Rukmini Educational Charitable Trust

Chancellor's Message

"Education is the most powerful weapon which you can use to change the world."

- Nelson Mandela.

There was a time when survival depended on just the realization of physiological needs. We are indeed privileged to exist in a time when 'intellectual gratification' has become indispensable. Information

is easily attainable for the soul that is curious enough to go look for it. Technological boons enable information availability anywhere anytime. The difference, however, lies between those who look for information and those who look for knowledge.

It is deemed virtuous to serve seekers of knowledge and as educators it is in the ethos at REVA University to empower every learner who chooses to enter our portals. Driven by our founding philosophy of 'Knowledge is Power', we believe in building a community of perpetual learners by enabling them to look beyond their abilities and achieve what they assumed impossible.

India has always been beheld as a brewing pot of unbelievable talent, acute intellect and immense potential. All it takes to turn those qualities into power is a spark of opportunity. Being at a University is an exciting and rewarding experience with opportunities to nurture abilities, challenge cognizance and gain competence.

For any University, the structure of excellence lies in the transitional abilities of its faculty and its facility. I'm always in awe of the efforts that our academic board puts in to develop the team of subject matter experts at REVA. My faculty colleagues understand our core vision of empowering our future generation to be ethically, morally and intellectually elite. They practice the art of teaching with a student-centered and transformational approach. The excellent infrastructure at the University, both educational

and extra-curricular, magnificently demonstrates the importance of ambience in facilitating focused learning for our students.

A famous British politician and author from the 19th century - Benjamin Disraeli, once said 'A University should be a place of light, of liberty and of learning'. Centuries later this dictum still inspires me and I believe, it takes team-work to build successful institutions. I welcome you to REVA University to join hands in laying the foundation of your future with values, wisdom and knowledge.

Dr. P. Shyama Raju

The Founder and Hon'ble Chancellor, REVA University

Vice- Chancellor's Message

The last two decades have seen a remarkable growth in higher education in India and across the globe. The move towards inter-disciplinary studies and interactive learning have opened up several options as well as created multiple challenges. India is at a juncture where a huge population of young crowd is opting for higher education. With the tremendous growth of privatization of education in India, the major focus is on creating a platform for quality in knowledge enhancement and bridging the gap between academia and industry.

A strong believer and practitioner of the dictum "Knowledge is Power", REVA University has been on the path of delivering quality education by developing the young human resources on the foundation of ethical and moral values, while boosting their leadership qualities, research culture and innovative skills. Built on a sprawling 45 acres of green campus, this 'temple of learning' has excellent and state-of-the-art infrastructure facilities conducive to higher teaching-learning environment and research. The main objective of the University is to provide higher education of global standards and hence, all the programs are designed to meet international standards. Highly experienced and qualified faculty members, continuously engaged in the maintenance and enhancement of student-centric learning environment through innovative pedagogy, form the backbone of the University.

All the programs offered by REVA University follow the Choice Based Credit System (CBCS) with Outcome Based Approach. The flexibility in the curriculum has been designed with industry-specific goals in mind and the educator enjoys complete freedom to appropriate the syllabus by incorporating the latest knowledge and stimulating the creative minds of the students. Bench marked with the course of studies of various institutions of repute, our curriculum is extremely contemporary and is a

culmination of efforts of great think-tanks - a large number of faculty members, experts from industries and research level organizations. The evaluation mechanism employs continuous assessment with grade point averages. We believe sincerely that it will meet the aspirations of all stakeholders - students, parents and the employers of the graduates and postgraduates of REVA University.

At REVA University, research, consultancy and innovation are regarded as our pillars of success. Most of the faculty members of the University are involved in research by attracting funded projects from various research level organizations like DST, VGST, DBT, DRDO, AICTE and industries. The outcome of the research is passed on to students through live projects from industries. The entrepreneurial zeal of the students is encouraged and nurtured through EDPs and EACs.

REVA University has entered into collaboration with many prominent industries to bridge the gap between industry and University. Regular visits to industries and mandatory internship with industries have helped our students. REVA University has entered into collaboration with many prominent industries to bridge the gap between industry and University. Regular visits to industries and mandatory internship with industries have helped our students become skilled with relevant to industry requirements. Structured training programs on soft-skills and preparatory training for competitive exams are offered here to make students more employable. 100% placement of eligible students speaks the effectiveness of these programs. The entrepreneurship development activities and establishment of "Technology Incubation Centers" in the University extend full support to the budding entrepreneurs to nurture their ideas and establish an enterprise.

With firm faith in the saying, "Intelligence plus character –that is the goal of education" (Martin Luther King, Jr.), I strongly believe REVA University is

marching ahead in the right direction, providing a holistic education to the future generation and playing a positive role in nation building. We reiterate our endeavor to provide premium quality education accessible to all and an environment for the growth of over-all personality development leading to generating "GLOBAL PROFESSIONALS".

Welcome to the portals of REVA University! Vice-Chancellor, REVA University

Director's Message

Today, as you prepare to join our campus and start the next chapter of your lives, in what can only be described as an increasingly divided and fast-shifting world, I want to offer some thoughts specific to the challenging times in which we find ourselves. Your responsibilities as Management student to lead businesses are more important today than ever. You will be graduating into a world in which trust and faith in business has

declined significantly, and you have to develop the personality reflecting honesty and Ethics.

As Business Student- leaders, part of your responsibility is to rebuild this trust between business and society. My hope is that the many discussions you will have, in courses as varied as Leadership and Corporate Accountability and Finance, Ethical Management, Governance, HRM, HR, have given you tools and perspectives that will serve as a guide to you in the future. I hope you will develop, and will continue to develop, both the competence and character of true leadership. You will need both to fulfill your responsibility to rebuild trust. The way that you can do so is by creating shared prosperity; in essence, by ensuring that you create value for others before you claim value for yourself.

You can exercise your responsibility to help rebuild trust not only by the big decisions you make while leading organizations, but also by the smaller interactions you have every day. Business Leaders—rightly—are scrutinized more carefully than others, so even small signs of arrogance, excessive pride, or self-interest will be magnified. Hold yourself to a higher standard.

Many of our alumni currently lead some of the most admired and most valuable companies on the planet. They have been crucial to the creation and evolution of entire industries, including management consulting, mutual funds, private equity, venture capital, and social entrepreneurship, HR, Marketing, Entrepreneurship, and the like.

If you want your lives to have that kind of impact, you must REACH, that is stretch for things in life that seem just a bit outside your grasp, just a bit audacious. When we reach, we take a risk that has the potential to fundamentally shift the trajectory of our lives and our organizations. We develop three types of behaviour in this school: 1. Modesty; 2. Honesty;

and 3. Winning Attitude, focusing on knowledge, skills, and competency.

Often our biggest sense of accomplishment comes not when we reach for ourselves, but

when we reach out on behalf of others. I experience this most often when I deal with our

distinguished alumni who give back to so many causes. Today you join a group of alumni

who are distinguished not only as leaders, but as philanthropists and energetic civic

participants—people who lead and fund countless non-profits and philanthropies. It's a

privilege for me to spend time with these people, and we ask that you RESPECT the people

who are most important in your lives, and everyone with whom you interact along your road

to leadership. Remember that nothing can be accomplished without the help of everyone in

REVA University.

The Curriculum caters to and has relevance to local, regional, national, and global

development needs. A maximum number of courses are integrated with cross-cutting issues

with relevant to professional ethics, gender, human values, environment and sustainability.

Lastly, show respect on a daily basis to everyone you interact with: your co-students. As

students, you will often get more credit than you deserve; be sure to share this credit by

giving respect to all who contribute to any success. Let me in that spirit take a moment to

thanks your parents, guardian who have collectively helped to educate you and bring you to

this wonderful moment of Management World.

As you begin this exciting journey, I wish you all the best.

