Awareness Programmes on Code of Ethics

Awareness Programmes on Code of Ethics

The University has undertaken a series of proactive initiatives to promote awareness and understanding of the code of ethics among its diverse stakeholders. These programs aim to instill a strong sense of ethical responsibility, fostering a culture of integrity and mutual respect within the academic community.

- Orientation Programmes
- Chinthan
- Manthan
- Parents Teachers Meetings
- Faculty Induction Programmes etc

Inauguration and Orientation Sessions for students:

Newly admitted students and faculty members are provided with comprehensive orientation sessions that cover the University's code of ethics. These sessions serve as an introduction to the principles, values, and expectations regarding ethical behavior within the academic environment. The Code of Conduct is informed to the students with this programme.

Inauguration of Non-Technical Programmes for 2023 batch

The inauguration of the new batch of non-technical programmes of the 2023 batch was held at REVA University on Friday. The inauguration was held for the courses like B.Com, BBA, BCA and B.Sc courses for the year 2023. Dr Gururaj Karajagi, Chairman, Academy of Creative Teaching, inaugurated the orientation and Induction programme held on campus. Addressing the gathering of new students and parents, Dr Gururaj said that success is not about the position, but what you achieve and do by being in that position. "For some money is success. For others, it is fame and power. But my advice to you is that none of these matters. Instead, anyone who lives for others will be remembered and those who live for themselves will be forgotten easily. Hence success is measured by how well you live"

Chinthan

Chinthan is a monthly meeting organised by REVA University to encourage bonding and foster camaraderie and relationship between its staff, faculty and management. Every month, Chinthan meeting is held on a pre-designated date, where the Chancellor will address the gathering. He also briefs the staff and faculty about the plans for the month ahead and provides a review of past events and areas to improve.

Dr. Diwakar, Director –R & D, REVA University during the Chinthan Programme.

Manthan

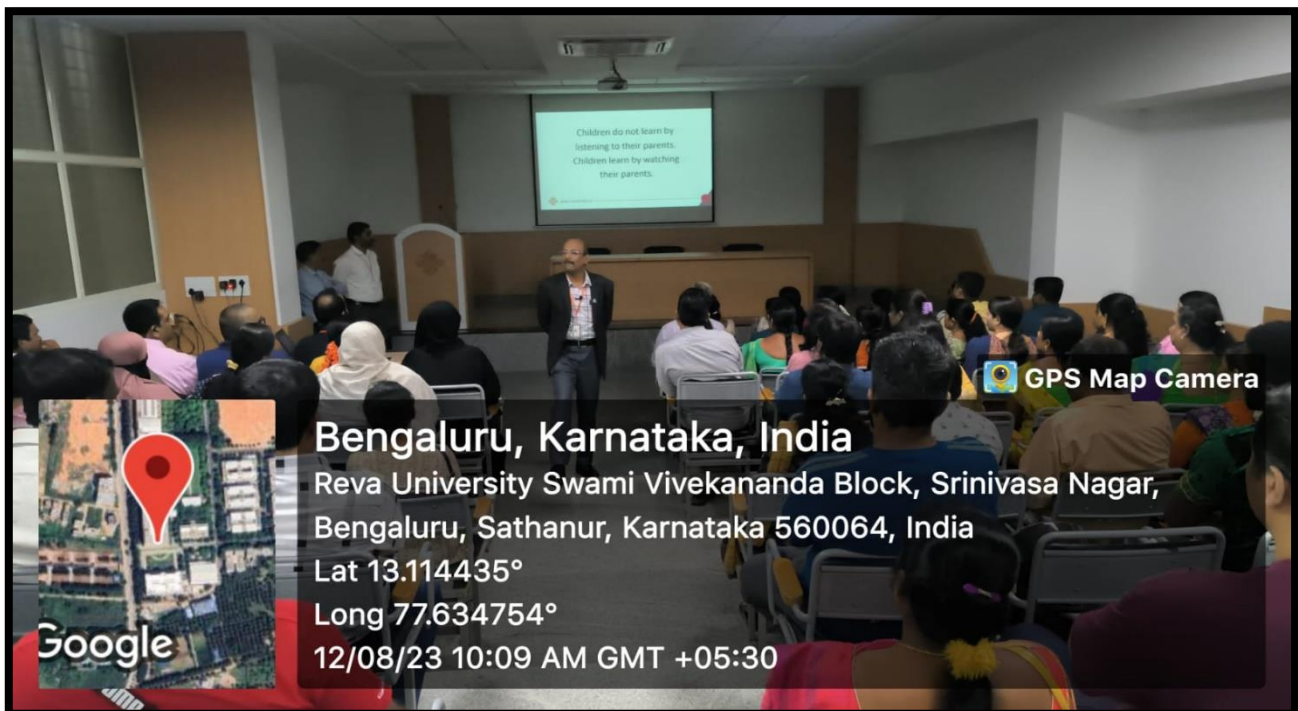

Manthan is a yearly meeting 7rganized by REVA University that is built on fostering the bond between its staff and management. Manthan encourages professional development, encourages employee engagement and builds leadership through the organisations core values.

Chancellor, REVA University addressing the employees during the Manthan Program

Parents Teachers Meet

The Parents-Teachers Meeting (PTM) was organized by the School of Computer Science and Applications (CSA), on August 12, 2023, at the Justice Hegde Seminar Hall. The event was aimed at fostering better communication and collaboration between the parents and teachers for the holistic development of students. In this meeting Director focused on the Code of ethics to the parents and the students.

Dr. S. Senthil, Director School of CSA interacted with the parents during the meet
