Grand Alumni Meet-2018

January 26th 2018

Dear All,

The university has a good practice of conducting the Grand Alumni Meet, once in a year to welcome the alumni back to campus and have an interaction with them. In this regard, it was planned by the Alumni Association to conduct the event on Friday, January 26th 2018 and the same was approved by university.

All the schools have invited their alumni to the meet, through social media, mail and telephonic calls. The response was good and around 500 alumni turned up to the meet and they interacted with their faculty and friends.

A formal event to showcase the efforts of Alumni Association in building REVA University was organized. The Association felicitated Mr. Vinay C M, alumnus of REVA I TM for his achievement in the field of music. Mr. Vinay shared his good memories of REVA and also motivated others in reaching better heights in their future career.

The University officials respected Vice Chancellor, Registrar, Dean and Principals have addressed the alumni and blessed them for their future endeavors.

The blessings and good wishes of Hon'ble Chancellor Sir was conveyed to the gathering and finally the event concluded with entertainment from alumni.

With Regards

School of Computer Science and Applications
GRAND ALUMNI DAY- 2018

Name of School: School of Computer science and Applications

Date: 26th January 2018

Time: 3.30 to 5.00 pm

Interaction of Alumni with Director and Faculty Members of the School

The Director of the school Dr. Senthil Sir, initiated the discussion with the Alumni, and the inputs from the various Alumni are listed below.

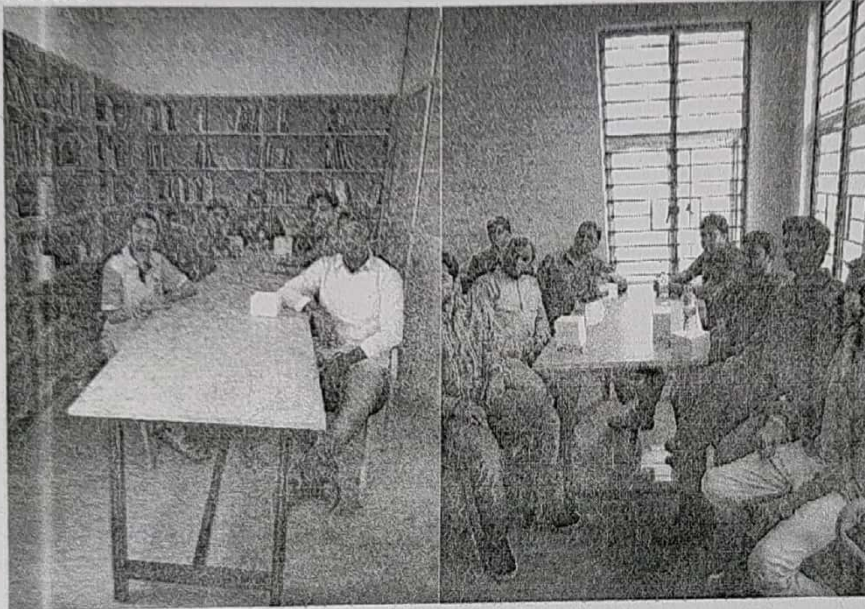

1. Subhashree Sahu – Batch-2014 Company: Prakyath Applications.
 - Project based learning in every semester.
 - PHP, JavaScript is to be made mandatory as 80% of the market is excepting this skillset.
 - PYTHON – Has to be the Hardcore which is used for analytics and artificial intelligence.
 - Angular JS and Node JS.
 - REACT.Net suggested as elective.
2. Amatyia (Batch-2014, Company- Consuent)
 - C, C++ to be mandatory.
 - WCF, entity framework.
3. Alok
 - Networks and Practical sessions on Networks.
 - ITL course suggested.
4. Wasim
 - Certification on AWS, ITL, MIS.
 - People with certifications have better opportunities
 - Azure and cloud computing courses suggested
 - Automation is in boom, and suggested Machine learning course, AI
 - Emphasized on certifications.
 - Individual Projects are suggested
5. Manjunath(Batch-2014, Company –PeopleWorks)
 - Testing is equally important as Development
 - Talked about JIO Attendance App using which Employer's Whereabouts is tracked
 - Advised the testing tools like selenium, QC, Load Runner, QTP
6. Manikanta
 - Virtualization, DBA, CCNA Certification, Storage, Cloud
 - Containerization, Docker Tool, IoT, Python, RPA

Dr. S. Senthil Sir, Director, School of CS &A, suggested that the Alumni should visit the University and interact with the students and share their experiences regarding the job hunt,

what may be the expectations from the companies from the applicants, and give the exposure to the students regarding the alumni hands-on experience, the domain and importance of certifications.