Dr Shubha A

Director, School of Management Studies

RUKMINI EDUCATIONAL CHARITABLE TRUST

It was the dream of late Smt. Rukmini Shyama Raju to impart education to millions of underprivileged children as she knew the importance of education in the contemporary society. The dream of Smt. Rukmini Shyama Raju came true with the establishment of Rukmini Educational Charitable Trust (RECT), in the year 2002. Rukmini Educational Charitable Trust (RECT) is a Public Charitable Trust, set up in 2002 with the objective of promoting, establishing and conducting academic activities in the fields of Arts, Architecture, Commerce, Education, Engineering, Environmental Science, Management Studies, Legal Studies, Performing Arts and Science & Technology, among others. In furtherance of these objectives, the Trust has set up the REVA Group of Educational Institutions comprising of REVA Institute of Technology & Management (RITM), REVA Institute of Science and Management (RISM), REVA Institute of Management Studies (RIMS), REVA Institute of Education (RIE), REVA First Grade College (RFGC), REVA Degree College (Evening), REVA Independent PU College at Kattigenahalli, Ganganagar and Sanjaynagar and now REVA University. Through these institutions, the Trust seeks to fulfill its vision of providing world class education and create abundant opportunities for the youth of this nation to excel in the areas of Engineering, Commerce, Management, Education, Arts and Science & Technology.

Every great human enterprise is powered by the vision of one or more extraordinary individuals and is sustained by the people who derive their motivation from the founders. The Chairman of the Trust is Dr. P. Shyama Raju, a developer and builder of repute, a captain of the industry in his own right and the Chairman and Managing Director of the DivyaSree Group of companies. The idea of creating these top notch educational institutions was born of the philanthropic instincts of Dr. P. ShyamaRaju to do public good, quite in keeping with his support to other socially relevant charities such as maintaining the Richmond road park, building and donating a police station, gifting assets to organizations providing accident and trauma care, to name a few.

The Rukmini Educational Charitable Trust drives with the main aim to help students who are in pursuit of quality education for life. REVA is today a family of ten institutions providing education from PU to Post Graduation and Research leading to M. Phil and PhD degrees. REVA has well qualified experienced teaching faculty of whom majority are

doctorates. The faculty is supported by committed administrative and technical staff. Over 14,000 students study various courses across REVA's three campuses equipped with exemplary state-of-the-art infrastructure and conductive environment for the knowledge driven community.
11

ABOUT REVA UNIVERSITY

REVA University has been established under the REVA University Act, 2012 of Government of Karnataka and notified in Karnataka State Gazette dated 7th February, 2013. The University is recognised by UGC under Sec 2 (f) and empowered under Sec.22 of the UGC Act, 1956 to award degrees in any branch of knowledge. The University is a Member of Association of Indian Universities, New Delhi. The main objective of the University is to prepare students with knowledge, wisdom and patriotism to face the global challenges and become the top leaders of the country and the globe in different fields.

REVA University located in between Kempegowda International Airport and Bangalore city, has a sprawling green campus spread over 45 acres of land and equipped with state-of-the-art infrastructure that provide conducive environment for higher learning and research. The REVA campus has well equipped laboratories, custom-built teaching facilities, fully air-conditioned library and central computer centre, the well-planned sports facility with cricket ground, running track & variety of indoor and outdoor sports activities, facilities for cultural programs. The unique feature of REVA campus is the largest residential facility for students, faculty members and supportive staff.

The University is presently offering 27 Post Graduate Degree programs, 29 Degree and PG Degree programs in various branches of studies and has 15000+ students studying in various branches of knowledge at graduate and post graduate level and 494 Scholars pursuing research leading to PhD in 18 disciplines. It has 900+ well qualified, experienced and committed faculty members of whom majority are doctorates in their respective areas and most of them are guiding students pursuing research leading to PhD.

The programs being offered by the REVA University are well planned and designed after detailed study with emphasis with knowledge assimilation, applications, global job market and their social relevance. Highly qualified, experienced faculty and scholars from reputed universities / institutions, experts from industries and business sectors have contributed in preparing the scheme of instruction and detailed curricula for this program. Greater emphasis on practice in respective areas and skill development to suit to respective job environment has been given while designing the curricula. The Choice Based Credit

System and Continuous Assessment Graded Pattern (CBCS – CAGP) of education has been introduced in all programs to facilitate students to opt for subjects of their choice in addition to the core subjects of the study and prepare them with needed skills. The system also allows students to move forward under the fast track for those who have the capabilities to surpass others. These programs are taught by well experienced qualified faculty supported by the experts from industries, business sectors and such other organizations. REVA University has also initiated many supportive measures such as bridge courses, special coaching, remedial classes, etc., for slow learners so as to give them the needed input and build in them confidence and courage to move forward and accomplish success in their career. The University has also entered intoMOUs with many industries, business firms and other institutions seeking their help in imparting quality education through practice, internship and also assisting students' placements.

REVA University recognizing the fact that research, development and innovation are the important functions of any university has established an independent Research and Innovation division headed by a senior professor as Dean of Research and Innovation. This division facilitates all faculty members and research scholars to undertake innovative research projects in engineering, science & technology and other areas of study. The interdisciplinary-multidisciplinary research is given the top most priority. The division continuously liaisons between various funding agencies, R&D Institutions, Industries and faculty members of REVA University to facilitate undertaking innovative projects. It encourages student research projects by forming different research groups under the guidance of senior faculty members. Some of the core areas of research wherein our young faculty members are working include Data Mining, Cloud Computing, Image Processing, Network Security, VLSI and Embedded Systems, Wireless Censor Networks, Computer Networks, IOT, MEMS, Nano- Electronics, Wireless Communications, Bio-fuels, Nanotechnology for coatings, Composites, Vibration Energies, Electric Vehicles, Multilevel Inverter Application, Battery Management System, LED Lightings, Renewable Energy Sources and Active Filter, Innovative Concrete Reinforcement, Electro Chemical Synthesis, Energy Conversion Devices, Nano-structural Materials, Photo-electrochemical Hydrogen generation, Pesticide Residue Analysis, Nano materials, Photonics, Nano Tribology, Fuel Mechanics, Operation Research, Graph theory, Strategic Leadership and Innovative Entrepreneurship, Functional Development Management, Resource Management and Sustainable Development, Cyber Security, General Studies, Feminism, Computer Assisted Language Teaching, Culture Studies etc.

The REVA University has also given utmost importance to develop the much required skills through variety of training programs, industrial practice, case studies and such other activities that induce the said skills among all students. A full-fledged Career Development and Placement (CDC) department with world class infrastructure, headed by a dynamic experienced Professor & Dean, and supported by well experienced Trainers, Counselors and Placement Officers. The University also has University-Industry Interaction and Skill Development Centre headed by a Senior Professor & Director facilitating skill related training to REVA students and other unemployed students. The University has been recognized as a Centre of Skill Development and Training by NSDC (National Skill Development Corporation) under Pradhan Mantri Kaushal Vikas Yojana. The Centre conducts several add-on courses in challenging areas of development. It is always active in facilitating student's variety of Skill Development Training programs.

The University has collaborations with Industries, universities abroad, research institutions, corporate training organizations, and Government agencies such as Florida International University, Okalahoma State University, Western Connecticut University, University of Alabama, Huntsville, Oracle India Ltd, Texas

Instruments, Nokia University Relations, EMC2, VMware, SAP, Apollo etc, to facilitate student exchange and teacher–scholar exchange programs and conduct training programs. These collaborations with foreign universities also facilitate students to study some of the programs partly in REVA University and partly in foreign university, viz, M.S in Computer Science one year in REVA University and the next year in the University of Alabama, Huntsville, USA.

The University has also given greater importance to quality in education, research, administration and all activities of the university. Therefore, it has established an independent Internal Quality division headed by a senior professor as Dean of Internal Quality. The division works on planning, designing and developing different quality tools, implementing them and monitoring the implementation of these quality tools. It concentrates

on training entire faculty to adopt the new tools and implement their use. The division further works on introducing various examination and administrative reforms.

To motivate the youth and transform them to become innovative entrepreneurs, successful leaders of tomorrow and committed citizens of the country, REVA organizes interaction between students and successful industrialists, entrepreneurs, scientists and such others from time to time. As a part of this exercise great personalities such as Bharat Ratna Prof. C. N. R. Rao, a renowned Scientist, Dr. N R Narayana Murthy, Founder and Chairman and Mentor of Infosys, Dr. K Kasturirangan, Former Chairman ISRO, Member of Planning Commission, Government of India, Dr. Balaram, Former Director I.I.Sc., and noted Scientist, Dr. V S Ramamurthy, Former Secretary, DST, Government of India, Dr. V K Aatre, noted Scientist and former head of the DRDO and Scientific Advisor to the Ministry of Defence Dr. Sathish Reddy, Scientific Advisor, Ministry of Defence, New Delhi and many others have accepted our invitation and blessed our students and faculty members by their inspiring addresses and interaction.

