ACADEMIC GOVERNANCE DOSSIER

About REVA: a thumbnail sketch

Overview

REVA University is a **State Private University** established in Karnataka under the **Government of Karnataka Act No. 13 in the year 2012** in Bengaluru, the IT capital of India. The University commenced its academic activities in the academic year 2013-14. The University is spread over 45 acres of land and has a sprawling green campus. With state-of-the-art infrastructure, the University has created a vibrant academic environment conducive to higher learning and research. The University is recognised by the **University Grants Commission (UGC)** and is approved by the **AICTE (All India Council for Technical Education)**, **Bar Council of India (BCI)** for Law programmes, **Council of Architecture (COA)** for Architecture programmes and other regulatory bodies.

In less than a decade, REVA University, Bengaluru, has established itself as a leader in the field of education by earning recognition as a **forward-thinking institution** across all disciplines. The growth chart of the University and its stupendous success and footprints in the world of Higher Education has been because of the vision of the Chancellor, Dr. P. Shyama Raju and the concerted efforts of the **BOG, BOM, AC, BOS** aligned with the Vice Chancellor and his team of **Deans, Directors and Faculty**. This has been evidenced by the achievement of the University in this short period of time, a few of which are listed down below:

REVA currently has more than **15000** students on campus and diversity and inclusivity is followed while admitting students from all walks of life. In its mission to become a social impact university, REVA University has initiated several University Social Responsibility initiatives. **Jagruti, Abhivridhi, Vanamahotsava, Education on Wheels, and Pragna** are a few of the several projects in REVA. REVA has now moved on to become a **Social Impact University** and has aligned with the United Nations **Sustainable Development Goals**. Through these initiatives, REVA aspires to become an innovative University by developing a social connection with leadership qualities, ethical and moral values, research culture, and innovative skills through higher education of global standards.

Academic Governance:

The Organization Chart of the University is defined and all statutory positions and their responsibilities and accountability is detailed. The Annual Plan has chartered dates for BOG, BOS, AC and BOS meetings and compliance and quality assurance is closely monitored. Keystones in Academic Governance under the leadership of the Vice Chancellor and Deans and Directors are as captured below:

Excellence in Curricular Aspects: REVA offer relevant academic programs that engage students and professionals in interdisciplinary education that inspires analytic thinking, creativity, and ethical practices through experiential learning, thus, preparing them to the industry 4.0 ready curriculum.

Excellent Faculty: REVA is committed to supporting and strengthening faculty through the recruitment, development, and retention of outstanding scholars and educators. REVA promotes academic leaders’ growth through professional development opportunities and institutional policies designed to strengthen our faculty towards discovery, learning, and engagement.

Student Excellence: Student success is the core responsibility of REVA. At REVA we believe that the success of our students fuel our passion and hence our energies are diverted towards continuously improving student performance.

Excellence in Research: REVA University aims to become a research powerhouse, and evolve as a university for research in the years to come. Our focus is to touch upon areas of research which will have a profound impact on the society.

Excellence in Outreach and Social Impact zones: Extension service or community engagement is one of the University's focus in the decennial year of its existence. We create a culture of outreach and engagement through innovative teaching and scholarship and value engagement with our communities and local partners.

Excellence in Institutional Governance: Good governance is pivotal to ensure the University steers forward in the years to come and practice in the University. Stakeholders have a voice in decision-making, either directly or through legitimate intermediate institutions that represent their interests.

Excellent Campus Environment: REVA is committed to transforming and revitalizing the campus by securing investment in teaching and learning facilities. At the core of this revitalization will be the construction of additional facilities and buildings for the community's intellectual, social, physical and spiritual needs.

