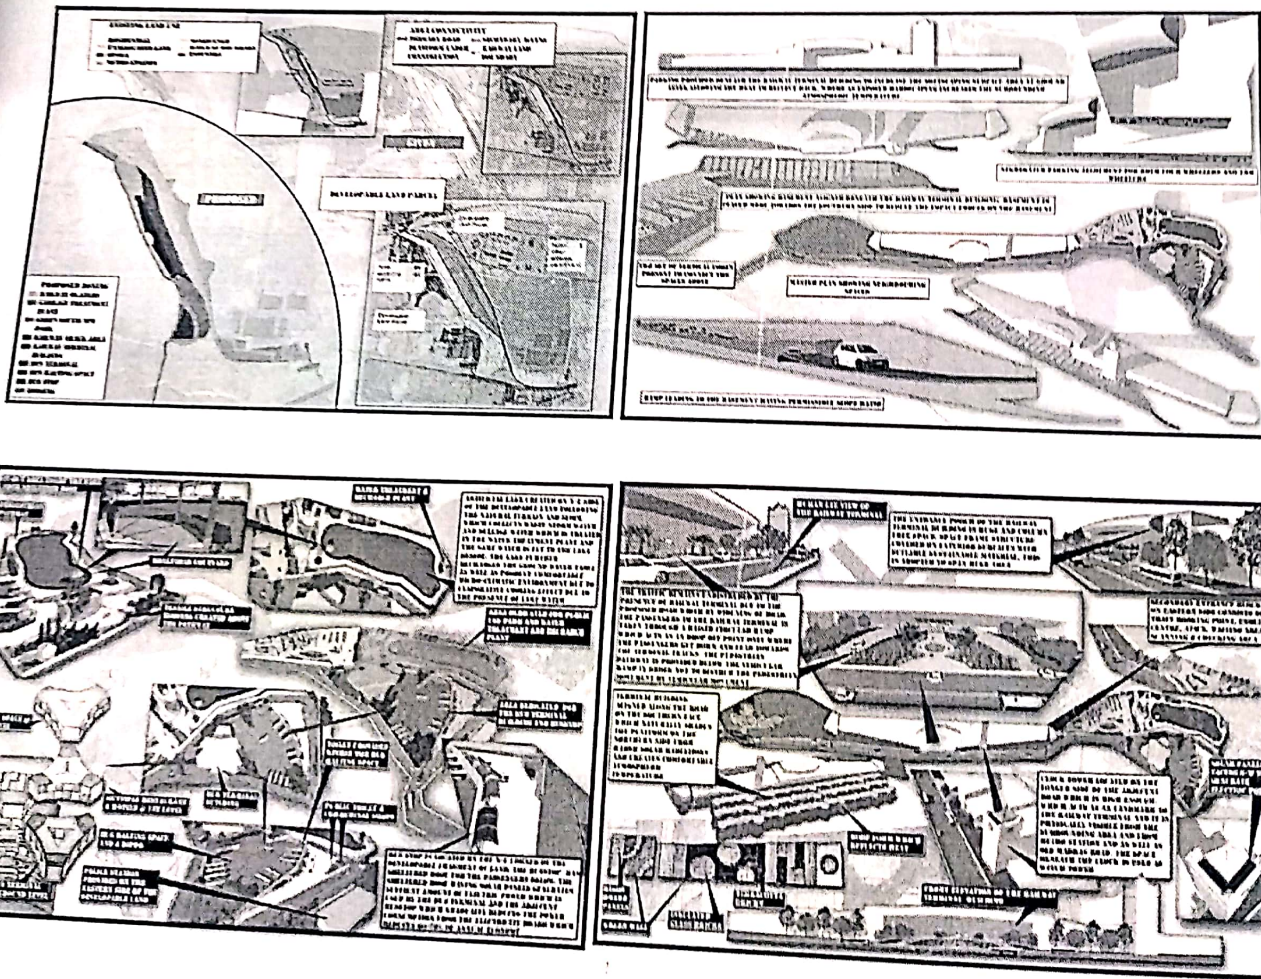

Participants: Students of 1st semester: Asha, Reshma, Prerana Vasisht, Aslf.

Students of 3rd semester: Likitha, Keerthana, Vijay.