As a part of our effort in motivating and inspiring youth of today, REVA University also has instituted awards and prizes to recognize the services of teachers, researchers, scientists, entrepreneurs, social workers and such others who have contributed richly for the development of the society and progress of the country. One of such awards instituted by REVA University is 'Life Time Achievement Award' to be awarded to successful personalities who have made mark in their field of work. This award is presented on occasion of the "Founders' Day Celebration" of REVA University on 6th January of every year in presence of dignitaries, faculty members and students gathering. The first "REVA Life Time Achievement Award" for the year 2015 has been awarded to Shri. Kiran Kumar, Chairman ISRO, followed by Shri. Shekhar Gupta, renowned Journalist for the year 2016, Dr K J Yesudas, renowned play back singer for the year 2017. REVA also introduced "REVA Award of Excellence" in the year 2017 and the first Awardee of this prestigious award is Shri Ramesh Aravind, Actor, Producer, Director, Screen Writer and Speaker.

REVA organizes various cultural programs to promote culture, tradition, ethical and moral values to our students. During such cultural events the students are given opportunities to unfold their hidden talents and motivate them to contribute innovative ideas

for the progress of the society. One of such cultural events is REVAMP conducted every year. The event not only gives opportunities to students of REVA but also students of other Universities and Colleges. During three days of this mega event students participate in debates, Quizzes, Group discussion, Seminars, exhibitions and variety of cultural events. Another important event is Shubha Vidaaya, - Graduation Day for the final year students of all the programs, wherein, the outgoing students are felicitated and are addressed by eminent personalities to take their future career in a right spirit, to be the good citizens and dedicate themselves to serve the society and make a mark in their respective spheres of activities. During this occasion, the students who have achieved top ranks and won medals and prizes in academic, cultural and sports activities are also recognized by distributing awards and prizes. The founders have also instituted medals and prizes for sports achievers every year. The physical education department conducts regular yoga classes every day to students, faculty members, administrative staff and their family members and organizes yoga camps for villagers around.

Within short span of time, REVA University has been recognised as a fast-growing university imparting quality higher education to the youth of the country and received many awards, ranks, and accolades from various agencies, institutions at national and international level. These include: Asia's Greatest Brand and Leaders, by Asia One, National Award of Leadership Excellence, by ASSOCHAM India, Most promising University, by EPSI, Promising Upcoming Private University in the Country, by The Economic Times, Best University of India (South), by Dialogue India, Gold Brand by QS University Ranking, placed under 151-200 band by NIRF, 6TH Rank in the Super Excellence category by GHRDC, 6TH Rank in All India Law School Survey, ranked among Top 30 Best B Schools by Business World, India's Best Law Institution by Careers 360, to mention a few.

SUMMARY OF REVA UNIVERSITY REGULATIONS FOR CHOICE BASED CREDIT SYSTEM (CBCS) AND CONTINUOUS ASSESSMENT GRADING PATTERN (CAGP) FOR THREE YEARS GRADUATE DEGREE PROGRAMS

1. Teaching and Learning Process:

The teaching & learning process under CBCS – CAGP of education in each course of study will have three components, namely:

(i) L= Lecture (ii) T= Tutorial (iii) P=Practice; where:

L stands for Lecture session consisting of classroom instruction.

T stands for **Tutorial** session consisting participatory discussion / Self-study/ desk work/ brief seminar presentations by students and such other novel methods that make a student to absorb and assimilate more effectively the contents delivered in the Lecture classes.

P stands for **Practice** session and it consists of Hands-on Experience / Laboratory Experiments / Field Studies / Case Studies that equip students to acquire the much-required skill component.

2. Courses of Study and Credits

- a. The study of various subjects in BBA (H) degree program is grouped under various courses. Each of these courses carries credits which are based on the number of hours of teaching and learning.
- b. In terms of credits, every **one-hour session of L amounts to 1 credit per Semester** and a minimum of **two-hour session of T or P amounts to 1 credit per Semester or a three-hour session of T / P amounts to 2 credits** over a period of one Semester of 16 weeks for teaching-learning process.
- c. The total duration of a semester is 20 weeks inclusive of semester-end examination.
- d. A course shall have either or all the four components. That means a course may have only lecture component, or only practical component or combination of any two or all the three components.
- e. The total credits earned by a student at the end of the semester upon successfully completing the course are L + T + P. The credit pattern of the course is indicated as L: T: P

Different Courses of Study are labeled and defined as follows:

a. Core Course:

A course which should compulsorily be studied by a candidate as a core-requirement is termed as a Core course. The CORE courses of Study are of THREE types, viz – (i) Foundation Course, (ii) Hard Core Course, and (iii) Soft Core Course.

b. Foundation Course (FC):

The foundation Course is a core course which should be completed successfully as a part of graduate degree program irrespective of the branch of study. These would include basic courses in Languages, courses of study prescribed by the University.

c. Hard Core Course (HC):

The **Hard-Core Course** is a Core Course in the main branch of study and related branch (es) of study, if any that the candidates have to complete compulsorily.

d. Soft Core Course (SC):

A Core course may be a **Soft Core** if there is a choice or an option for the candidate to choose a course from a pool of courses from the main branch of study or from a sister/related branch of study which supports the main branch of study.

e. Open Elective Course:

An elective course chosen generally from other discipline / subject, with an intention to seek exposure to the basics of subjects other than the main discipline the student is studying is called an **Open Elective Course.**

f. Project Work / Dissertation:

Project work / Dissertation work is a special course involving application of knowledge in solving / analyzing /exploring a real life situation / difficult problem. A project work carrying FOUR or SIX credits is called Minor Project work / Dissertation. A project work of EIGHT, TEN, TWELVE or SIXTEEN credits is called Major Project work / Dissertation. A Minor Project work may be a hard core or a Soft Core as decided by the BOS / concerned. But the Major Project shall be Hard Core.

3. Scheme, Duration and Medium of Instructions:

3.1. The BBA (H) Degree program is of 6 semesters - 3 years duration. A candidate can avail a maximum of 12 semesters - 6 years as per double duration norm, in one stretch to complete the BBA (H) including blank semesters, if any. Whenever a

candidate opts for blank semester, he/she has to study the prevailing courses offered by the School when he/she resumes his/her studies.

3.2. The medium of instruction shall be English.

4. Credits and Credit Distribution

- **4.1.** A candidate has to earn 140 credits for successful completion of Three Year BBA (H) degree with the distribution of credits for different courses as decided by the Board of Studies.
- 4.2. The concerned BOS based on the credits distribution pattern given above shall prescribe the credits to various types of courses and shall assign title to every course including project work, practical work, field work, self-study elective, as **Foundation** Course (FC), Hard Core (HC) or Soft Core (SC) or Open Elective (OE).
- 4.3. A candidate can enroll for a maximum of 30 credits and a minimum of 20 credits per Semester. However he / she may not successfully earn a maximum of 30 credits per semester. This maximum of 30 credits does not include the credits of courses carried forward by a candidate.
- 4.4. Only such full time candidates who register for a minimum prescribed number of credits in each semester from I semester to VI semester and complete successfully 140 credits in 6 successive semesters shall be considered for declaration of Ranks, Medals, Prizes and are eligible to apply for Student Fellowship, Scholarship, Free ships, and such other rewards / advantages which could be applicable for all full time students and for hostel facilities.

Add- on Proficiency Certification:

To acquire **Add on Proficiency Certification** a candidate can opt to complete a minimum of 4 extra credits either in the same discipline /subject or in different discipline / subject in excess to 130 credits for the Three Year BBA (H) Degree program.

