

TECHNOLOGY INCUBATION CENTER

SCHOOL OF ELECTRONICS AND COMMUNICATION ENGINEERING

INVITED TALK ON STARTUP FEATURE

**RESOURE PERSON:** Mr. Himanshu Rangandol

**DESIGNATION:** Head, Innovation and Designes Oski Labs

**INTRUDUCTION :**Mr.Himanshu R. graduated as electronics engineer from PESITM college of engineering shimogga .He worked as research person in IISC , he worked as a Embedded developer in Hybrid chip technologies ,he has experience of working as INDIA operation lead at Qreatin Technologies and currently he is working as Head, Innovation and designs in OSCI LABS. And He is one of the youngest entrepreneurs.

On 18/8/2016 Technology Incubation center school of ECE, conducted its first startup talk from industrial person Mr Himashu R. The event started with formal inauguration by Dr.R.C.Biradar, Director School of ECE. By addressing students, this invited talk was conducted to bring awareness regarding startup feature in the universities. And to encourage students to develop entrepreneur ideas and to shape them to be a successful startup.

The event was more interactive. Many students actively participated in the interactive sessions and enquired there queries regarding startup. Throughout the session topics such as approaching problem, starting a startup, registering a company and finding investors to the business and etc were discussed.

Main outcome of the event was many students got motivated and they voluntarily came out with entrepreneurial ideas.TIC is looking forward to shape them as startups.
