## SAMAAVESHA @ REVA

REVA University embraces gender equality as a way of our life. Like Maya Angelou, we believe that it is our priority “to teach young people early on that in diversity, there is beauty, and there is strength” and we practice this whole-heartedly.

Aligning with the United Nations Sustainable Development Goal V – Gender Equality - the School of Arts, Humanities and Social Sciences, REVA University, is proud to host Karnataka Rajyotsava awardee Dr. Akkai Padmashali, well-known transgender activist, at REVA University on Thursday, 10th November 2022. The event will witness a solo theatre performance by Nayana J Sooda, written and directed by Belur Raghunandan, on the life of Dr. Padmashali. The performance will be followed by a talk on ‘Gender, Sexuality, Inclusivity, and Diversity’ by Dr. Padmashali.

The event is OPEN TO ALL and we welcome all interested to visit our campus and be a part of this programme. Click on the QR code below to register for the event and buy the ticket, priced at 100/- INR. It is a charity event and the amount collected will be handed over to Dr. Padmashali’s human rights organization, Ondede, which works towards advocating the rights of children, women, and sexual minorities.
