**BARRIER FREE ENVIRONMENT AND
DISABLED FRIENDLY CAMPUS**

Barrier free Environment and Disabled Friendly Campus

The REVA admin team follows the guidelines as specified for space standards for barrier free built environment for Disabled and elderly persons, enacted by Government of India in 1996. Bearing this in mind, REVA has ensured that all provisions have been made so as to ensure that everyone has equal access in every day functioning of the University.

1.Ramps / Lifts at REVA

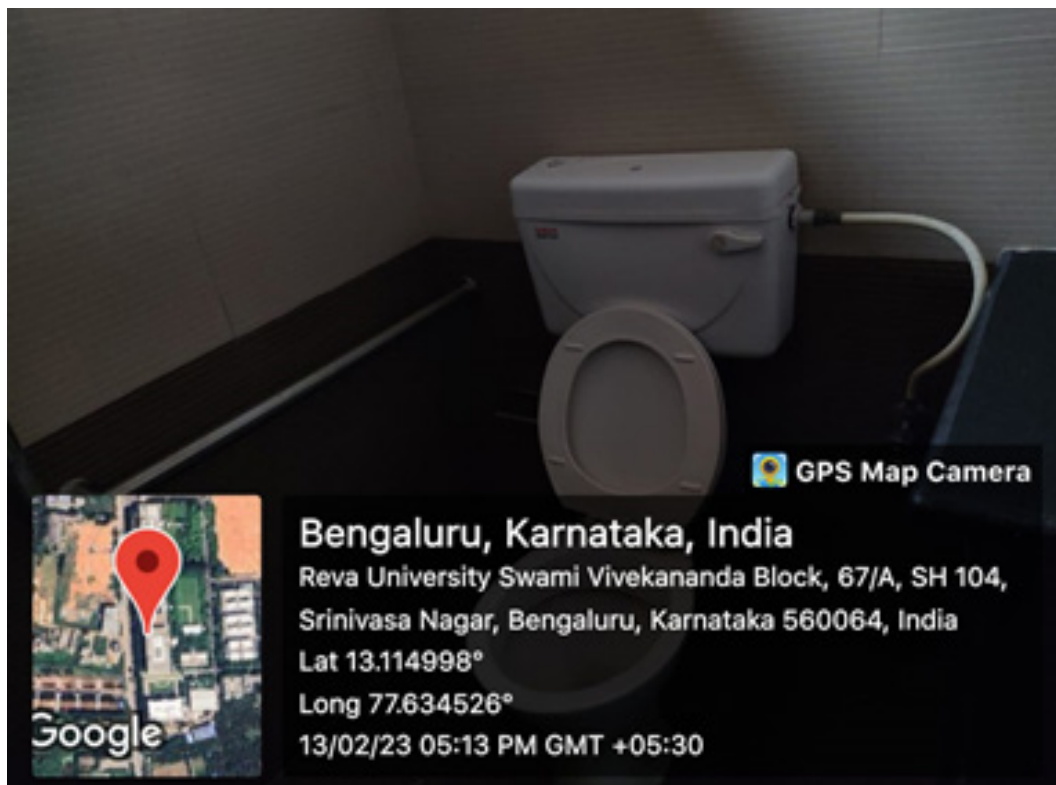

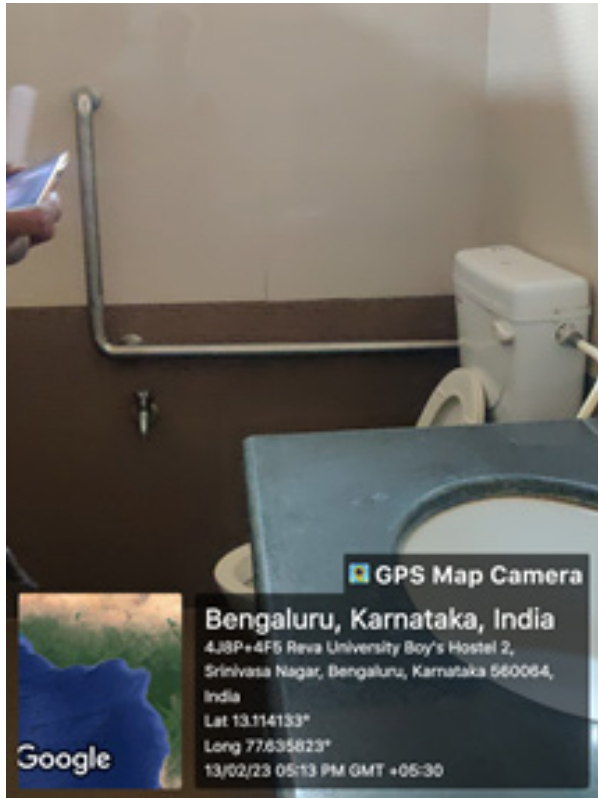

Every academic block in the campus has been provided with ramps and lifts. Most of the buildings have two lifts. All lifts are well maintained and also have attendants provided in the lifts. All lifts are covered under AMC.

2.Disabled friendly washrooms

In order to ensure students with physical challenges are welcome and are comfortable in the campus, care has been taken to make provision for disabled friendly washrooms in the campus. Disabled friendly washrooms are made available in all blocks.

3. Assistance in Mobility

The buggy is available in the campus 24/7 for students and faculty who require assistance in immobility. The buggy is EV charged in the campus. Wheel chairs are made available in all blocks for student assistance and for movement from one building to another. Lifts are provided with Braille enabled lift switch panels.