5. Add on Proficiency Diploma:

- 5.1. To acquire **Add on Proficiency Diploma,** a candidate can opt to complete a minimum of 18 extra credits either in the same discipline /subject or in different discipline / subject in excess to 140 credits for the Three Year BBA (H) Degree program.
- 5.2. The Add on Proficiency Certification / Diploma so issued to the candidate contains the courses studied and grades earned.

6. Scheme of Assessment & Evaluation

- 6.1. The Scheme of Assessment and Evaluation will have two parts, namely;
 - i. Internal Assessment (IA); and
 - ii. Semester End Examination
- 6.2. Assessment and Evaluation of each Course shall be for 100 marks. The Internal Assessment and Semester End Examination of UG non engineering programs and PG programs shall carry 50 marks each (i.e., 50 marks internal assessment; 50 marks semester end examination).
- 6. 3. The 50 marks of Internal Assessment shall comprise of:

Internal Test = 30 marks Assignments = 10 marks

Presentations / Quizzes / Case studies = 10 marks

- 6.4. There shall be two internal tests conducted as per the schedule given below. The students have to attend all the two tests compulsorily.
 - 1st test for 15 marks at the end of 8th week of the beginning of the Semester; and
 - 2nd test for 15 marks at the end of the 16th week of the beginning of the Semester; and
- 6.5. The coverage of syllabus for the said two tests shall be as under:
 - For the 1st test syllabus shall be 1st and 2nd unit of the course;
 - For the 2nd test it shall be 3rd and 4th unit;
- 6.6. The Semester End Examination for 50 marks shall be held during 18th and 19th week of the beginning of the semester and the syllabus for the semester end examination shall be entire 4 units.
- 6.7. The duration of the internal test shall be 75 minutes and for semester end examination the duration shall be 3 hours.

Summary of Continuous Assessment and Evaluation Schedule

Type of	Period	Syllabus	Marks	Activity
Assessment				
First Test	8 th Week	1 st and 2 nd Units	15	Consolidation of 1 st and 2 nd Unit
Allocation of Topics for Assignments	-	First Unit and second unit		Instructional process and Continuous Assessment
Submission of Assignments	-	First Unit and second unit	5	Instructional process and Continuous Assessment
Presentations / Quizzes/Case studies	-	First Unit and second unit	5	Instructional process and Continuous Assessment
Second Test	16 th Week	Third unit and Fourth unit	15	Consolidation of 3 rd and 4 th Unit
Allocation of Topic for 2nd Assignment		2 nd second and 3 rd Unit		Instructional process and Continuous Assessment
Submission of Assignments	ı	2 nd second and 3 rd Unit	5	Instructional process and Continuous Assessment
Presentations / Quizzes / Case studies	-	2 nd second and 3 rd Unit	5	Instructional process and Continuous Assessment
Semester End Practical Examination	17 th Week	Entire syllabus	50	Conduct of Semester - end Practical Exams
Preparation for Semester— End Exam	16 th & 17 th Week	Entire Syllabus		Revision and preparation for semester–end exam
Semester End Theory Examination	18 th Week & 19 th Week	Entire Syllabus	50	Evaluation and Tabulation
	End of 20 th Week			Notification of Final Grades

Note: 1. Examination and Evaluation shall take place concurrently and Final Grades shall

be announced latest by 5 days after completion of the examination.

1. Practical examination wherever applicable shall be conducted after 2nd test and before semester end examination. The calendar of practical examination shall be decided by the respective School Boards and communicated well in advance to the Registrar (Evaluation) who will notify the same immediately

7.0. Evaluation of Practical's and Minor Project / Major Project / Dissertation

- 7.1. The performance in the practice tasks / experiments shall be assessed on the basis of:
 - a) Knowledge of relevant processes;
 - b) Skills and operations involved;
 - c) Results / products including calculation and reporting.
 - 7.2 The 50 marks meant for continuous assessment of the performance in carrying out Project shall further be allocated as under:

i	IA1 Report submission and Presentation	25 Marks
ii	IA2 Report submission and Presentation	25 Marks
	Total	50 marks

The 50 marks meant for Semester End Examination, shall be allocated as under:

iii	Project Report	30 marks
111	Viva Voce	20 marks
	Total	50 marks

7.3. The duration for semester-end practical examination shall be decided by the concerned School Board.

7.4 Evaluation of Minor Project / Major Project / Dissertation:

Right from the initial stage of defining the problem, the candidate has to submit the progress reports periodically and also present his/her progress in the form of seminars in addition to the regular discussion with the supervisor. At the end of the semester, the candidate has to submit final report of the project / dissertation, as the case may be, for final evaluation. The components of evaluation are as follows:

i	Periodic Progress and Progress Reports (25%)
ii	Results of Work and Draft Report (25%)
iii	Final Evaluation and Viva-Voce (50%). Evaluation of the report is for 30% and the Viva-Voce examination is for 20%.

8.1 Provision to Carry Forward the Failed Subjects / Courses:

A student who has failed in a given number of courses in odd and even semesters shall move to next semester of immediate succeeding year and final year of the study. However, he / she shall have to clear all the courses of all semesters within the double duration, i. e., within six years of admission of the first semester failing which the student has to re-register to the entire program.

9.2 Re-Registration and Re-Admission:

- a) In case a candidate's class attendance in aggregate of all courses in a semester is less than 75% or as stipulated by the University, such a candidate is considered as dropped the semester and is not allowed to appear for end semester examination and he / she shall have to seek re-admission to that semester during subsequent semester / year within a stipulated period.
- b) In such a case where in a candidate drops all the courses in a semester due to personal reasons, it is considered that the candidate has dropped the semester and he / she shall seek re-admission to such dropped semester.

10. Attendance Requirement:

- 10.1 All students must attend every lecture, tutorial and practical classes.
- 10.2 In case a student is on approved leave of absence (e.g.- representing the university in sports, games or athletics, placement activities, NCC, NSS activities and such others) and / or any other such contingencies like medical emergencies, the attendance requirement shall be minimum of 75% of the classes taught.
- 10.3Any student with less than 75% of attendance in aggregate of all the courses including practical courses / field visits etc, during a semester shall not be permitted to appear to the end semester examination and such student shall seek re-admission as provided above.
- 10.4 Teachers offering the courses will place the above details in the School Board meeting during the last week of the semester, before the commencement of examination, and subsequently a notification pertaining to the above will be brought out by the Director of

the School before the commencement of examination. A copy of this notification shall also be sent to the office of the Registrar & Registrar (Evaluation).

11. Challenge Valuation

- a. A student who desires to apply for challenge valuation shall obtain a photo copy of the answer script by paying the prescribed fee within 10 days after the announcement of the results. He / She can challenge the grade awarded to him/her by surrendering the grade card and by submitting an application along with the prescribed fee to the Registrar (Evaluation) within 10 days after the announcement of the results. This challenge valuation is only for SEE.
- b. The answer scripts for which challenge valuation is sought for shall be evaluated by the external examiner who has not involved in the first evaluation. The higher of two marks from first valuation and challenge valuation shall be the final.

12. Grade Card and Grade Point:

- a. Provisional Grade Card: The tentative / provisional Grade Card will be issued by the Registrar (Evaluation) at the end of every semester indicating the courses completed successfully. The provisional grade card provides Semester Grade Point Average (SGPA).
- **b. Final Grade Card:** Upon successful completion of BBA (H) Degree a Final Grade card consisting of grades of all courses successfully completed by the candidate will be issued by the Registrar (Evaluation).
- c. **The Grade and the Grade Point:** The Grade and the Grade Point earned by the candidate in the subject will be as given below:

Marks	Grade	Grade Point	Letter
P	G	$(GP=V \times G)$	Grade
90>100	10	v*10	O
80>90	9	v*9	A+
70 > 80	8	v*8	A
60> 70	7	v*7	B+
55 > 60	6	v*6	В
50 > 55	5.5	V*5.5	С
40> 50	5	v*5	P
0-40	0	v*0	F
	ABSENT		AB

Here, P is the percentage of marks (P=[(IA)+M] secured by a candidate in a course which is **rounded to nearest integer**. V is the credit value of the course. G is the grade and GP is the grade point.

i. Computation of SGPA and CGPA

The following procedure to compute the Semester Grade Point Average (SGPA)

The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student in a given semester, i.e:

SGPA (Si) =
$$\sum$$
 (Ci x Gi) / \sum Ci

where C_i is the number of credits of the i^{th} course and G_i is the grade point scored by the student in the i^{th} course.

ii. Cumulative Grade Point Average (CGPA):

Overall Cumulative Grade Point Average (CGPA) of a candidate after successful completion of the required number of credits (140) for BBA (H) degree is calculated taking into account all the courses undergone by a student over all the semesters of a program i. e.,

$$CGPA = \sum (Ci \times Si) / \sum Ci$$

where S_i is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester.