Prof. Lokesh C.K, Deputy Director of School of CS & A, suggested it is appreciable if the alumni address the undergraduate and post graduate students and share their experiences so that the students get benefited by the alumni experiences.

Grand Alumni Meet-2020

January 26th 2020

REVA University in Association with REVA Alumni Association (RAA), has organized the Alumni meet on 26th January 2020. The inaugural function was held in Kuvempu auditorium at 11.30 AM. The Alumni meet is conducted on 26th January every year, in order to reconnect with the alumni and celebrate their success and achievements.

The event started with formal registration of the alumni at 9:30 A.M. All Alumni were greeted in person with a memento. Alumni from each school had a fair and informative discussion with all school faculty. All the schools have invited their alumni to the meet, through social media, mail and telephonic calls. The response was fairly good and around 750 alumni turned up to the meet.

The Inauguration Ceremony started at 11:30 A.M with lighting the lamp by Honb'le Chancellor and all dignitaries on the dais. RAA had collected Achievers list from all the schools and finalized with 6 Achievers from different schools. Those achievers are Mr.Rajesh, Mr.Yasha, Mr.Ankith, Ms.Deepashree Naidu, Ms.Suneetha and Ms.Aishwarya R. All 6 achievers were felicitated by Hon'le chancellor. One of the Achiever, Mr. Rajesh shared his good memories of REVA and also motivated others in reaching better heights in their Career. Mr.Srinidhi S U, Secretary, RAA welcomed the gathering, Dr S N Prasad, Special Officer & Professor(ECE) briefed about the report on alumni activities. The blessings and good wishes of Hon'ble Chancellor Sir was conveyed to the gathering and Registrar sir Dr.Dhananjaya thanked all alumni and dignitaries. Finally the event concluded with Cultural program from School of Performing Arts.

Virtual Alumni Meet-2022

School of EEE in association with Alumni Cell organized a Virtual Alumni Meet for the UG and PG graduates of 2019,2020 &2021. The aim of the event was to address the alumni and involve them in CSR activities of the University

Report

As per the tradition of the University and the practice of the school, the event started with an invocation by Ms. Achala Rao. The Deputy director, Dr. Raghu C N gave a gist on the milestones achieved by the University and various activities at the school and extended the platform for the students to join hands with the school in curriculum activities.

Dr. Dhanamjaya, Vice Chancellor, REVA University sent wishes for the students as follows:

Dear Friends,

Good evening. I am sure that you are all doing well in your respective walks of life. With your support and best wishes, REVA has been doing well and growing to greater heights. Still, we strongly feel that, with your continued interaction and support, we can still do better. Please do visit the University on regular basis and share your thoughts. Try to guide your juniors wherever possible. Let us join together and do better service to the society through the University. Wish you all the best and God bless you with bright future.

*With Regards,
Dhanamjaya*

Dr. Divakar B P, Dean, R&I, REVA University addressed the alumni with wishes and greetings, inviting them to visit the campus.

To align with the aim of this meeting, a brief report on CSR activities initiated by REVA University and the involvement of the school was presented by Prof. Hima Bindhu. After which the platform was open for interaction.

Mr. Rohit Sharma, a 2020 pass out thanked the school for including courses which molded him as a leader, and he is able to excel in his career with the knowledge that he gained at REVA

Ms. Shraddha, a 2019 pass out expressed her gratitude for including various softcore subjects related to Computer science which helped to get a role at Wipro Technologies.

