

## **A Technical Talk on Overview of MEMS Technology and its applications on 24th Nov 2015**

A Talk was arranged on Overview of MEMS technology and its applications by Dr. K. Natarajan on 24th Nov 2015 at 11 am, ECE Seminar Hall.

Dr. S.L.Pinjare, Professor ECE formally welcomed Dr. K. Natarajan, currently working as Professor & head, department of Telecommunication Engineering, M.S.R College of Engineering, Bangalore. He also advised to learn the importance of MEMS and real time applications shared by the resource person. Staff and PG students participated in the technical talk. The speaker discussed and interacted with the students.

Dr. Biradar thanked the speaker and all the participants for actively taking up in the activity.