The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.

CONVERSION OF GRADES INTO PERCENTAGE:

Conversion formula for the conversion of CGPA into Percentage is:

Percentage of marks scored = CGPA Earned x 10

Illustration: CGPA Earned $8.11 \times 10 = 81.10$

12.1 Classification of Results

The final grade point (FGP) to be awarded to the student is based on CGPA secured by the candidate and is given as follows.

CGPA	Grade			FGP	
	(Numerical Index)	Letter Grade Performance			
	G	Grade		Qualitative	
	3			Index	
9 >= CGPA 10	10	O	Outstanding	Distinction	
8 > = CGPA < 9	9	A+	Excellent		
7 >= CGPA < 8	8	A	Very Good	First Class	
6 > = CGPA < 7	7	B+	Good	FIIST Class	
5.5 > = CGPA < 6		В	Above		
	6		average	Second Class	
> 5 CGPA < 5.5	5.5	С	Average		
> 4 CGPA < 5	5	P	Pass	Satisfactory	
CGPA <4	-	F	Fail		

Overall percentage=10*CGPA

12.2 Provision for Appeal

If a candidate is not satisfied with the evaluation, he/she can approach the grievance cell with the written submission together with all facts, the assignments, test papers etc, which were evaluated. He/she can do so before the commencement of semester-end examination. The grievance cell is empowered to revise the marks if the case is genuine and is also empowered to levy penalty as prescribed by the university on the candidate if his/her submission is found to be baseless and unduly motivated. This cell may recommend taking disciplinary/corrective action on an evaluator if he/she is found guilty. The decision taken by the grievance cell is final.

For every program there will be one grievance cell. The composition of the grievance cell is as follows:-

- The Registrar (Evaluation) Ex-officio Chairman / Convener
- One Senior Faculty Member (other than those concerned with the evaluation of the course concerned) drawn from the school / department/discipline and/or from the sister schools / departments/sister disciplines – Member.
- One Senior Faculty Members / Subject Experts drawn from outside the University school / department – Member.
 - **12.3** With regard to any specific case of ambiguity and unsolved problem, the decision of the Vice-Chancellor shall be final.

ABOUT SCHOOL OF MANAGEMENT STUDIES

The School of Management Studies offers BBA (Industry Integrated), BBA (Honours), BBA (Entrepreneurship) and MBA Programs. It also facilitates research leading to Doctoral degree. The BBA (Industry Integrated), BBA (Honours), BBA (Entrepreneurship) and MBA are designed to provide adequate scope students to enter into wide range of business spheres, entrepreneurship, and reduce the widening gap between Industries – Academia. The BBA (Industry Integrated) degree offered by this school enriches the students' knowledge horizon and enables them to work in different national and multinational organizations and face the global challenges arising there from. It not only aims at imparting knowledge and skills in different areas of management and accounting, but also provides inputs necessary for the overall development of the personality of the students. It prepares student's right from the inception to get equipped with required skills through continuous training programs that adopt various methods of learning - case studies, group discussions / analysis, simulation, games, debates, seminars, quiz and the like. The students are groomed with the right exposure to the practical events in the global market milieu.

The Masters degree in Management Studies not only provides adequate scope to enter into wide range of business spheres, and entrepreneurship but also teaching and research fields in different educational / research institutions. This program aims at imparting knowledge and skills in different areas of management, finance, accounting, marketing, human resource, banking and insurance, operations management and actuarial management. It further provides inputs necessary for the overall development of the personality of the students. It induces students' right from the beginning to get equipped with required skills through case studies, group discussions / analysis, simulation, games, debates, seminars, quiz and the like. The students are groomed with the right exposure to the practical environment through a semester long project work. The program also inculcates research culture and entrepreneurship.

The programs offered by REVA University are well planned and designed after detailed study with emphasis on knowledge assimilation, applications, global job market and their social relevance. Highly qualified, experienced faculty and scholars from reputed universities, institutions, experts from industries and business sectors have contributed in preparing schemes of instruction and curriculum for these programs.

Vision

• To produce world class management experts through excellent teaching and research so as to offer professional services at National and International levels.

Mission

- To provide high-standard, forward-looking, morally, socially and ethically responsive, coherent, interdisciplinary and career-oriented programs in a dynamic global education environment.
- To contribute to the enrichment and dissemination of knowledge through theoretical, applied and problem-oriented research for the benefit of students, faculty, and society in general;
- To serve the community by undertaking customer-oriented research, providing training and professional consultation for business, industry and government and pursue research in partnership with business and governmental organizations.

Values

- Excellence in all our academic and research endeavours
- Dedication and service to our stakeholders
- Leadership through innovation
- Accountability and transparency
- Creating conducive academic environment with service motto
- Integrity and intellectual honesty
- Ethical and moral behaviour Freedom of thought and expression
- Adaptability to the change
- Team-work

Program Educational Objectives (PEO)

- **PEO 1:** Graduate after successful completion of the Program will be able to make decision and apply suitable quantitative and qualitative techniques in solving business problems.
- **PEO 2:** Graduates after completion of the program will be able to work with diverse teams and are expected to take up Challenging tasks and take better decisions in complex situations.
- **PEO 3:** Graduates will be able to incorporate social, ethical and moral principles in professional and personal life.

Program Specific Outcomes (PSO)

PSO	Description						
PSO1	Demonstrate understanding of the basic concepts and theoretical						
	knowledge used in the different commerce and business related areas.						
PSO2	Develop ideas for start –ups through knowledge and skills developed						
	during the course of the degree.						
PSO3	Apply different tools and techniques in solving problems related to						
	Business and in day to day situations during their career						

Programme Outcomes

The School of Management studies was established in the year 2014 and BBA – Honors Program commenced in the year 2016, since then the School has defined Program Outcomes for the courses offered during the Board of Studies meeting. Based on the advice and suggestions of the BOS, EIGHT Program Outcomes have been formulated, keeping in view the Vision, Mission and Program Educational Objectives.

Description of the Program Outcomes

PO	Description
PO1	Communicate effectively with various stake – holders using new techniques
PO2	Foster Analytical and critical thinking abilities for data – based decision making
PO3	Ability to develop Value based leadership Ability
PO4	Ability to understand and analyse Global Perspectives of Business
PO5	Engage in Research and apply statistical tools and techniques for Problem solving
	and decision making.
PO6	Enhance skills required for a particular domain by integrating practical and
	theoretical knowledge
PO7	Gain knowledge through inter- disciplinary and Multi – disciplinary courses

PO8	Apply	knowledge	of	Theory	and	Practices	to	solve	business	problems	and
	incorpo	orate Social a	and	ethical a	spects	s in busine	SS

Semester-wise Summary of Credit Distribution

Detailed Syllabus

(Effective from Academic Year 2020-21)

FIRST SEMESTER

Course Title: Communicative English - I

Course Code: B20BH1010

Course Description: This 3-credit course focuses on improving the spoken and written communication of the learners. The course develops personal, interpersonal and group skills among learners. It also addresses the functional aspects of language usage while providing specific linguistic tools through professional language learning software. The widespread reach of this course makes it highly practical and applicable.

Course Objectives:

- 1. To enhance functional communication skills.
- 2. To develop functional use of language in professional contexts.
- 3. To utilize oral presentations in multiple contexts.
- 4. To apply effective written skills in formal communication.

Course Outcomes:

After the completion of the course, students will be able to:

CO1: Identify pressing issues relating to society, environment and media.

CO2: Develop a process-oriented approach to writing.

CO3: Apply the grammatical skills developed during the course aptly.

CO4: Demonstrate a good command over language usage and refined interpersonal skills.

Course Pre-requisites: The student must have knowledge of intermediate English Grammar and LSRW skills.