Mr. Tanmay Dattani, a 2019 pass out, works as a senior associate at Amazon, US expressed that the soft skills and meditation classes included in their curriculum helped him a lot and suggested that it must be included for the upcoming batches

Ms. Indhushree, a 2019 pass out thanked the school for imparting knowledge and building her confidence to take up any task in her career. She works as senior associate at Lowe's services India Pvt. Ltd.

Mr. Nam Brahmachari a 100% pass out was very happy about the curriculum especially the core subjects and suggested that Switchgear and Protection and High Voltage Engineering must be included as core subjects for the benefit of students.

Ms. Sri Raja thanked the University for giving her opportunity to sing at all events of the school and she has also referred many to REVA.

The event had few performances from juniors dedicating to the alumni. -Mr. Ajay Sharma and Team gave a special number and Mr. Akshay Dilip Kumar gave a beat boxing performance.

The event concluded with a note of thanks to the alumni and faculty members for joining the session.

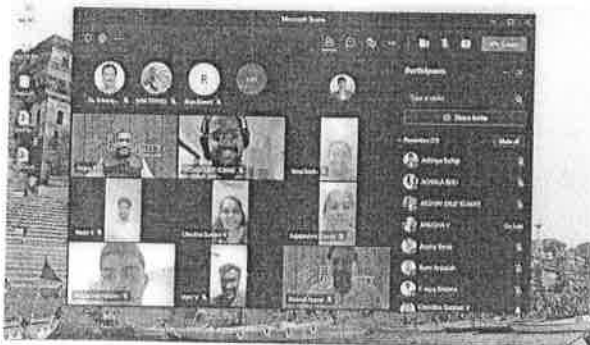

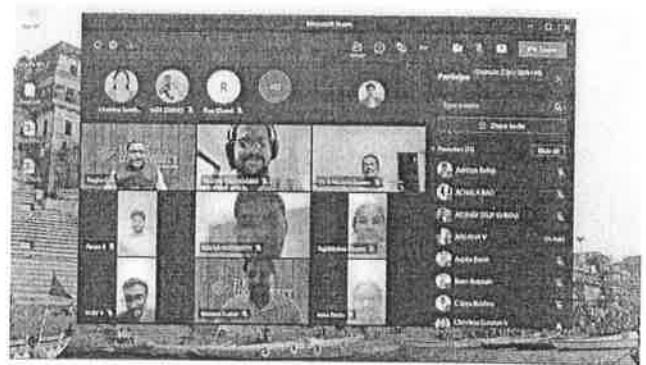

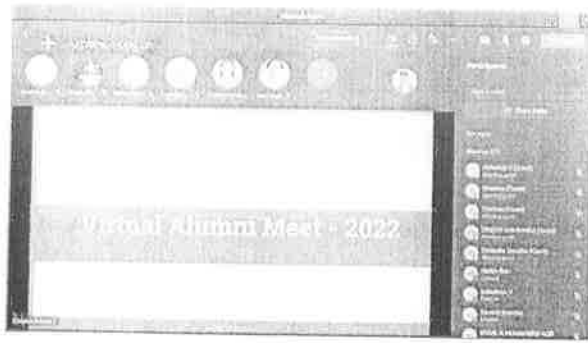

The event focused on:

- Strengthening Alumni Interaction and network.
- Orient alumni involvement in school activities
- Involve alumni in all CSR initiatives of the school

School of Computer Science & Engineering Alumni Meet (UG, PG & Ph.D.) - 2022

About the Event

School of Computer Science and Engineering in association with REVA Alumni Association, conducted a Alumni Meet-2022 on 12 February 2022 between 11:30am and 1:00pm.

Dr. Ashwin Kumar U M, Deputy Director, delivered the welcome speech and briefed about the achievements of School of CSE & University.

Dr. Sanjay Chitnis, Dean, Computer Science and Engineering, highlighted the importance of Alumni Meet and discussed the need for alumnus support to take our University into high. Requested all the participants to be part of all the future endeavor.

Dr. Sunil Kumar S Manvi, Dean, Shool of Engg. & Tech, REVA University, addressed the Alumnus and narrated about the plans scheduled by our school.

