

# **REPORT ON VALEDICTORY AND FAREWELL FOR OUTGOING STUDENTS**

School of ECE had organized Valedictory and farewell for the final year outgoing students on 14<sup>th</sup> May 2016 in the Kuvempu Auditorium, REVA University. All the staff and the students attended the inaugural sessions.

The inaugural function was presided by the Chief Guest, Mr Punith Kumar Mishra, Scientist, ISRO and Guest of Honor Mr. Devdas Pai, CEO Nanocell Networks and Mr. Sandeep Kumar, Alumni and CEO of Manastha Solutions and Dr R C Biradar, Director, School of ECE, REVA University.

The Function started with a devotional song followed by lighting the lamp. Dr R. C. Biradar gave motivational talks on success and its key factors. Director also advised the students to serve the society and have a great future ahead. Mr Punith Kumar Mishra gave a technical talk on Advanced Satellite Antennas to give insight of the latest advancements in the field of Antennas to the students. Mr Devdas Pai spoke about the entrepreneurship and how education will play a role in developing startups. Mr Sandeep Kumar gave a motivational speech on the entrepreneurship careers.

Then the best outgoing students were identified and awarded with respect to highest score in individual subjects, semester scores and technical events during Aaviskar-2016. Students also took oath to serve the society. Students shared their memories and their experiences in the campus. A video collage was played, which included the wishes for the students from the faculty.

Then the event ended with the thanks giving note by Jyothi Sihag, student, REVA University.
