## OLD AGE HOME VIST

Organized by: School of Mechanical Engineering

Venue: Manasa Ashraya-old age home (Bodaganahalli village, Chickaballapura)

Date: 8th February 2020

Description:

The School of Mechanical Engineering organized a social outreach programme to old age home Manasa Ashraya at Bodaganahalli village, Chikaballapura.

Old age home is a nursing home intended for the elderly and helps seniors in the activities of daily living. Generally it is seen that seniors are socially isolated at home and temporary relief to them is such old age home, which can take care of them in their old age.

Manasa Ashraya is one such old age home, which is running for the poor. It is equipped with all basic facilities to run an old age home. It was founded by Dr Madhukar with a sense of concern towards society

The MARS committee students raised the funds among the students and staff members of school of Mechanical Engineering and by the amount collected, the groceries required for the Ashram was purchased and donated. The groceries included 150 kg of Rice, 25 liters of cooking oil, 15 kg of Toor dal and other necessary items for Ashram.

Following are the outcomes achieved with this outreach:

- 1.The Old age home was provided with grocery that would sustain the food requirement for a duration of one month.
- 2.The senior citizens were engaged with different activities by our cultural team that included sharing experience, singing, dancing etc.
- 3.Students learnt the art to plan, raise the funds and arrange the resources required for this outreach event.
- 4.The students benefitted from the guidance received by senior citizens.
- 5.Students interacted with senior persons in old age home and were able to identify the shortcomings in our society. It developed a sense of concern towards society in general and elders in particular.

## OLD AGE HOME VISIT – SAMPRAPTHI FOUNDATIONS

School: School of CSA

Venue: Bangalore

Date: 9th August 2021

Year: 2021

The Old Age Home visit by the School of CSA was intended to support and disperse medication. The faculty members went to the “SAMPRAPTI FOUNDATIONS.”

Before distributing the medications, we first established an understanding of the scenario and their problems. From 3.30 to 4.15 pm, we communicate with the residents of the Old Age Home. It was a great experience to all the school members to interact with the members. The students and faculty members had an insightful experience and returned with not only memories, but also some valuable essence that I will definitely hold tight throughout our life.

**Here are some of the memorable moments captured:**

## OLDAGE HOME VISIT

Venue: Nightingales Sandhya Kirana

Date : 14-09-2019

Year : 2019

Our visit in Nightingales Sandhya Kirana there was an unforgettable lesson. Visited 21 students and Two faculties on 14-9-2019. There we learnt more about true life and sharing and caring. There are hundred inmates in the Home. All of them were above the age of seventy to seventy-five. They are all financially dependent on their families or on charity. Their physical condition is good. There are many recreational facilities available to them and these facilities were properly used by them. However, all of them were lonely and craving for love and affections. We spoke to them, shared our love and they sang songs for us. Some of our Students were danced for them; they also started dancing with us. They shared their sadness and personal stories with us. However, the care shown to them by the helping hands at the home was indeed inspiring. Finally, we left with a heavy heart from them. It was a great time spent with them; we are really blessed for this opportunity. In our college there are more than 15000 thousand of students, they should also get this opportunity to visit old age home. And it was wonderful experience in life.