Dr. M. Prabhakar, elaborated the activities carried by our School of CSE such as Abhivrudhi, Vanamahothsava, and Education on Wheels with relevant photos and short videos. Requested all alumnus to contribute to those programs by all means financial, physical and moral.

Prof. Raghavendra Reddy delivered vote of thanks to all the participants.

Prof. Thanuja anchored the entire program.

Most of the alumnus expressed their emotions, shared their willingness and interacted with our faculty members.

The session was organized on virtual mode through MS Teams platform.

Organized By

Members – Alumni CSE Group, School of Computer Science & Engineering in association with REVA Alumni Association.

Coordinators	Members – Alumni Club, School of CSE.
Date	12.02.2021(11:30 am to 4:00 pm)
Targeted Audience	Alumnus of UG, PG & Ph.D., programs, School of CSE, REVA University.
Points discussed	Achievements of School of CSE Abhivrudhi program activities Education on Wheels Vanamahothsava Program

We would like to thank our Honorable Chancellor **Dr. P. Shyama Raju** for providing all facility and supporting to organize such events. We also thank Vice Chancellor **Dr. M. Dhanamjaya**, Registrar **Dr. N. Ramesh**. We would like to thank **Dr. Sanjay Chitnis**, Dean- School of Computer Science and Engineering, **Dr. Sunil Kumar S. Manvi**, Dean, School of Engg. & Tech., **Dr. Ashwin Kumar U. M**, Deputy Director - School of Computer Science and Engineering, for providing all the facilities, support and encouragement towards organizing the session.

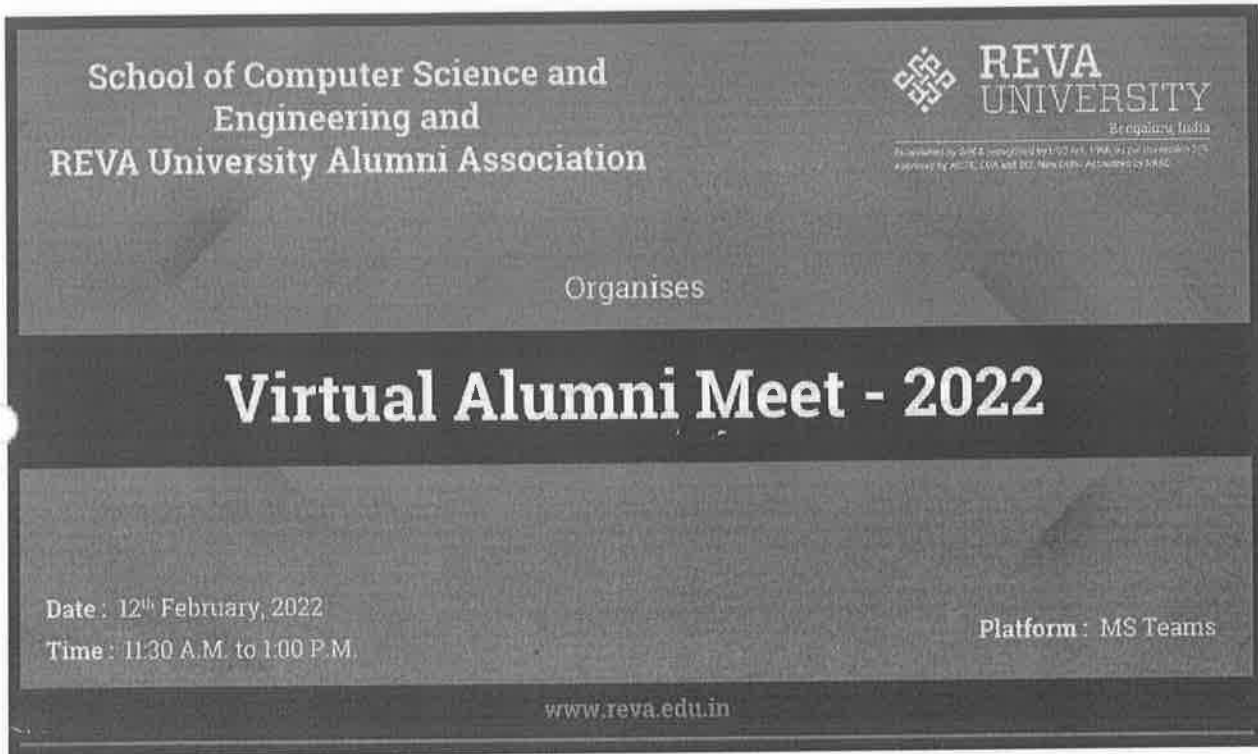

We thank the coordinators and all the staff members involved for the successful conduction of the session.

