Chancellor's Message

I am happy to note that REVA University has taken up the initiative of spreading awareness of the electoral processes in the country. I take this opportunity to congratulate the students and faculty for successfully coordinating Jagruti, the flagship campaign of the REVA Electoral Literacy Association. This wouldn't have been possible without the support of each one of you. I also can't forget the support provided by BBMP officials and the State Electoral Commission. This document is a testimony to all our efforts. As part of the activities conducted by RELA, students undertook a survey to understand the voting mindset of citizens. We then moved to Phase 2 of Jagruti, which focused on creating voting awareness and reinstating civic belief in electoral practices through a planned array of activities. I congratulate once again the team behind RELA. I wish the team all the success in its future endeavours.

Best wishes,
Dr. P. Shyama Raju