Pedagogy: Direct method, ICT, Collaborative learning, Flipped Classroom.

LTP: 2:1:0

Course type: CC

Contact Hours: 39 Hours

Units	Detailed Syllabus	СН	СО	РО	PSO

Course Title: Hindi

Course Code: B20BH1022

Course Description:

यह पाठ्यक्रम नौसिखिया अपनी भाषा की क्षमता का विकास करने हेतु तथा विभिन्न साहित्यिक प्रक्रियाओं द्वारा समाज, संस्कृति एवं जीवन के मूल्यों को समझने हेतु अभिकल्पित है |

Course Objectives:

- 1. संदर्भानुसार उचित भाषा का प्रयोग करने की दक्षता को छात्रों में उत्पन्न करना ।
- 2. साहित्य के माध्यम से समाज एवं मानवीय मूल्यों को समझाकर, उन मूल्यों की रक्षा हेतु प्रेरित करना |
- 3. छात्रों में पुस्तक पठन एवं लेखन की अकृतिम प्रवृत्ति स्थापित करना ।
- 4. अध्येताओं में साहित्य के माध्यम से प्रभावी एवं कुशल संचार का विकास करना ।

Course Outcomes:

अध्ययन की समाप्ति पर अध्येता –

CO1: सामाजिक मूल्य एवं नैतिक जवाबदेही को स्वीकार कर सकता है |

CO2:साहित्य की प्रासंगिकता को जीवन में समझने की दक्षता रखता है |

CO3: समाज में अंतर्निहित पद्दतियाँ एवं विचारधाराओं का व्याख्यान करने में सक्षम बन सकता है |

CO4: साहित्य के माध्यम से प्रभावी एवं कुशल संचार का विकास कर सकता है |

Course Pre-requisites:

• अध्येता, पी.यु.सी के स्तर पर द्वितीय भाषा के रूप में हिन्दी का अध्ययन करना चाहिए |

• हिन्दी साहित्य के इतिहास का संक्षिप्त ज्ञान की आवश्यकता है ।

• हिन्दी व्याकरण का अवबोधन आवश्यक है ।

• अंग्रेज़ी – हिन्दी अनुवाद से संबंधित जानकारी जरुरी है |

SECOND SEMESTER

Course Title: Communicative English – II

Course Code: B20BH2010

Course Description: This 3-credit course focuses on enhancing written proficiency required for professional enhancement. It also polishes the spoken skills of the learners to make them effective and confident presenters. It also addresses the functional aspects of language usage while providing specific linguistic tools through professional language learning software. The practical components discussed in this course enables a fruitful transition from academia to the industry of their choice.

Course Objectives:

- 1.To build skills essential for corporate communication.
- 2.To enhance context specific language skills.
- 3.To discover the creative linguistic potential through language and literature.
- 4. To develop communication skills necessary for employability.

Course Outcomes:

After the completion of the course, students will be able to:

CO1: Apply acquired skills to communicate effectively in a corporate scenario.

CO2: Demonstrate command over rhetoric of language.

CO3: Develop critical and creative thinking through assimilated language skills.

CO4: Utilize the communication skills learnt to match industry standards.

Course Pre-requisites: The student must possess functional knowledge of LSRW skills.

Pedagogy: Direct method, ICT, Collaborative learning, Flipped Classroom.

LTP: 2:1:0

Course type: CC

Contact Hours: 39 Hours

Course Title: Hindi

Course Code: B20BH3012

Course Description:

यह पाठ्यक्रम नौसिखिया अपनी भाषा की क्षमता का विकास करने हेतु तथा विभिन्न साहित्यिक प्रक्रियाओं द्वारा समाज, संस्कृति एवं जीवन के मूल्यों को समझने हेतु अभिकल्पित है

Course Objectives:

- 1. संदर्भानुसार उचित भाषा का प्रयोग करने की दक्षता को छात्रों में उत्पन्न करना।
- 2.साहित्य के माध्यम से समाज एवं मानवीय मूल्यों को समझाकर, उन मूल्यों की रक्षा हेतु प्रेरित करना |
- 3.छात्रों में पुस्तक पठन एवं लेखन की अकृतिम प्रवृत्ति स्थापित करना |
- 4.अध्येताओं में साहित्य के माध्यम से प्रभावी एवं कुशल संचार का विकास करना |

Course Outcomes:

अध्ययन की समाप्ति पर अध्येता –

CO1: सामाजिक मूल्य एवं नैतिक जवाबदेही को स्वीकार कर सकता है।

CO2:साहित्य की प्रासंगिकता को जीवन में समझने की दक्षता रखता है।

CO3: समाज में अंतर्निहित पद्दतियाँ एवं विचारधाराओं का व्याख्यान करने में सक्षम बन सकता है |

CO4: साहित्य के माध्यम से प्रभावी एवं कुशल संचार का विकास कर सकता है |

Course Pre-requisites:

1.अध्येता, पी.यु.सी के स्तर पर द्वितीय भाषा के रूप में हिन्दी का अध्ययन करना चाहिए।

2.हिन्दी साहित्य के इतिहास का संक्षिप्त ज्ञान की आवश्यकता है।

3.हिन्दी व्याकरण का अवबोधन आवश्यक है।

4.अंग्रेज़ी – हिन्दी अनुवाद से संबंधित जानकारी जरुरी है |

Pedagogy: ICT and Digital support, Collaborative and Cooperative learning, Flipped Classroom

Course Title: Production and Operation Management

Course Code:B20BH3030

Course Description: This course reviews the management of operations in manufacturing, service, and government organizations. Topics includes a review of the activities and responsibilities of operations management, the tools and techniques available to assist in running the operation, and the factors considered in the design of the system.

Course Objectives:

The objective of this course is to enable students to:

- 1. Obtain adequate knowledge regarding the basic manufacturing facilities
- 2. Understand the service activities that have attained significance and need of managerial skills to address the problems.
- 3. understand how to manage resources to achieve superior quality through statistical process control and using the methods involved in forecasting demand
- 4. to provide with insights on material management concepts applied in the business

Course Outcomes:

On successful completion of this course students shall be able to:

- 1. Conduct Facility planning by making location and layout decisions.
- 2.Plan and implement suitable materials handling principles and practices in the operations.
- 3. Analyze and develop a balanced line of production & scheduling and sequencing techniques in operation environments.
- 4.Demonstrate an understanding of production as a process of converting or transforming resources into products;

Course Pre-requisites: This course requires knowledge of basic mathematics and managerial economics

Pedagogy: ICT tools

Course Title: Financial Management

Course Code: B20BH3040

Course Description:

This course will introduce students to the concept of Financial Management, functions and objectives. The course helps the students to understand and analyse how different decisions of finance manager affect the firm's profitability using time value of money, capital budgeting, working capital management, cash management, receivables management, inventory management etc. and also minimizing the firm's risk using leverages. The course helps in estimation of working capital requirements and cost of capital of the firm for decision making.

Course Objectives:

The objective of this course is to enable students to:

- 1. know the functions and objectives of financial management, evaluate the feasibility of assets.
- 2. understand the measurement of cost of capital and the influence of capital structure over the value of the firm.
- 3. understand dividend policies a firm can adopt and its influence on the value of the firm.
- 4. forecast the working capital requirements of a firm and financing the working capital.

Course Outcomes:

On successful completion of this course students shall be able to:

CO1: evaluate the feasibility of an asset for investment using time value of money concept.

CO2: measure the overall cost of capital of a firm and analyse the influence of capital structure over the value of the firm.

CO3: analyse the impact of dividend policy of a firm over its value and estimate the level of risk of a firm using leverages.

CO4: estimate the working capital requirements of an organization and financing working capital requirements of a firm.

Course Pre-requisites: basic knowledge of accounting, components of accounting.

Pedagogy: ICT Tools

Course Title: Supply Chain Management

Course Code: B20BH3060

Course Description: This course focuses on understanding of fundamental concepts of supply chain and functional areas of supply chain. It will be valuable for students who would like to pursue a career in consulting or take a position in operations, marketing or finance functions in a manufacturing or distribution firm.