Program Schedule

11.30-11.35 AM	Welcome Address by Dr. Ashwinkumar U M
11.36-11.40 AM	Address by the Dean, School of CSE & CIT, Dr. Sanjay Chitnis
11.41-11.51 AM	Address by the Dean, Schools of engineering, Dr. Sunil Kumar S Manvi
11.51-12.01 PM	About the School Achievements (Vanamahostava, Abhiruddhi and Education on Wheels) - Dr. Venkatesh Prasad
12.01-12.05PM	Vote of thanks - Prof. Raghavendra Reddy
12:05PM onwards	Interaction with Alumnus

To
Alumni President/Secretary
REVA University

From
Dr. Sreekanth R
Alumni Coordinator
Department Of Chemistry
School of Applied Sciences
REVA University

Dear sir/Madam

Subject: Report on Alumni meeting conducted on 12.02.2022-reg.

I hereby would like submit a report on the alumni meeting conducted today from 10.00am – 11.45am. The meeting was conveyed and conducted by the alumni coordinator, with the support of all faculty members of chemistry department.

Attendees

1. HOD – Dr. Madhusudhan Reddy
1. Alumni coordinator – Dr. Sreekanth R
2. Department Faculty - 17
4. Alumni students - 89

Meeting Agenda

- Discussion on Fund rise towards Abhivridhi programme to help adopted government schools.
- Contribution of alumni towards admission and marketing.
- Involvement of alumni students in Vanamahotsava – tree planation programme an awareness programme to curb global warming.

Report

The significance of alumni association in the growth/development of department and in tum University was discussed. In this regards, the students were asked to contribute their bit towards the school adoption programme, so that the alumni becomes a brand and becomes an integral part in all respects. Requested alumni contribution towards school adoption programme and to support VANAMAHOTSAVA, an awareness programme on global warming. Furthermore students were asked share the company details in order to provide better placements to their juniors.

During the meeting it was discussed about various departmental activities namely; Encouragement towards research programme, and research articles published by faculty. The various research domains available in the department was conveyed, so that students can join for Ph.D. programme at REVA University. Involvement of faculty and alumni in departmental growth and their involvement in designing industry oriented syllabus for better academic teaching – learning process was presented. Stressed on the involvement of faculty in placing students in

various industry and encouragement to do in house project work. Various MoUs, industry visits were among the presentations. Also stressed on the facilities available in the department.

Alumni feedback

The following alumni students presented their view about future requirements;

1. Nandish D;

Alumni student of 2017-2019 batch, working at Jubilant Biosys in Discover Chemistry section. The student stressed on research programme and industry oriented syllabus. Overall he is happy about the growth.

2. Nandish Karanth

Alumni student of 2018-2020 batch, working at Syngene International Ltd. As Research associate. Mr. Nandish K, emphasized on research programme and requested to encourage students towards research. He expressed his happiness about University the growth

3. Debarath Kotaky;

Alumni student of 2017-2019 batch, working for Sigma Aldrich, in the department of Hazardous chemical treatment section. He applauded our Abhivridhi/Vanamahotsava programmes. Expressed his willingness to contribute for the cause.

4. Pooja Naik;

Alumni student of 2017-2019 batch, working at Jain University as research scholar. Recently published research article in ACS journal "Sustainable chemistry and Engineering" of impact factor 8.2. The student stressed to improve research facilities to encourage research programme. Overall he is happy about the growth.