Administrative Governance

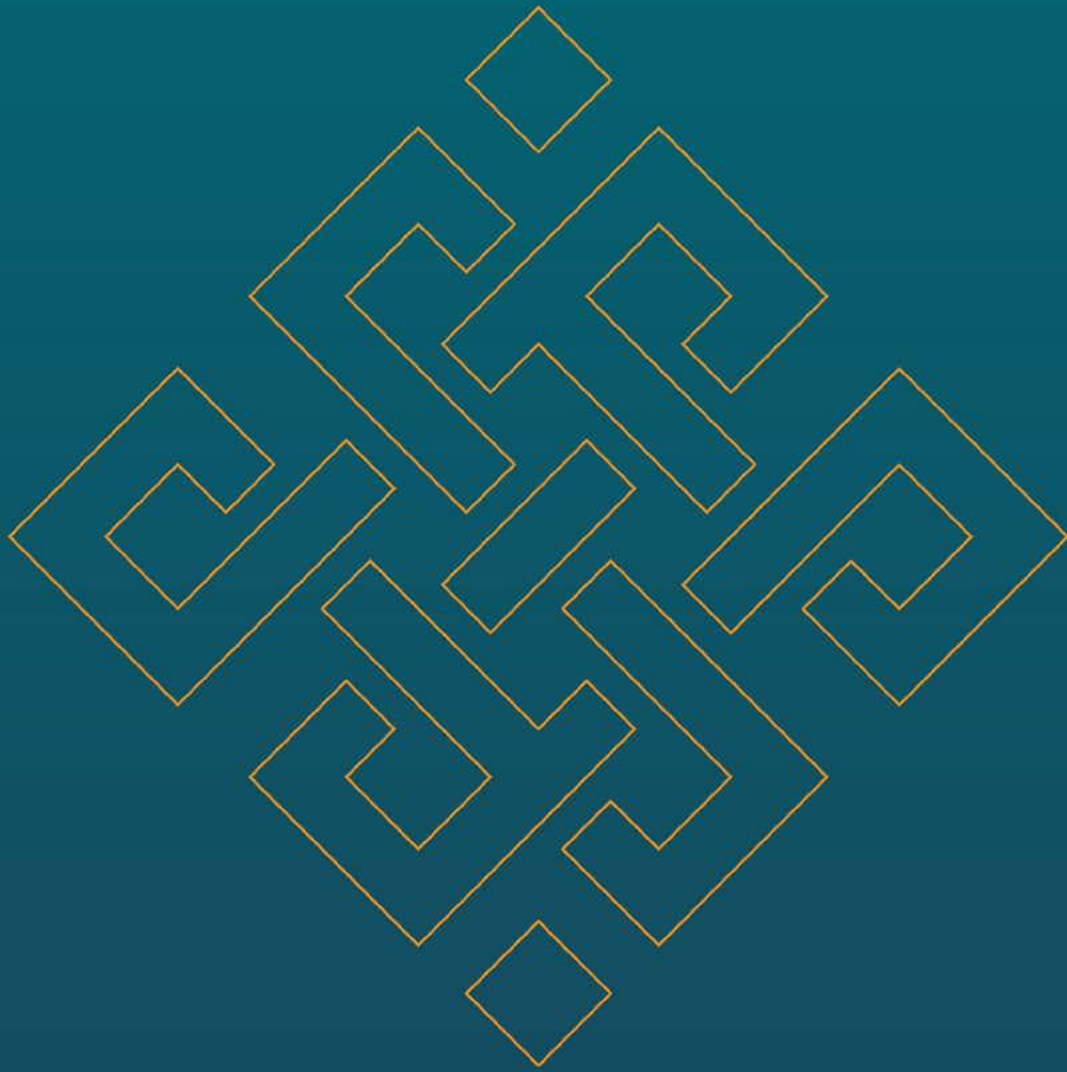

E-governance in the field of education provides deeper visibility to governing bodies at the University and at the student level. In fact E-governance in the field of education has changed the way administration and good governance is at Universities. As a University, REVA has many and various requirement that includes management of processes such as registration, admission, student information, classes, time table, transport, attendance, library, salary and expenses, examination, performance, hostels, security and other report generation.

REVA as a University has been making headways in E-Governance and monitoring and support to all stakeholders has been prime.

In Examination: E –governance has enabled the Office of Examinations at REVA to automate the evaluation process which includes: paperless exams to mapping of POs-Cos to assessing the learning levels of all students.

SLCM - Salesforce

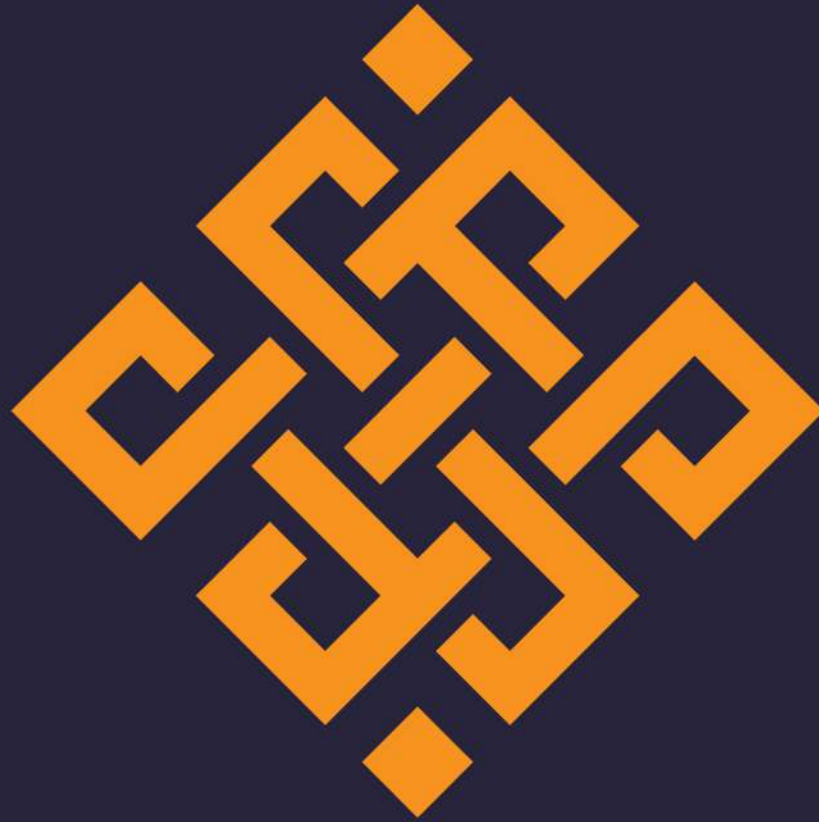

REVA's student portal, built on Salesforce Education Cloud, provides a seamless experience that covers a student's complete journey with the university – from onboarding to studying and graduating – on a single platform. The portal remains useful for the students throughout their time at REVA- they can use it to check the academic calendar, fee payment status, announcements, attendance details, and so much more.