Course Objectives:

- 1. understanding of basic concepts in Supply Chain Management
- 2. An understanding of the management components of supply chain management
- 3. understanding SCM Distribution network
- 4. gain knowledge about importance of inventory management

Course Outcomes:

CO1: Basic understanding of the different aspects of Supply Chain Management with a focus on to create a successful venture

CO2: Understanding the applications and process of Supply Chain Management

CO3: Define the designing and planning distribution network in supply chain management

CO4: Apply knowledge to evaluate and manage an effective Inventory management

Course Pre-requisites: knowledge about supply, distribution and inventory concepts

Pedagogy: ICT and Digital support, case analysis

LTP: 2:1:0=3

Course Title: Business Research Methodology

Course Code: B20BH4030

Course Description:

All Business Management students require the ability to deal with quantitative material/including the collection, collation and analysis of the data collected. This course introduces students to the business research methods and models in business mainly centered on statistical aspectals also provides them with experience in designing questionnaires and report writing. Statistanalysis and computation of data helps various research projects. This course reinforces experience gained in their Computing for Business course and is aimed at providing understanding of the research methodology. It also enables students to understand the importance ethical research.

Course Objectives:

- 1. Gain knowledge and understanding of the basic framework of research and research process.
- 2. Comprehend research instruments and methodologies to apply to a specific research project
- 3. Apply essential skills in analyzing both quantitative and qualitative data.
- 4. Evaluate the importance of report writing and presentation in business research. And study ethics in Research. .

Course Outcomes:

This course will enable students to:

After the completion of the course, students will be able to:

CO1: Identify and apply different research approaches and methodologies

CO2: Develop data collection instrument and tools according to the underlying theore framework

CO3: Interpret and present the results of an independently conducted statistical analysis.

CO4: Understand the process of report writing and presentation in business research and imports of ethical research.

Course Pre-requisites:

Basic knowledge about Research.

Pedagogy: Lectures, E-content, ,ICT. case study

LTP: 3:0:1=4

Course type: HC

Course Code: B20BH4050

Course Description:

All Business Management students requires the ability to deal with quality aspects of the business. This course introduces students to the quality requirements. It also provides them with experience in understanding the designing processes which leads to total quality management. This course reinforces the experience gained in their study of various quality parameters, quality checking techniques, tools and quality control requirements.

Course Objectives:

- 1. Gain knowledge and understanding of the basic framework of quality process.
- 2. Comprehend quality instruments and tools to apply and check quality.
- 3. Apply essential skills in analyzing Total quality requirements .
- 4. Evaluate the importance of quality, its various parameters.

Course Outcomes:

This course will enable students to:

After the completion of the course, students will be able to:

CO1: Understand and Identify various quality concepts and requirements.

CO2: Evaluate the quality instrument and tools according to the underlying theoretical framework

CO3: Interpret and present the results of quality analysis.

CO4: Understand the process of various quality checks, its importance and its framework.

Course Pre-requisites:

Basic knowledge of Quality concept

Pedagogy: Lectures, E-content, ,ICT. case study

Course Title: Advertising

Course Code: B20BH5311

Course Description:

This course covers a general overview of advertising and marketing communications, its role in business, advertising-marketing relationships, strategic planning, creative aspects, media choice and integration of all elements.

Course Objectives:

- 1.To familiarize the students with the basic concepts, tools and techniques of advertising used in marketing.
- 2.To create a deep understanding about media decisions and marketing communication
- 3.To enable the students learn about advertising message development
- 4.To equip the students with the skills of measuring advertising effectiveness and organizational arrangements.

Course Outcomes:

At the end of the course, student shall be able to-

CO1: Explain the basic concepts, tools and techniques of advertising used in marketing.

CO2: Develop a deep understanding about media decisions and marketing communication

CO3: Learn and apply the knowledge about advertising message development

CO4: Practically apply the skills of measuring advertising effectiveness and organizational arrangements.

Course Pre-requisites: Advertising

Pedagogy: ICT

LTP: 2:1:0=3

Course type: SC

Course Title: Consumer Behavior

Course Code: B20BH5312

Course Description: The course outlines the ideas of consumer behavior involving concepts s as perception, motivation, attitude formation and change, personality, values, learning, and cultual aspects that influence the consumer behavior decision-making process.

Course Objectives:

- 1.To provide knowledge of basic concepts of Consumer Behavior to apply in market.
- 2. To understand the various Individual and group determinants of Consumer Behavior.
- 3. To gain knowledge about the consumer decision making process and theories involved in consumer decision process.
- 4. To understand the concept of Consumer satisfaction & consumerism.

Course Outcomes:

After the completion of the course, students will be able to:

- CO1 Explain the concept and importance of consumer behavior in day to day functions.
- CO2: Identify the factors influencing consumer buying process and its application.
- CO3: Determine the factors influencing consumer behavior
- CO4: Discuss the concept of consumerism in today's competitive world.

Course Pre-requisites: Basics of Marketing

Pedagogy: Lecture with ICT tool, guest lectures, seminars, case studies, presentations, discussions

Course Title: International Marketing

Course Code: B20BH5411

Course Description:

This course is designed to provide students with the latest understanding of global issues, disciplines, competitions and the necessary skills in making strategic decisions based on a global perspective. The global market opportunities and the ways to develop global marketing strategies.

Course Objectives:

- 1.To familiarize the student about the international environment and international marketing policies
- 2.To enable the students to learn about international marketing skills.
- 3.To develop in-depth knowledge about international marketing strategies.
- 4.To equip students with necessary skills to deal in international market with in depth understanding of pricing strategy.

Course Outcomes:

At the end of the course, student shall be able to-

- CO1: Discuss about the international environment and international marketing policies
- CO2: Explain about international marketing channels, strategies and international policies.
- CO3: Express knowledge about international marketing strategies.
- CO4: Apply skills to deal in international market with in-depth understanding of pricing strategy.

Course Pre-requisites: International Marketing

Course Title: Global Operations and Logistics

Course Code: B20BH5412

Course Description: In this course, we discuss operations function in global context. Operations function is one of the three primary functions of any organization, along with marketing and finance.

Course Objective:

1. The course will present concepts, tools, and strategies used to design and manage operations in global contexts and also Global Logistics will familiarize students with the role of International Logistics in the context of Supply Chain.

2.Students will learn how Logistics impact in other areas of International Supply Chain Management, Methods of Entry into Foreign Markets, Info terms, International

Commercial Documents and International Insurance.

3. Additional areas covered in Global Logistics may include International Modes of Transportation, Packaging, and Security.

Course Outcomes:

- 1. The intent is to give the insights of ideas and techniques an opportunity to students, related to the design, planning, control and improvement of operations
- 2. To become familiar with the language of international operations and supply chain management;
- 3. To strengthen critical thinking and visualize the role of operations in inventory and warehousing
- 4. To enhance operations capabilities that enable the firm to achieve sustaining competitive advantage vis-àvis its global competitors.

Course Pre-requisites: Familiarity of Operations Management

Pedagogy: ICT, flipped classes

SIXTH SEMESTER

Course Title : Goods and Service Tax (GST)

Course Code: B20BH6010

Course Description: This course is designed for Under – graduate students to learn Indirect taxes. This course is equipped with the latest changes made by the government in the provisions of indirect taxes. After completion of this course students can further enhance the skills by adding other similar kind of certification course.

Course Objectives:

- 1. To provide an in-depth knowledge on various provision of GST
- 2. To understand the provisions of levy and collection of tax
- 3. To learn the provisions of Input tax credit, assessment and returns.

Course Outcomes:

CO1: learn the various provision of GST and their business implication

CO2: learn the procedure, levy and collection of tax

CO3: acquaint the knowledge about GST framework

CO4: compute the Input Tax Credit and assessment of returns.

Course Pre-requisites: The students should have studied the first part of taxation in previous semester.

Pedagogy: ICT, Chalkboard

LTP: 3:0:1=4

Course type: Hard core

- 3. Goods and Services Tax, Usha Devi and Poddar, Vision Book House, 2017.