5. Shrenik B

Alumni student of 2019-2021 batch, got selected for Ph.D. programme at Warsaw University, Polish Academy of Sciences, Poland. He expressed his happiness and will share his views after joining the Ph.D. at Poland.

School of Arts Humanities and Social Sciences

Event: Alumni Virtual Meet 2022

Date: 12th Feb 2022

The School of Arts, Humanities and Social Sciences organised a Virtual Alumni Meet on 12th February 2022 through online conferencing platform, Microsoft Teams with the theme 'Dream Team Reconnect – 2022' at 2:00 pm. The event focused on establishing a thorough understanding of alumni's role and participation in the school and university's development. The event also focused on constituting a formal committee of alumni at the school level involving the role of President, Secretary, and members.

The Master of ceremony for the event was Naveen Krishna, an alumnus of Master of Journalism and Communications. As the event commenced, Dr. Payel Dutta Chowdhury, Director, School of Arts, Humanities and Social Sciences addressed the alumni and emphasised the importance of the involvement of the alumni for the progress of the school. She urged the alumni to participate in establishing regular interaction and forming a core committee on rotation basis that would also help in developing the alumni network. She also requested the alumni to share their academic and professional achievements with the school from time to time as it would help in staying connected. She also assured the alumni that the school will also update them about all the new practices or approaches that would be implemented and stressed upon the interaction of the alumni with the new students at the school. The Director also invited the alumni to give their suggestions and volunteer about incorporating new courses, framing syllabus, giving guest talks in the school, etc. She also urged the alumni who are already placed to support the school in establishing better placement opportunities and skills for the current students and approach the school for research related activities as well.

Further, Prof. Rajaneesh Kumar briefed the alumni about REVA University's initiative 'Vanamahotsava'. He explained the alumni about their participation in planting of the saplings and also requested their participation in 'Abhivruddhi'. He also spoke about the school's initiative in contributing for the development of Govt. schools.

Prof. Manjunath M. addressed the alumni about the core committee formation and briefed them about the roles and responsibility of the members of the core committee involving President,

Secretary, Deputy-Secretary and Treasurer. After detailed deliberations with the alumni, it was decided to circulate a google form inviting the enrolment for the said positions.

Prathibha, an alumnus of BA JEP, currently pursuing higher studies in the field of Media Studies, suggested the incorporation of assignment evaluation method substituting Internal Assessment. Other issues discussed were –

Updates of the school – new programs in 2021 and few changes in the curriculum

Alumni involvement in admissions – reaching out to the community through their networks

Being part of BOS – feedback about existing courses and suggestions

Mentoring to current students – providing emotional support whenever required; sharing experiences; transfer of real-life knowledge, etc.

Being a part of placement and training – providing support

The program was well received and appreciated by the participants. The event ended with vote of thanks proposed by Mr. Naveen Krishna.

REPORT ON POSTGRADUATES VIRTUAL ALUMNI MEET 2016-18 & 2017-19
BATCHES

Department of Biotechnology, School of Applied Sciences

Date: 12.02.2022

Time: 11.00am to 12.30pm

The Department of Biotechnology, School of Applied Sciences organized a Postgraduate Virtual Alumni Meet for the **2016-18 & 2017-19 batches** on 12th of February, 2022. The virtual meet has been conducted on Microsoft Teams platform. The session started with a brief introduction by our Head of the Department, Prof. Shilpa BR regarding the progress of the department as well as the University since its inception in the year 2016. Following this, Prof. Renuka Madhu took over the session and discussed about the students achievements of the above said batches. She also deliberated on MoU with academic institutions and industries which will nurture the ongoing and upcoming batches for their future endeavours.

22 alumni students attended the entire session. They actively participated in the entire session and shared their past memories being in the University premises as well as the present achievements and competition in the biotechnology domain. Faculty members from the department of Biotechnology also attended and interacted about the alumni students achievement and wellbeing with the alumni students. The alumni members were happy to see and interact with the faculty members who took classes for them. They happily agreed to help the present batch students in terms of internships and placements. The overall meeting was coordinated by Dr. Santosh Anand and concluded by vote of thanks by Alumni coordinator Dr. NM Guruprasad.