Course Title: Operation Research for Managerial Decisions

Course Code: B20BH6020

Course Description: This course will introduce students to the quantitative methods and OR techniques that are necessary for day-to-day business needs. The use of OR models by individuals and organizations enhances decision making. Businesses and governments can use the techniques and gain insights to enhance optimization techniques, replacement techniques, decision making etc. and more over in overall planning, to make better decisions

Course Objectives : The objective of this course is to enable students to:

- 1. Understand the techniques of operations research in Management
- 2. Possess basic skills and knowledge of operations research and its application in Management
- 3. Understand the basic tools of Operations research in solving the management problems using mathematical approach for decision making.
- 4. Know the formal quantitative approaches to problem solving and an intuition about the situations where these approaches are appropriate

Course Outcomes: On successful completion of this course students shall be able to:

CO1: Apply tools of operations research in Management

CO2: Use Linear Programming Method and its applications in Transportation and assignment

CO3: Use of strategies to be applied in the organizations with the understanding of game theory concepts.

CO4:.Use of network theory in project management

Course Pre-requisites: Knowledge of Intermediate Mathematics, Familiarity of Operations Management

Pedagogy: ICT

LTP: 3:1:0

Course type: HC
Contact Hours: 52

Units **Detailed Syllabus Contact** CO PO hours **PSO** Unit-1 1 2,5 13 Introduction to Operations Research: Origin & Development of Operation Research, Definition and Meaning of Operation Research, Different Phases of Operation Research Study, Scope and Limitations of Operation Research, Mathematical Modeling of Real Life Problems. Models of OR, Linear Programming: Introduction to Linear Programming Problem (LPP), LPP Formulation, solution by Graphical Method. Standard forms of the Simplex method for maximization and minimization problems.

Unit-2	Transportation and Assignment problems, Introduction, Initial basic feasible solution, NWC method, Least cost method, Vogel's method, MODI ,moving towards optimality solution, procedure without degeneracy, degeneracy situation, Assignment problem, Algorithm Hungarian method, Variations in Assignment Problem, Transshipment Problem.	13	2	2,6	2
Unit-3	Decision and Game Theory: Decision making without and with experimentation. Decision Trees. Utility theory. Decision under risk: expected value, expected value - variance, aspiration - level, and most likely future criteria. Decision under uncertainty: Laplace and Minimax, Maxmin criteria. Concepts of Game problem. Two- person zero-sum game. Pure and Mixed strategies. Saddle point and its existence. Fundamental Theorem of Rectangular games. Concept of Dominance. Dominance and Graphical method of solving Rectangular games. Relationship between rectangular game and Linear Programming Problem. Solving rectangular game by Simplex method.	13	3	5,6	3
Unit-4	Project Management and Simulation: P.E.R.T. & C.P.M, Drawing networks – identifying critical path – probability of completing the project within given time- floats calculations, project crashing – optimum cost and optimum duration. Simulation: Introduction, Monte-Carlo Simulation, Applications of Simulation, Inventory Problems, Budgetary Problems, Replacement Problems	13	4	5,6	3

Course Title: MARKETING METRICS

Course Code: B20BH6030

Course Description: This course will focus on the strategic value of marketing initiatives and provide students with the theoretical frame works for marketing analytics, marketing mix management and optimization and return on marketing investment models

Course Objectives:

To provide insights into accurately measuring marketing performance and Return on Investment

Course Outcomes:

CO1: Understand the concept of marketing metrics and Share of Hearts.

CO2: Know the Product and its portfolio management

CO3: Determine the methods of pricing strategy

CO4: Impart the concept of Advertising and Web Metrics

Course Pre-requisites: Modern Marketing

Course Title: New Venture Creation

Course Code: B20BH6040

Course Description: This soft core course familiarizes the learners with aspects related to new venture planning and creating a new enterprise. It provides contents to the students to make them aware of the crucial aspects of industry and markets. The topics like creating formiadable value proposition, identifying and mobilizing human capital for new business is discussed in this course. It familiarizes students with financial resources mobilization, allocation and managing in the process of new venture creation.

Course Objectives:

- 1. To familiarize the learners with aspects related to new venture planning.
- 2. To analyse the industry competitiveness for the new venture creation.
- 3. To create a formidable value proposition, identifying and mobilizing human capital and financial resources needed for new business.

Course Outcomes:

At the completion of the course the student shall be able to:

CO1: Identify lucrative business opportunities after analysing the industry competitiveness adopting specific models.

CO2: Create the value proposition and branding for the new venture.

CO3: Appreciate and apply the methods and strategies for effective human resources management in the new venture.

CO4: Identify and allocate financial resources in a new venture effectively.

Course Pre-requisites: Basic knowledge of business organisation and process of entrepreneurship.

Pedagogy: ICT, Discussions, Flip classrooms, case studies, business games, collaborative methods.

Course	Title:	Supply	Chain N	Ianagement

Course Code: B20BH6050

Course Description: This course will help understand the various supply chain processes and requirements. In addition to above, will enable students to understand related concepts such as ICT linking the supply chain; integrating supply chain strategy to corporate strategy; supply chain mapping; developing and implementing partnerships in the supply chain; and, implementing supply chain management.

Course Objectives:

- 1. To describe the various streams of the supply chain
- 2. To describe the drivers of the supply chain
- 3. To describe the concepts employed in the supply chain
- 4. To explain about the strategies employed in the supply chain

Course Outcomes:

CO1: Able to Understand the strategic role of Logistics and Supply chain Management in the cost reduction and offering improved service to the customers

CO2: Combining the traditional physical distribution activity with modern Information Technology to have sustainable competitice advantage to the organization Globaly.

CO3: Able to Understand the strategic role of Logistics and Supply chain Management in the cost reduction and offering improved service to the customers.

CO4: It enables to identify the various challenges of SCM.

Course Pre-requisites:

Pedagogy: (could be any one for each Unit. Where ICT is used, the ppt has to be attached as hyperlink, links to Videos, You tube, Digital resource is to be specified)

Direct method - Used

ICT and Digital support - Used

Collaborative and Cooperative learning - Done

Differentiated Instruction – Used

- 2. Burt, Dobbler, Starling, World Class Supply Management, TMH.
- 3. Donald J Bowersox, David J Closs, Logistical Management, TMH
- 4. Pierre David, "International Logistics", Biztantra.
- 5. Sunil Chopra, Peter Meindl, Supply Chain Management, Pearson Education, India.

LIST OF FACULTY MEMBERS

Sl No.	REVA ID	Name of the Faculty	Designation	Email ID
1	REVA00078	Dr. Subramanyam M	Associate Professor	drmutyala@reva.edu.in
2	REVA00650	Prof.Naveen Kumar .P	Assistant Professor	naveen.rajnp@reva.edu.in
3	REVA00513	Prof. Krupa S	Assistant Professor	krupa.s@reva.edu.in
4	REVA01187	Prof.Anitha Kumari B	Assistant Professor	anithakumari.b@reva.edu.in
5	REVA01198	Prof.P.Venkatswamy	Assistant Professor	pillavenkataswamyk@reva.edu.in
6	REVA01440	Prof.Srikanth Reddy	Assistant Professor	srikanthreddy.d@reva.edu.in
7	REVA01456	Prof.Bharti Ayer	Assistant Professor	bharti.ayer@reva.edu.in
8	REVA01502	Prof.Raghvendra Kumar Singh	Assistant Professor	raghvendrakumar.singh@reva.edu.in
9	REVA01946	Prof.John Pravin Motha	Assistant Professor	johnpravin.motha@reva.edu.in
10	REVA02232	Prof.Vellagapudi Manikrishna	Assistant Professor	velagapudi.manikrishna@reva.edu.in
11	REVA02310	Prof.Likitha V S	Assistant Professor	likitha.vs@reva.edu.in
12	REVA01609	Prof.G Narayana Swamy	Assistant professor	gnarayanaswamy@reva.edu.in
13	REVA02222	Prof.Dara Vijayalakshmi	Assistant Professor	daravijaya.laxmi@reva.edu.in
14	REVA01767	Prof.Sakshi Sachdeva	Assistant Professor	sakshi.sachdeva@reva.edu.in
15	REVA02243	Dr. Samubul Zaman	Assistant Professor	sumbul.zaman@reva.edu.in
16	REVA01810	Prof.Ankita Gupta	Assistant Professor	ankita.gupta@reva.edu.in
